Hi Peter,

Senate Ed is likely to include the creation of VT Innovation in Education Task Force in the Misc. Ed bill. Brian and I were asked to revise the task force membership to reflect more knowledgeable participants in Technology. Who would you like to see included?

Here's one possibility:

1. Gov appointee
2. Speaker appointee
3. Pres Pro Temp appointee
4. ~~Chair of VTA~~ or designee *Executive Director of Vermont telecommunications Authority or designee*
5. Director of dept of creative economy or designee
6. Chair of Vt. Board of Education or designee
7. a student (appointed by ~~who?~~) *Vita learn board*
8. Sec of Education or designee
9. Director or designee of *Vermont Information Technology Association for the Advancement of Learning - VITA-Learn.*

I invite you to be as honest as possible in telling us who would or wouldn't be helpful on this task force. THANKS!!

Sarah
