

Senate proposal of amendment

H. 761

An act relating to cataloguing and aligning health care performance measures

The Senate proposes to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. GREEN MOUNTAIN CARE BOARD; PERFORMANCE MEASURES

The Green Mountain Care Board, in consultation with the Vermont Medical Society, shall survey and catalogue all existing performance measures required of primary care providers in Vermont, including the Centers for Medicare and Medicaid Services' quality measures. The Board shall develop a plan to align performance measures across programs that impact primary care. The plan's goal shall be to reduce the administrative burden of reporting requirements for providers while balancing the need to evaluate quality of and access to care adequately. The Board shall submit the plan to the Senate Committee on Health and Welfare and to the House Committee on Health Care on or before January 15, 2017.

Sec. 2. EFFECTIVE DATE

This act shall take effect on passage.
