2 Introduced by Senators Sears and Ashe

3 Referred to Committee on Health and Welfare

4 Date: February 4, 2015

5 Subject: Health; health insurance; hospitals; medical examinations; victims of
6 crime; victims of sexual assault

7 Statement of purpose of bill as introduced: This bill proposes to reduce the

10 examinations and other medical care provided to victims of crime and require
11 facilities and providers to bill the victim's health insurance first. It would also
12 require hospitals, health insurers, Medicaid, and the Center for Crime Victim
13 Services to enter into a memorandum of understanding in order to protect the
14 confidentiality of victims of sexual assault.
