9 Subject: Public safety; marijuana; regulation of marijuana establishments

10 Statement of purpose of bill as introduced: This bill proposes to:

- 11 1. Permit a person who is 21 years of age or older to possess limited
12 amounts of marijuana for personal use, while retaining civil and
13 criminal penalties for possession above the limits and for unauthorized
14 dispensing or sale of marijuana.
- 15 2. Provide civil penalties for a person who is under 21 years of age who
16 possesses marijuana or attempts to procure marijuana from a registered
17 marijuana establishment.
- 18 3. Establish a Marijuana Control Board within the Department of Public
19 Safety. The Board would be responsible for rulemaking and
20 administering registrations for marijuana establishments.

- 1 4. Create a regulatory structure for the cultivation, production, testing, and
2 sale of marijuana that includes oversight by the Marijuana Control
3 Board and the Department of Public Safety.
- 4 5. Permit a nonprofit dispensary or a benefit corporation to register with
5 the Marijuana Control Board as a Marijuana Cultivator, Marijuana
6 Product Manufacturer, Marijuana Testing Laboratory, Marijuana
7 Retailer, or Marijuana Lounge.
- 8 6. Permit municipalities to prohibit or regulate marijuana establishments.
- 9 7. Retain criminal penalties for operating a motor vehicle under the
10 influence of a drug.
- 11 8. Prohibit smoking marijuana in a public place.
- 12 9. Establish an excise tax of \$40.00 per ounce on marijuana flowers,
13 \$15.00 per ounce on any other marijuana, and \$25.00 on each immature
14 marijuana plant sold by a cultivator.
- 15 10. Distribute funds generated by marijuana taxes to initiatives focusing
16 on public education about the safety risks of alcohol, tobacco, and
17 marijuana, evidence-based criminal justice programs and substance
18 abuse treatment services, law enforcement, municipalities that have
19 marijuana establishments in their jurisdictions, the Youth Substance
20 Abuse Safety Program, and academic and medical research on
21 marijuana.

1 An act relating to regulation and taxation of marijuana

2 It is hereby enacted by the General Assembly of the State of Vermont:

3 Sec. 1. FINDINGS

4 The General Assembly finds:

5 (1) Marijuana is commonly used in Vermont with an estimated 80,000
6 residents having used marijuana in the last month.

7 (2) More than 75 years of criminalizing marijuana has failed to prevent
8 marijuana use. A study published in the American Journal of Public Health
9 found that no evidence supports the claim that criminalization reduces
10 marijuana use.

11 (3) Responsible use of marijuana should be treated the same as
12 responsible use of alcohol, the abuse of either treated as a public health matter,
13 and irresponsible use of either that causes harm to others sanctioned with
14 penalties.

15 (4) Policymakers recognize legitimate federal concerns about marijuana
16 reform and seek through this legislation to provide better control of access and
17 distribution of marijuana in a manner that prevents:

18 (A) distribution of marijuana to persons less than 21 years of age;

19 (B) revenue from the sale of marijuana from going to criminal
20 enterprises;

1 (C) diversion of marijuana to states that do not permit possession of
2 marijuana;

3 (D) State-authorized marijuana activity from being used as a cover or
4 pretext for trafficking of other illegal drugs or activity;

5 (E) violence and the use of firearms in the cultivation and distribution
6 of marijuana;

7 (F) drugged driving and the exacerbation of any other adverse public
8 health consequences of marijuana use;

9 (G) growing of marijuana on public lands and the attendant public
10 safety and environmental dangers posed by marijuana production on public
11 lands; and

12 (H) possession or use of marijuana on federal property.

13 (5) Lawful regulation of marijuana can shift demand away from the
14 illegal market and the inherent public health and safety risks associated with
15 the illegal market.

16 (6) Revenue generated by comprehensive, reasonable regulation of
17 marijuana can support prevention, education, treatment, and law enforcement
18 efforts resulting in a net reduction in public harm and an overall improvement
19 in public safety.

1 Sec. 2. 20 V.S.A. chapter 119 is added to read:
