

1 TO THE HONORABLE SENATE:

2 The Committee on Education to which was referred Senate Bill No. 91
3 entitled “An act relating to public funding of some approved independent

8 REPEAL

9 (a) Privatization of public school. Notwithstanding the authority of a
10 school district to cease operating an elementary or secondary school and to
11 begin paying tuition on behalf of its resident students, a school district shall not
12 cease operation of a school with the intention, for the purpose, or with the
13 result of having the school building or buildings reopen as an approved
14 independent school serving essentially the same population of students.

15 (b) State Board approval. The State Board of Education shall not approve
16 an independent school under 16 V.S.A. § 166 if, on or after the effective date

18 the vote serves essentially the same population of students as the independent
19 school proposes to serve and is located in the building or buildings in which
20 the independent school proposes to operate.

1 (c) Publicly funded tuition. An approved independent school shall not be
2 eligible to receive publicly funded tuition dollars if, on or after the effective
3 date of this act, a school district votes to cease operating a school that at the
4 time of the vote serves essentially the same population of students as the
5 independent school proposes to serve and is located in the building or
6 buildings in which the independent school proposes to operate.

7 (d) Repeal. This section is repealed on July 1, 2016.

14 essentially the same population of students. Among other issues, the Secretary
15 shall examine federal civil rights law and the Vermont Supreme Court's
