Analysis is based on the Inpatient Tracking Spreadsheet maintained by the Department of Vermont Health Access (DVHA). Includes psychiatric hospitalizations with Level 1 designations for hospitalizations occurring at the Brattleboro Retreat (BR), Fletcher Allen Medical Center (FAHC), Rutland Regional Medical Center (RRMC), and Green Mountain Psychiatric Care Center (GMPCC). Level 1 designation is reserved for patients with risk of imminent harm to self or others and requiring significant resources. Length of Stay is calculated from admission to date of report for clients still in inpatient care.
