7 Sec. 63. 32 V.S.A. § 704 is amended to read:

8 § 704. INTERIM BUDGET AND APPROPRIATION ADJUSTMENTS

9 (a) The General Assembly recognizes that acts of appropriations and their
10 sources of funding reflect the priorities for expenditures of public funds
11 enacted by the Legislature, and that major reductions or adjustments, when
12 required by reduced State revenues or other reasons, ought to be made
13 whenever possible by an act of the Legislature reflecting its revisions of those
14 priorities. Nevertheless, if the General Assembly is not in session, authorized
15 appropriations and their sources of funding may be adjusted and funds may be
16 transferred pursuant to the provisions of this section.

17 (b)(1) If the official State revenue estimates of the Emergency Board for
18 the General Fund, the Transportation Fund, or federal funds, determined under
19 section 305a of this title have been reduced by one percent or more from the
20 estimates determined and assumed for purposes of the general appropriations
21 act or budget adjustment act, and if the General Assembly is not in session, in

1 order to adjust appropriations and their sources of funding under this
2 subdivision, the Secretary shall prepare a plan for approval by the Joint Fiscal
3 Committee, and authorized appropriations and their sources of funding may be
4 adjusted and funds transferred pursuant to a plan approved under this section.

5 (2) If the Secretary of Administration determines that the current fiscal
6 year revenues for the General Fund, Transportation Fund, or federal funds are
7 likely to be reduced from the official revenue estimates by less than one
8 percent, the Secretary may prepare and implement an expenditure reduction
9 plan, and implement appropriations reductions in accordance with the plan.

10 The Secretary may implement a plan under this subdivision without the
11 approval of the Joint Fiscal Committee if reductions to any individual
12 appropriation do not exceed five percent of the appropriation's amount for
13 personal services, operating expenses, grants, and other categories, and
14 provided that the plan is designed to minimize any negative effects on the
15 delivery of services to the public, and shall not have any undue
16 disproportionate effect on any single function, program, service, benefit, or
17 county. Plans not requiring the approval of the Joint Fiscal Committee shall be
18 filed with the Joint Fiscal Office prior to implementation. If the Secretary's
19 plan consists of disproportionate reductions greater than five percent in any
20 line item, such plan shall not be implemented without the approval of the Joint
21 Fiscal Committee.

1 (c) A plan prepared by the Secretary shall indicate the amounts to be
2 adjusted in each appropriation, and in personal services, operating expenses,
3 grants, and other categories, shall indicate the effect of each adjustment in
4 appropriations and their sources of funding, and each fund transfer, on the
5 primary purposes of the program, and shall indicate how it is designed to
6 minimize any negative effects on the delivery of services to the public, and any
7 unduly disproportionate effect the plan may have on any single function,
8 program, service, benefit, or county.

9 (d) An expenditure reduction plan under subdivision (b)(2) of this section
10 shall not include any reduction in:

11 (1) appropriations authorized and necessary to fulfill the State's debt
12 obligations;

13 (2) appropriations authorized for the Judicial or Legislative ~~Branches~~
14 Branch, except that the plan may recommend reductions for consideration by
15 the Judicial or Legislative ~~Branches~~ Branch; or

16 (3) appropriations for the salaries of elected officers of the Executive
17 Branch listed in subsection 1003(a) of this title.

18 (e)(1) The Joint Fiscal Committee shall have 21 days from the date of
19 submission of a plan under subdivision (b)(1) of this section to consider the
20 plan, and may approve or disapprove the plan upon a vote of a majority of the
21 members of the Committee. If the Committee vote results in a tie, the plan

1 shall be deemed disapproved; and if the Committee fails for any other reason
2 to take final action on such plan within 21 days of its submission to the
3 Committee, it shall be deemed to be disapproved. During the 21-day period
4 for consideration of the plan, the Committee shall conduct a public hearing and
5 provide an opportunity for public comment on the plan.

6 (2) If the plan is disapproved, then in order to communicate the
7 priorities of the General Assembly, the Committee shall make
8 recommendations to the Secretary for amendments to the plan. Within seven
9 days after the Committee notifies the Secretary of its disapproval of a plan, the
10 Secretary may submit a final plan to the Committee. The ~~committee~~
11 Committee shall have 14 days from the date of submission of a final plan to
12 consider that plan and to vote by a majority of the members of the Committee
13 to approve or disapprove the plan; but if the Committee fails to approve or
14 disapprove the plan by a majority vote, the plan shall be deemed disapproved.
15 If the Secretary's final plan includes any changes from the original plan other
16 than those recommended by the Committee, then during the 14-day period for
17 consideration of the final plan, the Committee shall conduct a public hearing
18 and provide an opportunity for public comment, with the scope of the hearing
19 and the comments limited to the changes from the original plan.

20 (3) In determining whether to approve a plan submitted by the Secretary
21 under this subsection, the Committee shall consider whether the plan

1 minimizes any negative effects on the delivery of services to the public, and
2 whether the plan will have any unduly disproportionate effect on any single
3 function, program, service, benefit, or county.

4 (4) Any plan disapproved under this section shall not be implemented.

5 (5) For purposes of this section, the Committee shall be convened at the
6 call of the Chair or at the request of at least three members of the Committee.

7 (f) In the event of a reduction in the official revenue estimate of one
8 percent or more, the Secretary may implement an expenditure reduction plan in
9 the manner provided for in subdivision (b)(2) of this section, provided that the
10 reduction in appropriations is not greater than one percent of the prior official
11 revenue estimate.

12 (g) No plan may be approved or implemented under this section which:

13 (1) would reduce appropriations from any fund by more than the
14 cumulative reductions in the official State revenue estimates of the Emergency
15 Board for the General Fund, the Transportation Fund, or federal funds,
16 determined under section 305a of this title, from the estimate originally
17 determined and assumed for purposes of the general appropriations act or
18 budget adjustment act; minus the total reductions in appropriations already
19 taken under this section in that fund in the fiscal year; or

20 (2) would result in total reductions under this section in appropriations
21 in the fiscal year from any fund by more than four percent of the estimate

1 originally determined and assumed for purposes of the general appropriations
2 act or budget adjustment act; or

3 (3) would adjust revenues or expenditures of the Education Fund as
4 prescribed by law.

5 (h) The provisions of this section shall apply to each official State revenue
6 estimate of the Emergency Board in the fiscal year and when the General
7 Assembly is not in session.

8 (i) The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall
