Motor Vehicle Racing- Add section regarding age limits in pit areas

26 V.S.A. § 4811 is amended to read:

§ 4811. Safety standards

Minimum safety standards for the conduct of any race covered by this chapter are established as follows:

(1) Each race track shall have a substantial fence of steel wire or plank construction or other barrier not less than three feet high between the track and area designated for spectators. No grandstand shall be constructed or spectators allowed on a curved side of a track. For motorcycle, ATV, or snowmobile racing, each track shall have a snow fence or other suitable barrier not less than four feet high between the track and the area designated for spectators. The outside portion of all tracks shall be a reasonable distance from the spectators.

(2) Each racing promoter or permittee shall provide proper police protection, fire protection, and medical aid and enforce sanitary and health measures at all times.

(3) Any driver shall have a legal operator's license. Any driver under the age of majority shall have the written consent of a parent or guardian. **No person under the age of 10 shall be allowed in the pit area.**
