An act relating to captive insurance companies

Rep. Kitzmiller of Montpelier, for the Committee on **Commerce & Economic Development**, recommends the bill be amended as follows:

First: In Sec. 2, 8 V.S.A. § 6004, subsection (c), after the first sentence, by inserting the following: “The Commissioner shall issue a bulletin defining “marketable securities” for the purpose of this subsection.”

Second: By adding Sec. 6 to read as follows:

Sec. 6. 8 V.S.A. § 6036(d) is amended to read:

(d) A participant shall ~~insure only its own risks through a sponsored captive insurance company~~ not insure any risks other than its own and the risks of affiliated entities or of controlled unaffiliated entities.

Third: By striking out Sec. 8 in its entirety and by inserting in lieu thereof a new Sec. 8 (to be renumbered as Sec. 9) to read as follows:

Sec. 9. 8 V.S.A. § 6052(g) is added to read:

(g) This subsection establishes governance standards for a risk retention group.

(1) As used in this subsection:

(A) “Board of directors” or “board” means the governing body of a risk retention group elected by risk retention group members to establish policy, elect or appoint officers and committees, and make other governing decisions.

(B) “Director” means a natural person designated in the articles of the risk retention group or designated, elected, or appointed by any other manner, name, or title to act as a director.

(C) “Independent director” means a director who does not have a material relationship with the risk retention group. A person that is a direct or indirect owner of or subscriber in the risk retention group – or is an officer, director, or employee of such an owner and insured, unless some other position

of such officer, director, or employee constitutes a “material relationship” – as contemplated under subdivision 3901(a)(4)(E)(ii) of the federal Liability Risk Retention Act, is considered to be “independent.” A director has a material relationship with a risk retention group if he or she, or a member of his or her immediate family:

(i) In any 12-month period, receives from the risk retention group, or from a consultant or service provider to the risk retention group, compensation or other item of value in an amount equal to or greater than five percent of the risk retention group’s gross written premium or two percent of the risk retention group’s surplus, as measured at the end of any fiscal quarter falling in such 12-month period, whichever is greater. This provision also applies to compensation or items of value received by any business with which the director is affiliated. Such material relationship shall continue for one year after the item of value is received or the compensation ceases or falls below the threshold established in this subdivision, as applicable.

(ii) Has a relationship with an auditor as follows: Is affiliated with or employed in a professional capacity by a current or former internal or external auditor of the risk retention group. Such material relationship shall continue for one year after the affiliation or employment ends.

(iii) Has a relationship with a related entity as follows: Is employed as an executive officer of another company whose board of directors includes executive officers of the risk retention group, unless a majority of the membership of such other company’s board of directors is the same as the membership of the board of directors of the risk retention group. Such material relationship shall continue until the employment or service ends.

(D) “Material service provider” includes a captive manager, auditor, accountant, actuary, investment advisor, attorney, managing general underwriter, or other person responsible for underwriting, determination of rates, premium collection, claims adjustment or settlement, or preparation of financial statements, whose aggregate annual contract fees are equal to or greater than five percent of the risk retention group’s annual gross written premium or two percent of its surplus, whichever is greater. It does not mean defense counsel retained by a risk retention group, unless his or her annual fees are equal to or greater than five percent of a risk retention group’s annual gross premium or two percent of its surplus, whichever is greater.

(2) The board of directors shall determine whether a director is independent; review such determinations annually; and maintain a record of the determinations, which shall be provided to the Commissioner promptly, upon request. The board shall have a majority of independent directors. If the risk retention group is reciprocal, then the attorney-in-fact is required to adhere

to the same standards regarding independence as imposed on the risk retention group's board of directors.

(3) The term of any material service provider contract entered into with a risk retention group shall not exceed five years. The contract, or its renewal, requires approval of a majority of the risk retention group's independent directors. The board of directors has the right to terminate a contract at any time for cause after providing adequate notice, as defined in the terms of the contract.

(4) A risk retention group shall not enter into a material service provider contract without the prior written approval of the Commissioner.

(5) A risk retention group's plan of operation shall include written policies approved by its board of directors requiring the board to:

(A) provide evidence of ownership interest to each risk retention group member;

(B) develop governance standards applicable to the risk retention group;

(C) oversee the evaluation of the risk retention group's management, including the performance of its captive manager, managing general underwriter, or other person or persons responsible for underwriting, rate determination, premium collection, claims adjustment and settlement, or preparation of financial statements;

(D) review and approve the amount to be paid under a material service provider contract; and

(E) at least annually, review and approve:

(i) the risk retention group's goals and objectives relevant to the compensation of officers and service providers;

(ii) the performance of officers and service providers as measured against the risk retention group's goals and objectives;

(iii) the continued engagement of officers and material service providers.

(6) A risk retention group shall have an audit committee composed of at least three independent board members. A nonindependent board member may participate in the committee's activities, if invited to do so by the audit committee, but he or she shall not serve as a committee member. The Commissioner may waive the requirement of an audit committee if the risk retention group demonstrates to the Commissioner's satisfaction that having such committee is impracticable and the board of directors is able to perform

sufficiently the committee's responsibilities. The audit committee shall have a written charter defining its responsibilities, which shall include:

(A) assisting board oversight of the integrity of financial statements, compliance with legal and regulatory requirements, and qualifications, independence, and performance of the independent auditor or actuary;

(B) reviewing annual and quarterly audited financial statements with management;

(C) reviewing annual audited financial statements with its independent auditor and, if it deems advisable, the risk retention group's quarterly financial statements as well;

(D) reviewing risk assessment and risk management policies;

(E) meeting with management, either directly or through a designated representative of the committee;

(F) meeting with independent auditors, either directly or through a designated representative of the committee;

(G) reviewing with the independent auditor any audit problems and management's response;

(H) establishing clear hiring policies applicable to the hiring of employees or former employees of the independent auditor by the risk retention group;

(I) requiring the independent auditor to rotate the lead audit partner having primary responsibility for the risk retention group's audit, as well as the audit partner responsible for reviewing that audit, so that neither individual performs audit services for the risk retention group for more than five consecutive fiscal years; and

(J) reporting regularly to the board of directors.

(7) The board of directors shall adopt governance standards, which shall be available to risk retention group members through electronic or other means, and provided to risk retention group members, upon request. The governance standards shall include:

(A) a process by which risk retention group members elect directors.

(B) director qualifications, responsibilities, and compensation;

(C) director orientation and continuing education requirements;

(D) a process allowing the board access to management and, as necessary and appropriate, independent advisors;

(E) policies and procedures for management succession; and

(F) policies and procedures providing for an annual performance evaluation of the board.

(8) The board of directors shall adopt a code of business conduct and ethics applicable to directors, officers, and employees of the risk retention group and criteria for waivers of code provisions, which shall be available to risk retention group members through electronic or other means, and provided to risk retention group members, upon request. Provisions of the code shall address:

(A) conflicts of interest;

(B) matters covered under the Vermont corporate opportunities doctrine;

(C) confidentiality;

(D) fair dealing;

(E) protection and proper use of risk retention group assets;

(F) standards for complying with applicable laws, rules, and regulations; and

(G) mandatory reporting of illegal or unethical behavior affecting operation of the risk retention group.

(9) The president or chief executive officer of a risk retention group shall promptly notify the Commissioner in writing of any known material noncompliance with the governance standards established in this subsection.

Fourth: By striking out Sec. 9 (effective date) in its entirety and by inserting in lieu thereof a new Sec. 9 (renumbered as Sec. 10) to read as follows:

Sec. 10. EFFECTIVE DATE; APPLICATION

This act shall take effect on passage. Sec. 9 (governance standards applicable to risk retention groups) shall apply to risk retention groups first licensed on or after the effective date of this act, and shall apply to all other risk retention groups one year after the effective date of this act.

and by renumbering the remaining sections to be numerically correct.

and that after passage the title of the bill be amended to read: “An act relating to captive insurance companies and risk retention groups”

(4) an assessment, conducted in cooperation with the Department of Innovation and Information and the ~~Division for Connectivity~~ Agency of Transportation, of the current State telecommunications system and evaluation of alternative proposals for upgrading the system to provide the best available

and affordable technology for use by government; and

(5) an assessment of the state of telecommunications networks and services in Vermont relative to other states, including price comparisons for key services and comparisons of the state of technology deployment.

(c) In developing the Plan, the Department shall take into account the State telecommunications policies and goals of section 202c of this title.

(d) In establishing plans, public hearings shall be held and the Department shall consult with members of the public, representatives of telecommunications utilities with a certificate of public good, other providers, including the Vermont Electric Power Co., Inc. (VELCO), and other interested State agencies, particularly the Agency of Commerce and Community Development, ~~the Division for Connectivity~~, the Agency of Transportation, and the Department of Innovation and Information, whose views shall be considered in preparation of the Plan. To the extent necessary, the Department shall include in the Plan surveys to determine existing, needed, and desirable plant improvements and extensions, access and coordination between telecommunications providers, methods of operations, and any change that will produce better service or reduce costs. To this end, the Department may require the submission of data by each company subject to supervision by the Public Service Board.

(e) Before adopting a Plan, the Department shall conduct public hearings on a final draft and shall consider the testimony presented at such hearings in preparing the final Plan. At least one hearing shall be held jointly with Committees of the General Assembly designated by the General Assembly for this purpose. The Plan shall be adopted by September 1, 2014, and then reviewed and updated as provided in subsection (f) of this section.

(f) The Department, from time to time, but in no event less than every three years, shall institute proceedings to review a the Plan and make revisions, where necessary. The three-year major review shall be made according to the procedures established in this section for initial adoption of the Plan. For good cause or upon request by a Joint Resolution passed by the General Assembly, an interim review and revision of any section of the Plan may be made after conducting public hearings on the interim revision. At least one hearing shall be held jointly with Committees of the General Assembly designated by the General Assembly for this purpose.

(g) The Department shall review and update the minimum technical service characteristic objectives not less than every three years beginning in 2017. In the event such review is conducted separately from an update of the Plan, the Department shall issue revised minimum technical service characteristic

objectives as an amendment to the Plan.

Sec. 4. 30 V.S.A. § 202e is added to read:

(3) inventory and assess the potential to use federal radio frequency licenses held by instrumentalities of the State to enable broadband service in unserved areas of the State; take steps to promote the use of those licensed radio frequencies for that purpose; and recommend to the General Assembly any further legislative measures with respect to ownership, management, and use of these licenses as would promote the general good of the State;

(4) coordinate telecommunications initiatives among Executive Branch agencies, departments, and offices;

(5) identify the types and locations of infrastructure and services needed to carry out the goals stated in subsection (a) of this section;

(6) formulate, with the advice and assistance of the Telecommunications and Connectivity Board and with input from the Regional Planning Commissions, an action plan that conforms with the State Telecommunications Plan, as updated and revised, and carries out the goals stated in subsection (a) of this section;

Sec. 5. 30 V.S.A. § 202f is added to read:

§ 202f. TELECOMMUNICATIONS AND CONNECTIVITY BOARD

(a) There is created a Telecommunications and Connectivity Board for the purpose of making recommendations to the Commissioner of Public Service regarding his or her telecommunications responsibilities and duties as provided in this section. The Connectivity Board shall consist of 10 members, nine

(1) the State Treasurer or designee;

(2) the Secretary of Commerce and Community Development or designee;

(3) one member of the House of Representatives appointed by the Speaker of the House;

(4) one member of the Senate appointed by the Committee on Committees of the Senate;

(5) five at-large members appointed by the Governor, who shall not be employees or officers of the State at the time of appointment;

(6) the Secretary of Transportation or designee, who shall be a nonvoting member; and

(b) A quorum of the Connectivity Board shall consist of five voting members. The Governor shall select, from among the at-large members, a Chair and Vice Chair, who shall not be members of the General Assembly or employees or officers of the State at the time of the appointment.

(c) In making appointments of at-large and legislative members, the appointing authorities shall give consideration to citizens of the State with knowledge of telecommunications technology, telecommunications regulatory law, transportation rights-of-way and infrastructure, finance, environmental permitting, and expertise regarding the delivery of telecommunications services in rural, high-cost areas. However, the legislative and five at-large members may not be persons with a financial interest in or owners or employees of an enterprise that provides broadband or cellular service or that is seeking in-kind or financial support from the Department of Public Service. The conflict of interest provision in this subsection shall not be construed to disqualify a member who has ownership in a mutual fund, exchange traded fund, pension plan, or similar entity that owns shares in such enterprises as part of a broadly diversified portfolio. The legislative and at-large members shall serve terms of two years beginning on February 1 in odd-numbered years, and until their successors are appointed and qualified. However, three of the five at-large members first appointed by the Governor shall serve an initial term of three years. Vacancies shall be filled by the respective appointing bodies for the balance of the unexpired term. A member may be reappointed for up to three consecutive terms. Upon completion of a term of service for any reason,

including the term's expiration or a member's resignation, and for one year from the date of such completion, a former Board member shall not advocate before the Connectivity Board, Department of Public Service, or the Public Service Board on behalf of an enterprise that provides broadband or cellular service.

Legislative members are entitled to compensation for services and reimbursement of expenses as provided in 2 V.S.A. § 406. All members of the Board, including those members otherwise regularly employed by the State, shall receive their actual and necessary expenses when away from home or office upon their official duties.

(e) In performing its duties, the Connectivity Board may use the legal and technical resources of the Department of Public Service. The Department of Public Service shall provide the Board with administrative services.

(f) The Connectivity Board shall:

(1) have review and nonbinding approval authority with respect to the awarding of grants under the Connectivity Initiative. The Commissioner shall have sole authority to make the final decision on grant awards, as provided in subsection (g) of this section.

(2) function in an advisory capacity to the Commissioner on the development of State telecommunications policy and planning, including the action plan required under subdivision 202e(b)(6) of this chapter and the State Telecommunications Plan.

(3) annually advise the Commissioner on the development of requests for proposals under the Connectivity Initiative.

(4) annually provide the Commissioner with recommendations for the apportionment of funds to the High-Cost Program and the Connectivity Initiative.

(5) annually provide the Commissioner with recommendations on the appropriate Internet access speeds for publicly funded telecommunication and connectivity projects.

(g) The Commissioner shall make an initial determination as to whether a proposal submitted under the Connectivity Initiative meets the criteria of the request for proposals. The Commissioner shall then provide the Connectivity Board a list of all eligible proposals and recommendations. The Connectivity Board shall review the recommendations of the Commissioner and may review any proposal submitted, as it deems necessary, and either approve or

disapprove each recommendation and may make new recommendations for the Commissioner's final consideration. The Commissioner shall have final decision-making authority with respect to the awarding of grants under the Connectivity Initiative. If the Commissioner does not accept a recommendation of the Board, he or she shall provide the Board with a written explanation for such decision.

(h) On September 15, 2015, and annually thereafter, the Commissioner shall submit to the Connectivity Board an accounting of monies in the Connectivity Fund and anticipated revenue for the next year. On or before January 1 of each year, the Commissioner, after consulting with the Connectivity Board, shall recommend to the relevant legislative committees of jurisdiction a plan for apportioning such funds to the High-Cost Program and the Connectivity Initiative.

(i) The Chair shall call the first meeting of the Connectivity Board. The Chair or a majority of Board members may call a Board meeting. The Board may meet up to six times a year.

(j) At least annually, the Connectivity Board and the Commissioner or designee shall jointly hold a public meeting to review and discuss the status of State telecommunications policy and planning, the Telecommunications Plan, the Connectivity Fund, the Connectivity Initiative, the High-Cost Program, and any other matters they deem necessary to fulfill their obligations under this section.

(k) Information and materials submitted by a telecommunications service provider concerning confidential financial or proprietary information shall be exempt from public inspection and copying under the Public Records Act, nor shall any information that would identify a provider who has submitted a proposal under the Connectivity Initiative be disclosed without the consent of the provider, unless a grant award has been made to that provider. Nothing in this subsection shall be construed to prohibit the publication of statistical information, determinations, reports, opinions, or other information so long as the data are disclosed in a form that cannot identify or be associated with a particular telecommunications service provider.

Sec. 6. CREATION OF POSITIONS; TRANSFER OF VACANT POSITIONS; REEMPLOYMENT RIGHTS; TRANSITIONAL PROVISIONS

(a) Up to three additional exempt full-time positions are created within the Division for Telecommunications and Connectivity, as deemed necessary by the Secretary of Administration.

(b) The positions created under subsection (a) of this section shall only be

filled to the extent there are existing vacant positions in the Executive Branch available to be transferred and converted to the new positions in the Division for Telecommunications and Connectivity, as determined by the Secretary of Administration and the Commissioner of Human Resources, so that the total number of authorized positions in the State shall not be increased by this act.

(c) All full-time personnel of the Vermont Telecommunications Authority employed by the Authority on the day immediately preceding the effective date of this act who do not obtain a position in the Division for Telecommunications and Connectivity pursuant to subsection (a) of this section shall be entitled to the same reemployment or recall rights available to nonmanagement State employees under the existing collective bargaining agreement entered into between the State and the Vermont State Employees' Association.

(d) The Department of Public Service shall assume possession and responsibility for all assets and liabilities of the Vermont Telecommunications Authority (VTA).

(e) The VTA shall not enter into any new contracts without the approval of the Commissioner of Public Service.

Sec. 7. 30 V.S.A. § 7503 is amended to read:

§ 7503. FISCAL AGENT

(a) A fiscal agent shall be selected to receive and distribute funds under this chapter.

(b) The fiscal agent shall be selected by the ~~Public Service Board~~ Commissioner of Public Service after competitive bidding. No telecommunications service provider shall be eligible to be the fiscal agent. The duties of the fiscal agent shall be determined by a contract with a term not greater than three years.

(c) In order to finance grants and other expenditures that have been approved by the ~~Public Service Board~~ Commissioner of Public Service, the fiscal agent may borrow money from time to time in anticipation of receipts during the current fiscal year. No such note shall have a term of repayment in excess of one year, but the fiscal agent may pledge its receipts in the current and future years to secure repayment. Financial obligations of the fiscal agent are not guaranteed by the State of Vermont.

(d) The fiscal agent shall be audited annually by a certified public accountant in a manner determined by and under the direction of the ~~Public Service Board~~ Commissioner of Public Service.

(e) The financial accounts of the fiscal agent shall be available at

reasonable times to any telecommunications service provider in this State. The ~~Public Service Board~~ Commissioner of Public Service may investigate the accounts and practices of the fiscal agent and may enter orders concerning the same.

(f) The fiscal agent acts as a fiduciary and holds funds in trust for the ratepayers until the funds have been disbursed as provided pursuant to ~~sections 7511 through 7515~~ section 7511 of this chapter.

Sec. 8. REPEAL

30 V.S.A. § 7515a (additional program support for Executive Branch activities) is repealed.

Sec. 9. 30 V.S.A. § 7511 is amended to read:

§ 7511. DISTRIBUTION GENERALLY

(a)(1) As directed by the ~~Public Service Board~~ Commissioner of Public Service, funds collected by the fiscal agent, and interest accruing thereon, shall be distributed as follows:

~~(1)(A)~~ (A) to pay costs payable to the fiscal agent under its contract with the ~~Board~~ Commissioner;

~~(2)(B)~~ (B) to support the Vermont telecommunications relay service in the manner provided by section 7512 of this title;

~~(3)(C)~~ (C) to support the Vermont Lifeline program in the manner provided by section 7513 of this title;

~~(4)(D)~~ (D) to support Enhanced-911 services in the manner provided by section 7514 of this title; and

~~(5)(E)~~ (E) to support the Connectivity Fund established in section 7516 of ~~this chapter; and~~ of this title; and

(2) Any personnel or administrative costs associated with the Connectivity Initiative shall come from the Connectivity Fund as determined by the Commissioner in consultation with the Connectivity Board.

(b) If insufficient funds exist to support all of the purposes contained in subsection (a) of this section, the ~~Board~~ Commissioner shall ~~conduct an expedited proceeding to~~ allocate the available funds, giving priority in the order listed in subsection (a).

Sec. 10. 30 V.S.A. § 7516 is amended to read:

§ 7516. CONNECTIVITY FUND

There is created a Connectivity Fund for the purpose of providing support

to the High-Cost Program established under section 7515 of this chapter and the Connectivity Initiative established under section 7515b of this chapter. The fiscal agent shall determine annually, on or before September 1, the amount of monies available to the Connectivity Fund. Such funds shall be apportioned ~~equally~~ as follows: 45 percent to the High-Cost Program and 55 percent to the Connectivity Initiative ~~referenced in this section.~~

Sec. 11. 30 V.S.A. § 7515 is amended to read:

§ 7515. HIGH-COST PROGRAM

(a) The Universal Service Charge shall be used as a means of keeping basic telecommunications service affordable in all parts of this State, thereby maintaining universal service, and as a means of supporting access to broadband service in all parts of the State.

(b) The Public Service Board, after review of a petition of a company holding a certificate of public good to provide telecommunications service in Vermont, and upon finding that the company meets all requirements for designation as an “eligible telecommunications carrier” as defined by the FCC, may designate the company as a Vermont-eligible telecommunications carrier (VETC).

(c) The supported services a designated VETC must provide are voice telephony services, as defined by the FCC, and broadband Internet access, directly or through an affiliate. A VETC receiving support under this section shall use that support for capital improvements in high cost areas, as defined in subsection (f) of this section, to build broadband capable networks.

(d) The Board may designate multiple VETCs for a single high cost area, but each designated VETC shall:

(1) offer supported services to customers at all locations throughout the ~~service~~ high cost area or areas for which it has been designated; and

(2) for its voice telephone services, meet service quality standards set by the Board.

(e) A VETC shall receive support as defined in subsection (i) of this section from the fiscal agent of the Vermont Universal Service Fund for each telecommunications line in service or service location, whichever is greater in number, in each high cost area it services. Such support may be made in the form of a net payment against the carrier’s liability to the Fund. If multiple VETCs are designated for a single area, then each VETC shall receive support for each line it has in service.

(f) As used in this section, a Vermont telephone exchange is a “high cost area” if the exchange is served by a rural telephone company, as defined by

federal law, or if the exchange is designated as a rural exchange in the wholesale tariff of a regional bell operating company (RBOC), as defined by the FCC, or of a successor company to an RBOC. An exchange is not a high cost area if the Public Service Board finds that the supported services are available to all locations throughout the exchange from at least two service providers.

(g) Except as provided in subsection (h) of this section, a VETC shall provide broadband Internet access at speeds no lower than 4 Mbps download and 1 Mbps upload in each high cost area it serves within five years of designation. A VETC need not provide broadband service to a location that has service available from another service provider, as determined by the Department of Public Service.

(h) The Public Service Board may modify the build out requirements of subsection (d) of this section as it relates to broadband Internet access to be the geographic area that could be reached using one-half of the funds to be received over five years. A VETC may seek such waiver of the build out requirements ~~in subsection (e)~~ within one year of designation and shall demonstrate the cost of meeting broadband Internet access requirements on an exchange basis and propose an alternative build out plan.

(i) The amount of the monthly support under this section shall be the pro rata share of available funds ~~as provided in subsection (e) of this section~~ based on the total number of incumbent local exchange carriers in the State and reflecting each carrier's lines in service or service locations in its high-cost area or areas, as determined under subsection (e) of this section. If an incumbent local exchange carrier does not petition the Board for VETC designation, or is found ineligible by the Board, the share of funds it otherwise would have received under this section shall be used to support the Connectivity Initiative established in section 7515b of this chapter.

(j) The Public Service Board shall adopt by rule standards and procedures for ensuring projects funded under this section are not competitive overbuilds of existing wired telecommunications services.

(k) Each VETC shall submit certification that it is meeting the requirements of this section and an accounting of how it expended the funds received under this section in the previous calendar year, with its annual report to the Department of Public Service. For good cause shown, the Public Service Board may investigate submissions required by this subsection and may revoke a company's designation if it finds that the company is not meeting the requirements of this subsection.

Sec. 12. 30 V.S.A. § 7515b is amended to read:

§ 7515b. CONNECTIVITY INITIATIVE

(a) The purpose of the Connectivity Initiative is to provide each service location in Vermont access to Internet service that is capable of speeds of at least ~~4~~ 10 Mbps download and 1 Mbps upload, or the FCC speed requirements established under Connect America Fund Phase II, whichever is higher, beginning with locations not served as of December 31, 2013 according to the minimum technical service characteristic objectives applicable at that time. Within this category of service locations, priority shall be given first to unserved and then to underserved locations. As used in this section, “unserved” means a location having access to only satellite or dial-up Internet service and “underserved” means a location having access to Internet service with speeds that exceed satellite and dial-up speeds but are less than 4 Mbps download and 1 Mbps upload. Any new services funded in whole or in part by monies ~~in this Fund~~ from this Initiative shall be capable of being continuously upgraded to reflect the best available, most economically feasible service capabilities.

(b) The Department of Public Service shall publish annually a list of census blocks eligible for funding based on the Department’s most recent broadband mapping data. The Department annually shall solicit proposals from service providers, ~~the Vermont Telecommunications Authority, and the Division for Connectivity~~ to deploy broadband to eligible census blocks. The Department shall give priority to proposals that reflect the lowest cost of providing services to unserved and underserved locations; however, the Department also shall consider:

- (1) the proposed data transfer rates and other data transmission characteristics of services that would be available to consumers;
- (2) the price to consumers of services;
- (3) the proposed cost to consumers of any new construction, equipment installation service, or facility required to obtain service;
- (4) whether the proposal would use the best available technology that is economically feasible;
- (5) the availability of service of comparable quality and speed; and
- (6) the objectives of the State’s Telecommunications Plan.

Sec. 13. 30 V.S.A. § 246(e) is added to read:

(e) Notwithstanding any contrary provisions of this section, the holder of a certificate of public good for a constructed meteorological station may apply under section 248a of this title or 10 V.S.A. chapter 151 to convert the station to a wireless telecommunications facility, provided the application is filed at

least 90 days before the expiration of the certificate for the station. Any such application shall constitute a new application to be reviewed under the facts and circumstances as they exist at the time of the review.

Sec. 14. STATUTORY REVISION

In its statutory revision capacity under 2 V.S.A. § 424, the Office of Legislative Council shall, where appropriate in 30 V.S.A. chapter 88:

(1) replace the words “Public Service Board” with the words “Department of Public Service”;

(2) replace the word “Board” with the word “Commissioner”; and

(3) make other similar amendments necessary to effect the purposes of this act.

Sec. 15. EFFECTIVE DATES

This act shall take effect on July 1, 2015, except that this section and Secs. 6(e) (Commissioner approval of all Vermont Telecommunications Contracts), 13 (conversion of a meteorological station to wireless telecommunications facility), and 14 (statutory revision authority) shall take effect on passage.

(Committee Vote: 11-0-0)

Rep. Young of Glover, for the Committee on **Ways & Means**, recommends the bill ought to pass when amended as recommended by the Committee on **Commerce & Economic Development** and when further amended as follows:

First: In Sec.9, 30 V.S.A. § 7511(a) by striking out subdivision (2) in its entirety and by inserting in lieu thereof the following:

Second: By adding Sec. 9a to read as follows:

Sec. 9a. FUNDING FOR CONNECTIVITY PERSONNEL; GROSS RECEIPTS TAX

Not later than January 15, 2016, the Commissioner shall determine whether the revenues raised from the existing gross receipts tax on public service companies, 30 V.S.A. § 22, is sufficient to finance the personnel and administrative costs associated with the Connectivity Initiative, beginning in fiscal year 2017. If the Commissioner determines the revenues are not

sufficient for this purpose, he or she shall recommend to the General Assembly a new rate of tax applicable to one or more categories of public service companies, as he or she deems necessary and appropriate.

H. 361

An act relating to making amendments to education funding, education spending, and education governance.

(Rep. Sharpe of Bristol will speak for the Committee on Education.)

Rep. Donovan of Burlington, for the Committee on **Ways & Means**, recommends the bill be amended as follows:

Sec. 2a. 32 V.S.A. § 5401 is amended to read:

§ 5401. DEFINITIONS

* * *

(13)(A) “District Education property tax spending adjustment” means the greater of: one or a fraction in which the numerator is the district’s education spending plus excess spending, per equalized pupil, for the school year; and the denominator is the base education amount property dollar equivalent yield for the school year, as defined in ~~16 V.S.A. § 4001 subdivision (15) of this section.~~ For a district that pays tuition to a public school or an approved independent school, or both, for all of its resident students in any year and which has decided by a majority vote of its school board to opt into this provision, the district spending adjustment shall be the average of the district spending adjustment calculated under this subdivision for the previous year and for the current year. Any district opting for a two year average under this subdivision may not opt out of such treatment, and the averaging shall continue until the district no longer qualifies for such

~~treatment.~~

(B) “Education income tax spending adjustment” means the greater of: one or a fraction in which the numerator is the district’s education spending plus excess spending, per equalized pupil, for the school year; and the denominator is the income dollar equivalent yield for the school year, as defined in subdivision (16) of this section.

* * *

(15) “Property dollar equivalent yield” means the amount of spending per equalized pupil that would result if the homestead tax rate were \$1.00 per \$100.00 of equalized education property value, and the statutory reserves under 16 V.S.A. § 4026 and section 5402b of this title were maintained.

(16) “Income dollar equivalent yield” means the amount of spending per equalized pupil that would result if the applicable percentage in subdivision 6066(a)(2) of this title were 2.0 percent, and the statutory reserves under 16 V.S.A. § 4026 and section 5402b of this title were maintained.

Sec. 3. 32 V.S.A. § 5402 is amended to read:

§ 5402. EDUCATION PROPERTY TAX LIABILITY

(2) The tax rate for homestead property shall be ~~\$1.40~~ \$1.00 multiplied by the ~~district~~ education property tax spending adjustment for the municipality, per \$100.00, of equalized education property value as most recently determined under section 5405 of this title. The homestead property tax rate for each municipality which is a member of a union or unified union school district shall be calculated as required under subsection (e) of this section.

(b) The ~~Statewide~~ statewide education tax shall be calculated as follows:

(1) The Commissioner of Taxes shall determine for each municipality the education tax rates under subsection (a) of this section, divided by the municipality’s most recent common level of appraisal. The legislative body in each municipality shall then bill each property taxpayer at the homestead or nonresidential rate determined by the Commissioner under this subdivision, multiplied by the education property tax grand list value of the property, properly classified as homestead or nonresidential property and without regard to any other tax classification of the property. Tax bills shall show the tax due and the calculation of the rate determined under subsection (a) of this section, divided by the municipality’s most recent common level of appraisal,

multiplied by the current grand list value of the property to be taxed.

(2) Taxes assessed under this section shall be assessed and collected in the same manner as taxes assessed under chapter 133 of this title with no tax classification other than as homestead or nonresidential property.

(3) If a district has not voted a budget by June 30, an interim homestead education tax shall be imposed at the base rate determined under subdivision (a)(2) of this section, divided by the municipality's most recent common level of appraisal, but without regard to any ~~district~~ spending adjustment under subdivision 5401(13) of this title.
