

## MEMORANDUM

**To:** Senator Claire Ayer, Senate Health and Welfare Committee

**From:** Lila Shapero, Voices for Vermont's Children

**Date:** April 1, 2014

**Re:** H. 373, An Act relating to updating and reorganizing Title 33

---

I am writing on behalf of Voices for Vermont's Children. We were asked to review the proposed changes to Title 33 to see if there were any substantive changes included in the revisions. From our review, the revisions make technical corrections, update, and reorganize Title 33.

We appreciate the work that has gone into this revision.

Thank you for your consideration. Please feel free to contact me if you have any questions.
