

Act No. 83 (H.539). Agriculture; pollinators; pollinator protection

An act relating to establishment of a Pollinator Protection Committee

This act establishes a 10-member Pollinator Protection Committee (Committee) to evaluate the causes and occurrence of reduced pollinator populations in the State and recommend measures the State can adopt to conserve and protect pollinator populations. The act requires the Committee to fulfill several duties, including development of a State pollinator protection plan. The Committee shall report its recommendations to the General Assembly on or before December 15, 2016.
