~Plan of Analysis for MHOC Data Reporting~

*"… each month between June and December 2013, the Department of
Mental Health shall provide information to the Mental Health Oversight Committee and
the Health Care Oversight Committee on…"*

*(1) The number of Level 1 patients receiving acute inpatient care in a
hospital setting other than the renovated unit at Rutland Regional Medical
Center, the renovated unit at the Brattleboro Retreat, and the Green Mountain
Psychiatric Center in Morrisville, including the number of individuals treated in each
setting and the single combined one-day highest number each month*

> **Starting July 1, on the first weekday of the new month, DMH will pull the level
> 1 inpatient spreadsheet for all admissions for the previous month by unit. The
> report will detail total episodes for the month and the highest daily census by
> unit.**

*(2) The number of individuals waiting for admission to a Level 1 psychiatric inpatient unit
after the determination of need for admission to emergency departments, correctional
facilities, or any other identified settings is made and the number of days individuals are
waiting;*

> **For those level 1 patients identified in item 1, the wait time in days from the
> issuance of emergency papers (EE/Warrant) to admission. DMH will get these
> numbers from the core data elements master list populated by GMPCC
> admissions.**

*(3) The total census capacity and average daily census of new intensive recovery
residence beds opened in accordance with 2012 Acts and Resolves No. 79, and the
annual daily census of the secure residential recovery facility in Middlesex. The census
capacity shall not include a duplicate count for beds that replace those currently in
operation elsewhere.*

> **Starting on July 1, on the first week of the new month, Keith will pull total
> census capacity and average daily census for the new intensive recovery
> residence beds: identified as Second Spring, Hilltop, and Meadowview in our
> data meeting. Middlesex will be added to this list once the facility is reporting.**
