

1 TO THE HONORABLE SENATE:

2 The Committee on Finance to which was referred House Bill No. 198  
3 entitled “An act relating to the Legacy Insurance Management Act”  
4 respectfully reports that it has considered the same and recommends that the  
5 Senate propose to the House that the bill be amended by striking out all after  
6 the enacting clause and inserting in lieu thereof the following:

7 Sec. 1. TITLE

8 This act shall be known as the “Legacy Insurance Management Act.”

9 Sec. 2. FINDINGS AND PURPOSE

10 (a) The Vermont General Assembly finds:

11 (1) The creation of jobs and investment in the state of Vermont through  
12 business expansion and recruitment is of the highest importance.

13 (2) Vermont has created a thriving alternative risk financing industry,  
14 which has provided Vermonters with well-paying jobs and has created  
15 significant premium tax revenue for the state.

16 (1) Vermont is a competitive location for highly successful financial  
17 services firms as a result of its leadership in the field of captive insurance.  
18 Vermont’s ability to modernize key aspects of its insurance laws has been a  
19 key to the State’s success.

1           (2) The management of closed blocks of commercial insurance policies  
2           and reinsurance agreements has been a productive and successful sector of the  
3           insurance industry for decades in other jurisdictions.

4           (3) Vermont’s respected, sophisticated, and experienced insurance  
5           regulatory apparatus makes it an ideal jurisdiction to establish a non-admitted  
6           insurance and reinsurance management industry.

7           (4) A new non-admitted insurance and reinsurance management  
8           industry has the potential to attract investment, create well-paying jobs, and  
9           generate tax revenue for Vermont.

10           (b) The purpose of this act is to regulate the receipt and management by  
11           solvent Vermont companies of closed blocks of non-admitted commercial  
12           insurance policies and reinsurance agreements.

13           Sec. 3. 8 V.S.A. chapter 147 is added to read:

7                   (3) consented to sufficient regulatory oversight by the Department; and

8                   (4) excluded from the plan any policy or agreement required to be  
9           excluded under subsections 7112(j) and (l) of this chapter.

10           (c) An order issued under subsection (a) of this section approving the plan  
11           shall have the full force and effect of a statutory novation with respect to all  
12           policyholders and reinsurance counterparties and their respective policies and  
13           reinsurance agreements under the plan and shall provide that the transferring  
14           insurer shall have no further rights, obligations, or liabilities with respect to  
15           such policies and reinsurance agreements, and that the assuming company shall  
16           have all such rights, obligations, and liabilities as if it, instead of the  
17           transferring insurer, were the original party to such policies and reinsurance  
18           agreements.

19           (d) The Commissioner may issue any other orders he or she reasonably  
20           deems necessary to fully implement an order issued under subsection (a) of  
21           this section.

1       (e) No order issued under subsection (a) or (d) of this section shall be  
2       construed to modify or amend the terms of a policy or reinsurance agreement,  
3       other than with respect to matters specifically subject to modification or  
4       amendment under this chapter.

5       (f) If a policyholder or inward reinsurance counterparty provides express  
6       written notice that he or she objects to the plan after the comment period has  
7       expired, and provides evidence reasonably satisfactory to the Commissioner  
8       that he or she was not provided notice of the plan in the form and manner  
9       previously approved by the Commissioner, or if an outward reinsurance  
10       counterparty or other party provides express written notice that he or she  
11       objects to a plan, the Commissioner may not approve the plan with respect to  
12       such party unless the Commissioner determines that the plan:

13               (1) does not materially adversely affect the objecting party; and

14               (2) otherwise complies with the requirements of this chapter.

15       (g) At any time before the Commissioner issues the order described in  
16       subsection (a) of this section, the assuming company may file an amendment to  
17       the plan, subject to the Commissioner's approval.

18       (h) At any time before the Commissioner issues the order described in  
19       subsection (a) of this section, the assuming company may withdraw the plan  
20       without prejudice. Upon such withdrawal, however, the Commissioner shall  
21       issue an order setting forth the amount of fees payable by the assuming

1 company under subdivision 7116(a)(2) of this chapter, payable not later than  
2 14 days after the date of such order.

3 § 7115. JURISDICTION; APPEALS

5 respect to the review and approval or denial of any plan.

6 (b) Any party aggrieved by a final order of the Commissioner may appeal  
7 that order to the Vermont Supreme Court under 3 V.S.A. § 815.

8 § 7116. FEE; COSTS; TRANSFER TAX

9 (a) To cover the costs of processing and reviewing a plan under this  
10 chapter, the assuming company shall pay to the Commissioner the following

12 this chapter:

13 (1) an administrative fee in the amount of \$30,000.00; and

14 (2) the reasonable costs of persons retained by the Commissioner under  
15 subsection 7113(a) of this chapter.

16 (b) When a plan is approved, the assuming company shall pay the  
17 Commissioner a transfer tax equal to the sum of:

18 (1) one percent of the first \$100,000,000.00 of the gross liabilities  
19 transferred, including direct and assumed unpaid claims, losses, and loss  
20 adjustment expenses with no reductions for amounts ceded; and

1           (2) 0.5 percent of the gross liabilities transferred that exceed  
2           \$100,000,000.00, including direct and assumed unpaid claims, losses, and loss  
3           adjustment expenses with no reductions for amounts ceded.

4           (c) All fees and payments received by the Department under subsection (a)  
5           of this section and 10 percent of the transfer tax under subsection (b) of this  
6           section shall be credited to the insurance regulatory and supervision fund under  
7           section 80 of this title. The remaining 90 percent of the transfer tax shall be  
8           deposited directly into the general fund.

9           § 7117. EXAMINATIONS

10           (a) The Commissioner has the authority to order any assuming company to  
11           produce any records, books, and papers in the possession of the assuming  
12           company or its affiliates necessary to ascertain the financial condition or  
13           legality of conduct of the assuming company.

14           (b) The Commissioner shall exercise his or her authority under subsection  
15           (a) of this section only if he or she has reason to believe the interests of the  
16           assuming company's policyholders may be adversely affected under the plan.

17           (c) The Commissioner may retain, at the assuming company's expense,  
18           attorneys, actuaries, accountants, and other experts not otherwise a part of the  
19           Commissioner's staff reasonably necessary to assist with an examination under  
20           this section. Any persons so retained shall be under the direction and control  
21           of the Commissioner and shall act in a purely advisory capacity.

1        (d) Each assuming company that produces records, books, and papers for  
2        examination under this section shall pay the expense of such examination.
