Determination of compliance with the criteria contained in this section shall be within the discretion of the Commissioner. Series of number plates for safety and service organizations which are authorized by the Commissioner shall be issued in order of approval, subject to the operating considerations in the Department as determined by the

Commissioner. The Commissioner shall issue vanity and special organization number plates in the following manner:

(1) Vanity plates. Subject to the restrictions of this section, vanity plates shall be issued at the request of the registrant of a motor vehicle unless the vehicle is registered under the International Registration Plan, upon application and upon payment of an annual fee of ~~\$45.00~~ \$48.00 in addition to the annual fee for registration. The Commissioner shall not issue two sets of plates bearing the same initials or letters unless the plates also contain a distinguishing number. Vanity plates are subject to reassignment if not renewed within 60 days of expiration of the registration.

(2) Special organization plates.

\* \* \*

(B) The officer of a safety organization or service organization may apply to the Commissioner to approve special plates indicating membership in a qualifying organization to be issued to organization members for a ~~\$15.00~~ \$17.00 special fee for each set of plates in addition to the annual fee for registration. The name and emblem shall not be objectively obscene or confusing to the general public and shall not promote, advertise, or endorse a product, brand, or service provided for sale. The organization's name and emblem must not infringe on or violate a

An organization may have only one design, regardless of the number of individual organizational units, squads, or departments within the State that may conduct the same or substantially similar activities.

(C) After the plate design is finalized and an officer or the principal contact provides the Commissioner a written statement authorizing issuance of the plates, the organization shall deposit ~~\$2,000.00~~ \$2,200.00 with the Commissioner. Of this deposit, \$500.00 shall be retained by the Department to recover costs of developing the organization plate. Notwithstanding 32 V.S.A. § 502, the Commissioner may charge the actual costs of production of the plates against the fees collected and the balance shall be deposited in the Transportation Fund. Upon application, special plates shall be issued to a registrant of a vehicle registered at the pleasure car rate or of a truck registered for less than 26,001 pounds (but excluding trucks registered under the International Registration Plan) who furnishes the Commissioner satisfactory proof that he or she is a member of an organization that has satisfied the requirements of this subdivision (b)(2). For each of the first 100 applicants to whom sets of plates are issued, the ~~\$15.00~~ \$17.00 special plate fee shall not be

collected and shall be subtracted from the balance of the deposit. When the ~~\$1,500.00~~ \$1,700.00 balance of the deposit is depleted, applicants shall be required to pay the ~~\$15.00~~ \$17.00 fee as provided for in subdivision (2)(B) of this subsection.
