**Bill Referred to Committee on Appropriations**

S. 73

Senate bill, entitled

An act relating to State regulation rent-to-own agreements for merchandise;

Appearing on the Calendar, carrying an appropriation, under rule 35a, was referred to the committee on Appropriations.

**Joint Resolution Referred to Committee**

J.R.S. 20

By Senator Cummings,

J.R.S. 20. Joint resolution relating to the Vermont Student Assistance Corporation's lending authority.

Whereas, for over 30 years, the costs of attending college have risen beyond the rate of inflation, making access to postsecondary education less affordable for Vermonters and forcing more students and their parents to take on significant debt to finance a college education, and

Whereas, the Vermont Student Assistance Corporation (VSAC) has developed a nonfederal loan program known as the Advantage Loan, using tax-exempt bonds that VSAC issues to help students and parents find more affordable higher education loans and to refinance previously issued higher education loans, and

Whereas, an ambiguity in the Internal Revenue Code has created uncertainty as to whether VSAC may use tax-exempt bonds to achieve lower rates for both types of higher education loans, and

Whereas, the Vermont Congressional Delegation has collaborated with VSAC to develop strategies to resolve this legal ambiguity, and
Whereas, resolving this legal ambiguity could be accomplished with appropriate clarifying actions from the Internal Revenue Service, the U.S. Secretary of the Treasury, or Congress, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly expresses its appreciation and thanks to the Vermont Congressional Delegation for its collaborative effort with VSAC to lower the costs of higher education loans for Vermonters, and be it further

Resolved: That the General Assembly urges the Vermont Congressional Delegation to continue to work diligently with the Internal Revenue Service, the U.S. Secretary of the Treasury, and both houses of Congress to take whatever appropriate measures are needed to enable VSAC to use tax-exempt bonds to make new, and to refinance existing, higher education loans, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the VSAC and the Vermont Congressional Delegation.

Which was read and, in the Speaker’s discretion, treated as a bill and referred to the Committee on Education.

Amendment to House Proposal of Amendment Agreed to;
Consideration Interrupted by Recess

S. 108

Senate bill, entitled

An act relating to repealing the sunset on provisions pertaining to patient choice at end of life

Was taken up and pending third reading of the bill. Reps. Willhoit of St. Johnsbury and Higley of Lowell moved to amend the House proposal of amendment by adding a new section to be Sec. 3 to read as follows:

Sec. 3. 18 V.S.A. § 5294 is added to read:

§ 5294. AGENTS AND GUARDIANS NOT PERMITTED TO ACT

Under no circumstances shall:

(1) a guardian or conservator be permitted to act on behalf of a ward for purposes of this chapter;

(2) an agent under an advance directive be permitted to act on behalf of a principal for purposes of this chapter; or

(3) any other person be permitted to act on behalf of a patient for purposes of this chapter.
and by renumbering the existing Sec. 3, effective date, to be Sec. 4.

Thereupon, Rep. Bartholomew of Hartland raised a Point of Order that the amendment was not germane to the bill, which Point of Order the Speaker ruled well taken.

Pending third reading of the bill, Rep. Haas of Rochester moved to amend the House proposal of amendment as follows:

First: In Sec. 2, 18 V.S.A. § 5293, in subsection (a), by striking out the first sentence in its entirety and inserting in lieu thereof a new sentence to read as follows: “The Department of Health shall adopt rules pursuant to 3 V.S.A. chapter 25 to facilitate the collection of information regarding compliance with this chapter, including identifying patients who filled prescriptions written pursuant to this chapter.”

Second: By adding a new section to be Sec. 3 to read as follows:

Sec. 3. 18 V.S.A. § 4284(b)(2) is amended to read:

(2) The Department shall provide reports of data available to the Department through the VPMS only to the following persons:

* * *

(G) The Commissioner of Health or the Commissioner’s designee in order to identify patients who filled prescriptions written pursuant to chapter 113 of this title.

and by renumbering Sec. 3, effective date, to be Sec. 4

Which was agreed to.

Thereupon, Rep. Hebert of Vermont moved to suspend the rules to permit consideration of the amendment offered by Reps. Wilhoit of St. Johnsbury and Higley of Lowell, which amendment was ruled not germane to the bill.

Pending the question, Shall the House permit consideration of a non-germane amendment? Rep. Hebert of Vermont demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the House permit consideration of a non-germane amendment? was decided in the negative. Yeas, 44. Nays, 93.

Rep. Browning of Arlington explained her vote as follows:

“Mr. Speaker:

I vote yes to allow the House to consider adding provisions to protect Vermonters – provisions approved of by the current Human Services Committee and also adopted by the House itself two years ago. I believe that this non-germane ruling disrespects the Committee and prevents us from fully considering how to best serve Vermonters, which is the goal of our legislative process.”

Rep. Komline of Dorset explained her vote as follows:

“Mr. Speaker:

My vote wasn’t cast to challenge the Speaker. My vote was in support of allowing an amendment to be considered by this body; an amendment that had the support of the majority of the committee.

When we can work together to make a controversial bill a bit less so, we all benefit.”

Rep. McFaun of Barre Town explained his vote as follows:

“Mr. Speaker:

I vote yes on this amendment in support of the committee process – the committee on Human Services voted to find this amendment favorable – this morning – after hearing testimony from Rep. Willhoit and committee discussion.”

Rep. Russell of Rutland City explained his vote as follows:

“Mr. Speaker:

I stand with the Speaker. I vote no.”

Rep. Willhoit of St. Johnsbury explained his vote as follows:

“Mr. Speaker:

I drafted and voted for this amendment as it restores this vital protection that this body passed out when S.77 was considered two years ago. Our constituents deserve this protection.”

Pending third reading of the bill, Rep. Donahue of Northfield moved to amend the House proposal of amendment as follows:

By adding a new section to be Sec. 2 to read as follows:
Sec. 2. 18 V.S.A. § 1872 is added to read:

§ 1872. DUTIES OF A CLINICIAN

Nothing in the bill of rights in section 1871 of this title shall be construed to impose upon any clinician an affirmative duty to offer information that has not been requested by a patient related to patient choice at end of life pursuant to chapter 113 of this title.

and by renumbering the existing Sec. 2, effective date, to be Sec. 3

Thereupon, Rep. Bartholomew of Hartland raised a Point of Order that the amendment was not germane, which Point of Order the Speaker ruled well taken.

Thereupon, Rep. Donahue of Northfield moved to suspend the rules to permit consideration of a non-germane amendment.

Pending the question, Shall the House permit consideration of a non-germane amendment? Rep. Donahue of Northfield demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the House permit consideration of a non-germane amendment? was decided in the negative. Yeas, 50. Nays, 90.

Rep. Bartholomew of Hartland explained his vote as follows:

“Mr. Speaker:

The rules of the House are designed to move this body forward in its deliberations. Consideration of an amendment that is not germane impedes the work of the House.”

Rep. Donahue of Northfield explained her vote as follows:

“Mr. Speaker:

Refusing to consider this amendment is a blow to reconsideration of deep flaws in what this law purports to protect. It went to the heart of whether clinician participation is voluntary and whether we want to protect Vermonters from the perception that pressure is being placed on them.”
Rep. Gage of Rutland City explained his vote as follows:

“Mr. Speaker:

There are allegations of known abuse of elder within this legislation. Don’t we owe it to our elderly to legislate a fix to this kind of abuse?”

Rep. Poirier of Barre City explained his vote as follows:

“Mr. Speaker:

The proponents argue that this is a patient choice, so why make it mandatory on doctors who may have religious or philosophical opposition to physician-assisted suicide. The slippery slope is getting more slippery for not allowing a discussion on the rights of physicians in Vermont..”

Pending third reading of the bill, Rep. Dickinson of St. Albans Town moved to amend the House proposal of amendment as follows:

By striking Sec. 2, 18 V.S.A. § 5293, in its entirety and inserting in lieu thereof a new Sec. 2 to read as follows:

Sec. 2. 18 V.S.A. § 5293 is added to read:

(c) The Department shall adopt rules pursuant to 3 V.S.A. chapter 25 to facilitate the collection of information regarding compliance with this chapter, including identifying patients who filled prescriptions written pursuant to this chapter, and to enable the Department to report information as required by subsection (d) of this section. 4. the number of patients who did not take the medication prescribed pursuant to this chapter and died of other causes, if known; and

5. the number of instances in which medication was taken by a patient to hasten death but failed to have the intended effect, if known.

Pending third reading of the bill, Rep. Parent of St. Albans City moved to substitute an amendment for the amendment offered by Rep. Dickinson of St. Albans Town as follows:

By striking Secs. 2 and 3 in their entirety and inserting in lieu thereof new Secs. 2–4 to read as follows:

Sec. 2. 18 V.S.A. § 5293 is added to read:

At eleven o’clock and thirty-three minutes in the forenoon, the Speaker called the House to order.
Consideration Resumed; Consideration Interrupted by Recess

S. 108

Consideration resumed on Senate bill, entitled

An act relating to repealing the sunset on provisions pertaining to patient choice at end of life;

Pending the question, Shall the House substitute an amendment offered by Rep. Parent of St. Albans City for the amendment offered by Rep. Dickinson of St. Albans Town? **Rep. Haas of Rochester** raised a Point of Order that Sec. 3 of the amendment offered by Rep. Parent of St. Albans City was a substantial negation of action previously taken by the House, which Point of Order the Speaker ruled not well taken.

Pending the recurring question, Shall the House substitute an amendment offered by Rep. Parent of St. Albans City for the amendment offered by Rep. Dickinson of St. Albans Town? **Rep. Parent of St. Albans City** demanded the Yeas and Nays, which demand was sustained by the Constitutional number.

Thereupon, **Rep. Deen of Westminster** asked that the question be divided and Sec. 3 be taken up first and the remaining Secs be taken up second.

Pending the question, Shall the amendment offered by Rep. Parent of St. Albans City be substituted for the amendment offered by Rep. Dickinson of St. Albans Town, in the first instance of amendment (Sec. 3 of the substitute amendment)? **Rep. Parent of St. Albans City** demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the amendment offered by Rep. Parent of St. Albans City be substituted for the amendment offered by Rep. Dickinson of St. Albans Town, in the first instance of amendment (Sec. 3 of the substitute amendment)? was decided in the negative. Yeas, 59. Nays, 83.

An act relating to improving Vermont’s system for protecting children from abuse and neglect

Reported in favor of its passage in concurrence with proposal of amendment as follows:

By striking all after the enacting clause and inserting in lieu thereof the following:

*** * * Legislative Findings * * ***
Sec. 1. LEGISLATIVE FINDINGS

(a) In 2014, the tragic deaths of two children exposed problems with Vermont’s system intended to protect children from abuse and neglect. This act is intended to address these problems and implement the recommendations of the Joint Legislative Committee on Child Protection created by 2014 Acts and Resolves No. 179, Sec. C.109 and improve our State’s system for protecting our children to help prevent future tragedies.

(b) To better prevent child abuse and neglect, Vermont must invest in proven strategies to support and strengthen families.

(c) To better protect Vermont’s children from abuse and neglect, and to address the increasing burden of drug abuse and other factors that are ripping families apart, the General Assembly believes that our State’s child protection system must be focused on the safety and best interests of children, comprehensive, and properly funded. This system must ensure that:

(1) the dedicated frontline professionals, including guardians ad litem, who struggle to handle the seemingly ever-increasing caseloads have the support, training, and resources necessary to do their job;

(2) children who have suffered abuse and neglect can find safe, nurturing, and permanent homes, whether with their custodial parents, relatives, or other caring families and individuals;

(3) the most serious cases of abuse are thoroughly investigated and prosecuted if appropriate;

(4) courts have the information and tools necessary to make the best possible decisions;

(5) all participants in the child protection system, from the frontline caseworker to the judge determining ultimate custody, work together to prioritize the child’s safety and best interests; and

(6) an effective oversight structure is established.

(d) This act is only the beginning of what must be an ongoing process in which the House and Senate Committees on Judiciary, the Senate Committee on Health and Welfare, the House Committee on Human Services, in consultation with the Senate and House Committees on Appropriations, continue to enhance the statewide approach to the prevention of child abuse and neglect.
Sec. 2. AGENCY OF HUMAN SERVICES EVIDENCE-INFORMED MODELS

The Secretary of Human Services shall identify and utilize evidence-informed models of serving families that prioritize child safety and prevention of child abuse and neglect through early interventions with high risk families that develop family strengths and reduce the impact of adverse childhood experiences. The Secretary shall make recommendations in the FY2017 budget that reflect the utilization of these models.

*** Temporary Care Order; Custody ***

§ 5308. TEMPORARY CARE ORDER

(a) The Court shall order that legal custody be returned to the child’s custodial parent, guardian, or custodian unless the Court finds by a preponderance of the evidence that a return home would be contrary to the best interests of the child because any one of the following exists:

(1) A return of legal custody could result in substantial danger to the physical health, mental health, welfare, or safety of the child.

(2) The child or another child residing in the same household has been physically or sexually abused by a custodial parent, guardian, or custodian, or by a member of the child’s household, or another person known to the custodial parent, guardian, or custodian.

(3) The child or another child residing in the same household is at substantial risk of physical or sexual abuse by a custodial parent, guardian, or custodian, or by a member of the child’s household, or another person known to the custodial parent, guardian, or custodian. It shall constitute prima facie evidence that a child is at substantial risk of being physically or sexually abused if:

(A) a custodial parent, guardian, or custodian receives actual notice that a person has committed or is alleged to have committed physical or sexual abuse against a child; and

(B) a custodial parent, guardian, or custodian knowingly or recklessly allows the child to be in the physical presence of the alleged abuser after receiving such notice.

(4) The custodial parent, guardian, or guardian custodian has abandoned the child.

(5) The child or another child in the same household has been neglected and there is substantial risk of harm to the child who is the subject of the petition.

(b) Upon a finding that any of the conditions set forth in subsection (a) of this section exists a return home would be contrary to the best interests of the child, the Court may issue such temporary orders related to the legal custody of
the child as it deems necessary and sufficient to protect the welfare and safety of the child, including, in order of preference:

(1) A conditional custody order returning or granting legal custody of the child to the custodial parent, guardian, or custodian, noncustodial parent, relative, or a person with a significant relationship with the child, subject to such conditions and limitations as the Court may deem necessary and sufficient to protect the child;

(2)(A) An order transferring temporary legal custody to a noncustodial parent. Provided that parentage is not contested, upon a request by a noncustodial parent for temporary legal custody and a personal appearance of the noncustodial parent, the noncustodial parent shall present to the Court a care plan that describes the history of the noncustodial parent’s contact with the child, including any reasons why contact did not occur, and that addresses:

(i) the child’s need for a safe, secure, and stable home;

(ii) the child’s need for proper and effective care and control; and

(iii) the child’s need for a continuing relationship with the custodial parent, if appropriate.

(B) The Court shall consider court orders and findings from other proceedings related to the custody of the child.

(C) The Court shall transfer legal custody to the noncustodial parent unless the Court finds by a preponderance of the evidence that the transfer would be contrary to the child’s welfare because any of the following exists:

(i) The care plan fails to meet the criteria set forth in subdivision (2)(A) of this subsection.

(ii) Transferring temporary legal custody of the child to the noncustodial parent could result in substantial danger to the physical health, mental health, welfare, or safety of the child.

(iii) The child or another child residing in the same household as the noncustodial parent has been physically or sexually abused by the noncustodial parent or a member of the noncustodial parent’s household, or another person known to the noncustodial parent.

(iv) The child or another child residing in the same household as the noncustodial parent is at substantial risk of physical or sexual abuse by the noncustodial parent or a member of the noncustodial parent’s household, or another person known to the noncustodial parent. It shall constitute prima facie evidence that a child is at substantial risk of being physically or sexually abused if:
(I) a noncustodial parent receives actual notice that a person has committed or is alleged to have committed physical or sexual abuse against a child; and

(II) the noncustodial parent knowingly or recklessly allows the child to be in the physical presence of the alleged abuser after receiving such notice.

(v) The child or another child in the noncustodial parent’s household has been neglected, and there is substantial risk of harm to the child who is the subject of the petition.

(D) If the noncustodial parent’s request for temporary custody is contested, the Court may continue the hearing and place the child in the temporary custody of the Department, pending further hearing and resolution of the custody issue. Absent good cause shown, the Court shall hold a further hearing on the issue within 30 days.

(3) An order transferring temporary legal custody of the child to a relative, provided:

(A) The relative seeking legal custody is a grandparent, great-grandparent, aunt, great-aunt, uncle, great-uncle, stepparent, sibling, or step-sibling of the child.

(B) The relative is suitable to care for the child. In determining suitability, the Court shall consider the relationship of the child and the relative and the relative’s ability to:

(i) Provide a safe, secure, and stable environment.

(ii) Exercise proper and effective care and control of the child.

(iii) Protect the child from the custodial parent to the degree the Court deems such protection necessary.

(iv) Support reunification efforts, if any, with the custodial parent.

(v) Consider providing legal permanence if reunification fails.

(2) an order transferring temporary legal custody of the child to a noncustodial parent or to a relative;

(3) an order transferring temporary legal custody of the child to a person with a significant relationship with the child; or

(4) an order transferring temporary legal custody of the child to the Commissioner.
(c) The Court shall consider orders and findings from other proceedings relating to the custody of the child, the child’s siblings, or children of any adult in the same household as the child.

(d) In considering the suitability of a relative under this subdivision (3) an order under subsection (b) of this section, the Court may order the Department to conduct an investigation of a person seeking custody of the child, and the suitability of that person’s home, and file a written report of its findings with the Court. The Court may place the child in the temporary custody of the Department Commissioner, pending such investigation.

(4) A temporary care order transferring temporary legal custody of the child to a relative who is not listed in subdivision (3)(A) of this subsection or a person with a significant relationship with the child, provided that the criteria in subdivision (3)(B) of this subsection are met. The Court may make such orders as provided in subdivision (3)(C) of this subsection to determine suitability under this subdivision.

(5) A temporary care order transferring temporary legal custody of the child to the Commissioner.

(e)(c) If the Court transfers legal custody of the child, the Court shall issue a written temporary care order.

(1) The order shall include:

(A) a finding that remaining in the home is contrary to the child’s best interests of the child and the facts upon which that finding is based; and

(B) a finding as to whether reasonable efforts were made to prevent unnecessary removal of the child from the home. If the Court lacks sufficient evidence to make findings on whether reasonable efforts were made to prevent the removal of the child from the home, that determination shall be made at the next scheduled hearing in the case but, in any event, no later than 60 days after the issuance of the initial order removing a child from the home.

(2) The order may include other provisions as may be necessary for the protection and welfare in the best interests of the child, such as including:

(A) establishing parent-child contact under such and terms and conditions as are necessary for the protection of the child; and terms and conditions for that contact;

(B) requiring the Department to provide the child with services, if legal custody of the child has been transferred to the Commissioner;
(C) requiring the Department to refer a parent for appropriate assessments and services, including a consideration of the needs of children and parents with disabilities, provided that the child’s needs are given primary consideration;

(D) requiring genetic testing if parentage of the child is at issue;

(E) requiring the Department to make diligent efforts to locate the noncustodial parent;

(F) requiring the custodial parent to provide the Department with names of all potential noncustodial parents and relatives of the child; and

(G) establishing protective supervision and requiring the Department to make appropriate service referrals for the child and the family, if legal custody is transferred to an individual other than the Commissioner.

(3) If legal custody of a child is transferred to the Commissioner, the Commissioner shall provide the child with assistance and services. In his or her discretion, the Commissioner may provide assistance and services to other children and families to the extent that funds permit, notwithstanding subdivision (2)(B) of this subsection.

(d) If a party seeks to modify a temporary care order in order to transfer legal custody of a child from the Commissioner to a relative or a person with a significant relationship with the child, the relative shall be entitled to preferential consideration under subdivision (b)(3) of this section, provided that a disposition order has not been issued and the motion is filed within 90 days of the date that legal custody was initially transferred to the Commissioner. [Repealed.]

(b) A former parent may petition for enforcement of a postadoption contact agreement entered into under 33 V.S.A. § 5124 if the adoptive parent is not in compliance with the terms of the agreement. In an action brought under this section, the burden of proof shall be on the former parent to show by a preponderance of the evidence that enforcement of the agreement is in the best interests of the child.
(c) A disagreement between the parties or litigation brought to enforce or modify the agreement shall not affect the validity of the termination of parental rights or the adoption.

(d) The Court shall not act on a petition to modify or enforce the agreement unless the petitioner had in good faith participated or attempted to participate in mediation or alternative dispute resolution proceedings to resolve the dispute prior to bringing the petition for enforcement.

(e) Parties to the proceeding shall be the individuals who signed the original agreement created under 33 V.S.A. § 5124. The adopted child, if 14 years of age or older, may also participate. The Department for Children and Families shall not be required to be a party to the proceeding and the Court shall not order further investigation or evaluation by the Department.

(f) The Court may order the communication or contact be terminated or modified if the Court deems such termination or modification to be in the best interests of the child. In making a best interests determination, the Court may consider:

1. the protection of the physical safety of the adopted child or other members of the adoptive family;
2. the emotional well-being of the adopted child;
3. whether enforcement of the agreement undermines the adoptive parent’s parental authority; and
4. whether, due to a change in circumstances, continued compliance with the agreement would be unduly burdensome to one or more of the parties.

(g) A Court-imposed modification of the agreement may limit, restrict, condition, or decrease contact between the former parents and the child, but in no event shall a Court-imposed modification serve to expand, enlarge, or increase the amount of contact between the former parents and the child or place new obligations on the adoptive parents.

(h) No testimony or evidentiary hearing shall be required, although the Court may, in its discretion, hold a hearing. A hearing held to enforce, modify, or terminate an agreement for postadoption contact shall be confidential. Documentary evidence or offers of proof may serve as the basis for the Court’s decision regarding enforcement, modification, or termination of an agreement.

(i) Failure to comply with the agreement or petitioning the Court to enforce, modify, or terminate an agreement shall not form the basis for an award of monetary damages.
(j) An agreement for postadoption contact or communication under 33 V.S.A. § 5124 shall cease to be enforceable on the date the adopted child turns 18 years of age or upon dissolution of the adoption.

The purpose of mediation prior to filing a medical malpractice case is to identify and resolve meritorious claims and reduce areas of dispute prior to litigation, which will reduce the litigation costs, reduce the time necessary to resolve claims, provide fair compensation for meritorious claims, and reduce malpractice-related costs throughout the system.

§ 7012. PRESUIT MEDIATION; SERVICE

(a) A potential plaintiff may serve upon each known potential defendant a request to participate in presuit mediation prior to filing a civil action in tort or in contract alleging that an injury or death resulted from the negligence of a health care provider and to recover damages resulting from the personal injury or wrongful death.

(b) Service of the request required in subsection (a) of this section shall be in letter form and shall be served on all known potential defendants by certified
The date of mailing such request shall toll all applicable statutes of limitations.

(c) The request to participate in presuit mediation shall name all known potential defendants, contain a brief statement of the facts that the potential plaintiff believes are grounds for relief, and be accompanied by a certificate of merit prepared pursuant to section 1051 of this title, and may include other documents or information supporting the potential plaintiff’s claim.

(d) Nothing in this chapter precludes potential plaintiffs and defendants from presuit negotiation or other presuit dispute resolution to settle potential claims.

§ 7013. MEDIATION RESPONSE

(a) Within 60 days of service of the request to participate in presuit mediation, each potential defendant shall accept or reject the potential plaintiff’s request for presuit mediation by mailing a certified letter to counsel or if the party is unrepresented to the potential plaintiff.

(b) If the potential defendant agrees to participate, within 60 days of the service of the request to participate in presuit mediation, each potential defendant shall serve a responsive certificate on the potential plaintiff by mailing a certified letter indicating that he or she, or his or her counsel, has consulted with a qualified expert within the meaning of section 1643 of this title and that expert is of the opinion that there are reasonable grounds to defend the potential plaintiff’s claims of medical negligence. Notwithstanding the potential defendant’s acceptance of the request to participate, if the potential defendant does not serve such a responsive certificate within the 60-day period, then the potential plaintiff need not participate in the presuit mediation under this title and may file suit. If the potential defendant is willing to participate, presuit mediation may take place without a responsive certificate of merit from the potential defendant at the plaintiff’s election.

§ 7014. PROCESS; TIME FRAMES

(a) The mediation shall take place within 60 days of the service of all potential defendants’ acceptance of the request to participate in presuit mediation. The parties may agree to an extension of time. If in good faith the mediation cannot be scheduled within the 60-day time period, the potential plaintiff need not participate and may proceed to file suit.

(b) If presuit mediation is not agreed to, the mediator certifies that mediation is not appropriate, or mediation is unsuccessful, the potential plaintiff may initiate a civil action as provided in the Vermont Rules of Civil Procedure. The action shall be filed upon the later of the following:
within 90 days of the potential plaintiff’s receipt of the potential defendant’s letter refusing mediation, the failure of the potential defendant to file a responsive certificate of merit within the specified time period, or the mediator’s signed letter certifying that mediation was not appropriate or that the process was complete; or

(2) prior to the expiration of the applicable statute of limitations.

(c) If presuit mediation is attempted unsuccessfully, the parties shall not be required to participate in mandatory mediation under Rule 16.3 of the Vermont Rules of Civil Procedure.

(4) an update on the preliminary analysis of alternatives to Vermont Health Connect.
Sec. 29c. INDEPENDENT REVIEW OF VERMONT HEALTH CONNECT

The Chief of Health Care Reform shall provide the Joint Fiscal Office with the materials provided by the Independent Verification and Validation (IVV) firms evaluating Vermont Health Connect. The reports shall be provided in a manner that protects security and confidentiality as required by any memoranda of understanding entered into by the Joint Fiscal Office and the Executive Branch. For the period between July 1, 2015 and January 1, 2016, the Joint Fiscal Office shall analyze the reports and shall provide information regarding Vermont Health Connect information technology systems at least once every two months to the House Committee on Health Care, the Senate Committees on Health and Welfare and on Finance, the Health Reform Oversight Committee, and the Joint Fiscal Committee.

*** Alternatives to Vermont Health Connect ***

Sec. 29d. VERMONT HEALTH CONNECT OUTCOMES; ALTERNATIVES TO VERMONT HEALTH CONNECT

(a) The Agency of Administration shall explore all feasible alternatives to Vermont Health Connect.

(b) The General Assembly expects Vermont Health Connect to achieve the following milestones with respect to qualified health plans offered in the individual market:

(1) On or before May 31, 2015, the vendor under contract with the State to implement the Vermont Health Benefit Exchange shall deliver the information technology release providing the “back end” of the technology supporting changes in circumstances and changes in information to allow for a significant reduction, as described in subdivision (5) of this subsection, in the amount of time necessary for the State to process changes requested by individuals and families enrolled in qualified health plans.

(2) On or before May 31, 2015, the State shall complete a contract to ensure automated renewal functionality for qualified health plans offered to individuals and families that has been reviewed and agreed to by the State, by registered carriers offering qualified health plans, and by the chosen vendor. The contract shall be sent to the Centers for Medicare and Medicaid Services for its review by the same date.

(3) On or before August 1, 2015, Vermont Health Connect shall develop a contingency plan for renewing qualified health plans offered to individuals and families for calendar year 2016 and shall ensure that the registered carriers offering these qualified health plans agree to the process.
(4) On or before October 1, 2015, the vendor under contract with the State for automated renewal of qualified health plans offered to individuals and families shall deliver the information technology release providing for the automated renewal of those qualified health plans.

(5) On or before October 1, 2015, Vermont Health Connect customer service representatives shall begin processing new requests for changes in circumstances and for changes in information received in the first half of a month in time to be reflected on the next invoice and shall begin processing requests for changes received in the latter half of the month in time to be reflected on one of the next two invoices.

(6) On or before October 1, 2015, registered carriers that offer qualified health plans and wish to enroll individuals and families directly shall have completed implementation of any necessary information technology upgrades.

(c) If Vermont Health Connect fails to meet one or more of the milestones set forth in subsection (b) of this section, the Agency of Administration shall begin exploring with the U.S. Department of Health and Human Services a transition to a federally supported State-based marketplace (FSSBM). The Chief of Health Care Reform shall report on the status of the exploration at the next scheduled meetings of the Joint Fiscal Committee and the Health Reform Oversight Committee.

(d) The Joint Fiscal Committee may at any time direct the Chief of Health Care Reform to prepare an analysis and potential implementation plan regarding a transition from Vermont Health Connect to a different model for Vermont’s health benefit exchange, including an FSSBM, and to present information about such a transition, including:

1. the outcome of King v. Burwell, Docket No. 14-114 (U.S. Supreme Court), relating to whether federal advance premium tax credits will be available to reduce the cost of health insurance provided through a federally facilitated exchange, and the likely impacts on Vermont individuals and families if the State moves to an FSSBM or to another exchange model;

2. whether it is feasible to offer State premium and cost-sharing assistance to individuals and families purchasing qualified health plans through an FSSBM or through another exchange model, how such assistance could be implemented, whether federal financial participation would be available through the Medicaid program, and applicable cost implications;

3. how the Department of Financial Regulation’s and Green Mountain Care Board’s regulatory authority over health insurers and qualified health plans would be affected, including the timing of health insurance rate and form review;
(4) any impacts on the State’s other health care reform efforts, including the Blueprint for Health and payment reform initiatives;

(5) any available estimates of the costs attributable to a transition from a State-based exchange to an FSSBM or to another exchange model; and

(6) whether any new developments have occurred that affect the availability of additional alternatives that would be more beneficial to Vermonters by minimizing negative effects on individuals and families enrolling in qualified health plans, reducing the financial impacts of the transition to an alternative model, lessening the administrative burden of the transition on the registered carriers, and decreasing the potential impacts on the State’s health insurance regulatory framework.

(e) On or before November 15, 2015, the Chief of Health Care Reform shall provide the Joint Fiscal Committee and Health Reform Oversight Committee with a recommendation regarding the future of Vermont’s health benefit exchange, including a proposed timeline for 2016. The Chief’s recommendation shall include an analysis of whether the recommended course of action would be likely to minimize any negative effects on individuals and families enrolling in qualified health plans, the financial impacts of the transition, the ability of the registered carriers to accomplish the transition, and the potential impacts of the transition on the State’s health insurance regulatory framework.

(1)(A) If the Chief of Health Care Reform recommends requesting approval from the U.S. Department of Health and Human Services to allow Vermont to transition to an FSSBM, then on or before December 1, 2015, the Joint Fiscal Committee shall determine whether to concur with the recommendation. In determining whether to concur, the Joint Fiscal Committee shall consider whether the transition to an FSSBM would be likely to minimize any negative effects on individuals and families enrolling in qualified health plans, the financial impacts of the transition, the ability of the registered carriers to accomplish the transition, and the potential impacts of the transition on the State’s health insurance regulatory framework. The Joint Fiscal Committee shall also consider relevant input offered by legislative committees of jurisdiction.

(B) If the Chief of Health Care Reform recommends requesting approval from the U.S. Department of Health and Human Services to allow Vermont to transition from a State-based exchange to an FSSBM and the Joint Fiscal Committee concurs with that recommendation, the Chief of Health Care Reform and the Commissioner of Vermont Health Access shall:
(i) prior to December 31, 2015, request that the U.S. Department of Health and Human Services begin the approval process with the Department of Vermont Health Access; and

(ii) on or before January 15, 2016, provide to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance the recommended statutory changes necessary to align with operating an FSSBM if approved by the U.S. Department of Health and Human Services.

(2) If the Chief of Health Care Reform either does not recommend that Vermont transition to an FSSBM or the Joint Fiscal Committee does not concur with the Chief’s recommendation to transition to an FSSBM, the Chief of Health Care Reform shall submit information to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance on or before January 15, 2016 regarding the advantages and disadvantages of alternative models and options for Vermont’s health benefit exchange and the proposed statutory changes that would be necessary to accomplish them.

First: By striking Sec. 26 in its entirety and inserting in lieu thereof the following:

Sec. 26. 33 V.S.A. § 1811(b) is amended to read:

(b)(1) No person may provide a health benefit plan to an individual unless the plan is offered through the Vermont Health Benefit Exchange To the extent permitted by the U.S. Department of Health and Human Services, an
individual may purchase a health benefit plan through the Exchange website, through navigators, by telephone, or directly from a registered carrier under contract with the Vermont Health Benefit Exchange, if the carrier elects to make direct enrollment available. A registered carrier enrolling individuals in health benefit plans directly shall comply with all open enrollment and special enrollment periods applicable to the Vermont Health Benefit Exchange.

(2) To the extent permitted by the U.S. Department of Health and Human Services, a small employer or an employee of a small employer may purchase a health benefit plan through the Exchange website, through navigators, by telephone, or directly from a health insurer registered carrier under contract with the Vermont Health Benefit Exchange.

(3) No person may provide a health benefit plan to an individual or small employer unless the plan complies with the provisions of this subchapter.

*** Health Insurance Plans Outside the Exchange ***

Sec. 26a. 8 V.S.A. § 4080g(a) is amended to read:

(a) Application. Notwithstanding the provisions of section 4080h of this title and of 33 V.S.A. § 1811, on and after January 1, 2014, the provisions of this section shall apply to an individual, small group, or association plan that qualifies as a grandfathered health plan under Section 1251 of the Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the Health Care and Education Reconciliation Act of 2010 (Public Law 111-152) (Affordable Care Act). In the event that a plan no longer qualifies as a grandfathered health plan under the Affordable Care Act, the provisions of this section shall not apply and the provisions of section 4080h of this title shall apply if the plan is offered outside the Vermont Health Benefit Exchange and the provisions of 33 V.S.A. § 1811 shall govern if the plan is offered through the Vermont Health Benefit Exchange.

Sec. 26b. 8 V.S.A. § 4080h is added to read:

§ 4080h. INDIVIDUAL AND SMALL GROUP PLANS

(a) As used in this section:

(1) “Affordable Care Act” means the federal Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and as may be further amended.

(2) “Health benefit plan” means a health insurance policy, a nonprofit hospital or medical service corporation service contract, or a health maintenance organization health benefit plan offered outside the Vermont Health Benefit Exchange and issued to an individual or to an employee of a
small employer. The term does not include coverage only for accident or
disability income insurance, liability insurance, coverage issued as a
supplement to liability insurance, workers’ compensation or similar insurance,
automobile medical payment insurance, credit-only insurance, coverage for
on-site medical clinics, or other similar insurance coverage in which benefits
for health services are secondary or incidental to other insurance benefits as
provided under the Affordable Care Act. The term also does not include
stand-alone dental or vision benefits, long-term care insurance, specific disease
or other limited benefit coverage, Medicare supplemental health benefits,
Medicare Advantage plans, and other similar benefits excluded under the
Affordable Care Act.

(3) “Registered carrier” means any person, except an insurance agent,
broker, appraiser, or adjuster, that issues a health benefit plan and that has a
registration in effect with the Commissioner of Financial Regulation as
required by this section.

(4) “Small employer” means an entity that employed an average of not
more than 100 employees on working days during the preceding calendar year.
The term includes self-employed persons to the extent permitted under the
Affordable Care Act.

(b) A health benefit plan shall comply with the requirements of the
Affordable Care Act, including providing the essential health benefits package,
offering only plans with at least a 60 percent actuarial value, adhering to
limitations on deductibles and out-of-pocket expenses, and offering plans with
a bronze-, silver-, gold-, or platinum-level actuarial value.

(c) No person may provide a health benefit plan to an individual or small
employer unless such person is a registered carrier. The Commissioner of
Financial Regulation shall establish, by rule, the minimum financial,
marketing, service, and other requirements for registration. Such registration
shall be effective upon approval by the Commissioner and shall remain in
effect until revoked or suspended by the Commissioner for cause or until
withdrawn by the carrier. A carrier may withdraw its registration upon at least
six months’ prior written notice to the Commissioner. A registration filed with
the Commissioner shall be deemed to be approved unless it is disapproved by
the Commissioner within 30 days of filing.

(d) A registered carrier shall guarantee acceptance of all individuals, small
employers, and employees of small employers, and each dependent of such
individuals and employees, for any health benefit plan offered by the carrier.

(e) A registered carrier shall offer a health benefit plan rate structure that at
least differentiates between single person, two person, and family rates.
(f)(1) A registered carrier shall use a community rating method acceptable to the Commissioner of Financial Regulation for determining premiums for health benefit plans. Except as provided in subdivision (2) of this subsection, the following risk classification factors are prohibited from use in rating individuals, small employers, or employees of small employers, or the dependents of such individuals or employees:

(A) demographic rating, including age and gender rating;
(B) geographic area rating;
(C) industry rating;
(D) medical underwriting and screening;
(E) experience rating;
(F) tier rating; or
(G) durational rating.

(2)(A) The Commissioner shall, by rule, adopt standards and a process for permitting registered carriers to use one or more risk classifications in their community rating method, provided that the premium charged shall not deviate above or below the community rate filed by the carrier by more than 20 percent and provided further that the Commissioner’s rules may not permit any medical underwriting and screening and shall give due consideration to the need for affordability and accessibility of health insurance.

(B) The Commissioner’s rules shall permit a carrier, including a hospital or medical service corporation and a health maintenance organization, to establish rewards, premium discounts, split benefit designs, rebates, or otherwise waive or modify applicable co-payments, deductibles, or other cost-sharing amounts in return for adherence by a member or subscriber to programs of health promotion and disease prevention. The Commissioner shall consult with the Commissioner of Health, the Director of the Blueprint for Health, and the Commissioner of Vermont Health Access in the development of health promotion and disease prevention rules that are consistent with the Blueprint for Health. Such rules shall:

(i) limit any reward, discount, rebate, or waiver or modification of cost-sharing amounts to not more than a total of 15 percent of the cost of the premium for the applicable coverage tier, provided that the sum of any rate deviations under subdivision (A) of this subdivision (2) does not exceed 30 percent;
(ii) be designed to promote good health or prevent disease for individuals in the program and not be used as a subterfuge for imposing higher costs on an individual based on a health factor;

(iii) provide that the reward under the program is available to all similarly situated individuals and shall comply with the nondiscrimination provisions of the federal Health Insurance Portability and Accountability Act of 1996; and

(iv) provide a reasonable alternative standard to obtain the reward to any individual for whom it is unreasonably difficult due to a medical condition or other reasonable mitigating circumstance to satisfy the otherwise applicable standard for the discount and disclose in all plan materials that describe the discount program the availability of a reasonable alternative standard.

(C) The Commissioner’s rules shall include:

(i) standards and procedures for health promotion and disease prevention programs based on the best scientific, evidence-based medical practices as recommended by the Commissioner of Health;

(ii) standards and procedures for evaluating an individual’s adherence to programs of health promotion and disease prevention; and

(iii) any other standards and procedures necessary or desirable to carry out the purposes of this subdivision (2).

(D) The Commissioner may require a registered carrier to identify that percentage of a requested premium increase which is attributed to the following categories: hospital inpatient costs, hospital outpatient costs, pharmacy costs, primary care, other medical costs, administrative costs, and projected reserves or profit. Reporting of this information shall occur at the time a rate increase is sought and shall be in the manner and form directed by the Commissioner. Such information shall be made available to the public in a manner that is easy to understand.

(g) A registered carrier shall file with the Commissioner an annual certification by a member of the American Academy of Actuaries of the carrier’s compliance with this section. The requirements for certification shall be as the Commissioner prescribes by rule.

(h) A registered carrier shall provide, on forms prescribed by the Commissioner, full disclosure to a small employer of all premium rates and any risk classification formulas or factors prior to acceptance of a plan by the small employer.
(i) A registered carrier shall notify an applicant for coverage as an individual of the income thresholds for eligibility for State and federal premium tax credits and cost-sharing subsidies in plans purchased through the Vermont Health Benefit Exchange pursuant to 33 V.S.A. chapter 18, subchapter 1, and the potential that the applicant may be eligible for the credit or subsidy, or both.

(j) A registered carrier shall guarantee the rates on a health benefit plan for a minimum of 12 months.

(k) The Commissioner or the Green Mountain Care Board established in 18 V.S.A. chapter 220, as appropriate, shall disapprove any rates filed by any registered carrier, whether initial or revised, for insurance policies unless the anticipated medical loss ratios for the entire period for which rates are computed are at least 80 percent, as required by the Affordable Care Act.

(l) The guaranteed acceptance provision of subsection (d) of this section shall not be construed to limit an employer’s discretion in contracting with his or her employees for insurance coverage.

Sec. 26c. 8 V.S.A. § 4085 is amended to read:

§ 4085. REBATES AND COMMISSIONS PROHIBITED FOR NONGROUP AND SMALL GROUP POLICIES AND PLANS OFFERED THROUGH THE VERMONT HEALTH BENEFIT EXCHANGE

(a) No insurer doing business in this State and no insurance agent or broker shall offer, promise, allow, give, set off, or pay, directly or indirectly, any rebate of or part of the premium payable on a plan issued pursuant to section 4080g or 4080h of this title or 33 V.S.A. § 1811 or earnings, profits, dividends, or other benefits founded, arising, accruing or to accrue thereon or therefrom, or any special advantage in date of policy or age of issue, or any paid employment or contract for services of any kind or any other valuable consideration or inducement to or for insurance on any risk in this State, now or hereafter to be written, or for or upon any renewal of any such insurance, which is not specified in the policy contract of insurance, or offer, promise, give, option, sell, purchase any stocks, bonds, securities, or property or any dividends or profits accruing or to accrue thereon, or other thing of value whatsoever as inducement to insurance or in connection therewith, or any renewal thereof, which is not specified in the plan.

(b) No person insured under a plan issued pursuant to section 4080g or 4080h of this title or 33 V.S.A. § 1811 or party or applicant for such plan shall directly or indirectly receive or accept or agree to receive or accept any rebate of premium or of any part thereof, or any favor or advantage, or share in any benefit to accrue under any plan issued pursuant to section 4080g or 4080h of
this title or 33 V.S.A. § 1811, or any valuable consideration or inducement, other than such as is specified in the plan.

(c) Nothing in this section shall be construed as prohibiting any insurer from allowing or returning to its participating policyholders dividends, savings, or unused premium deposits; or as prohibiting any insurer from returning or otherwise abating, in full or in part, the premiums of its policyholders out of surplus accumulated from nonparticipating insurance or as prohibiting the taking of a bona fide obligation, with interest not exceeding six percent per annum, in payment of any premium.

(d)(1) No insurer shall pay any commission, fee, or other compensation, directly or indirectly, to a licensed or unlicensed agent, broker, or other individual in connection with the sale of a health insurance plan issued pursuant to section 4080g or 4080h of this title or 33 V.S.A. § 1811, nor shall an insurer include in an insurance rate for a health insurance plan issued pursuant to section 4080g or 4080h of this title or 33 V.S.A. § 1811 any sums related to services provided by an agent, broker, or other individual. A health insurer may provide to its employees wages, salary, and other employment-related compensation in connection with the sale of health insurance plans, but may not structure any such compensation in a manner that promotes the sale of particular health insurance plans over other plans offered by that insurer.

(2) Nothing in this subsection shall be construed to prohibit the Vermont Health Benefit Exchange established in 33 V.S.A. chapter 18, subchapter 1 from structuring compensation for agents or brokers in the form of an additional commission, fee, or other compensation outside insurance rates or from compensating agents, brokers, or other individuals through the procedures and payment mechanisms established pursuant to 33 V.S.A. § 1805(17).

Sec. 26d. 8 V.S.A. § 4085a(a) is amended to read:

(a) As used in this section, “group insurance” means any policy described in section 4079 of this title, except that it shall not include any small group policy issued pursuant to section 4080a or 4080g or 4080h of this title or to 33 V.S.A. § 1811.

Second: In Sec. 33, effective dates, by adding a subsection (e) to read as follows:

(e) Secs. 26a–26d (plans outside the Exchange) shall take effect on July 1, 2015 for coverage beginning on January 1, 2017.

Browning of Arlington demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the report of the Committee on Health Care, as amended, be amended as proposed by Rep. Browning of Arlington? was decided in the negative. Yeas, 57. Nays, 83.

**Rep. Browning of Arlington** explained her vote as follows:

“Mr. Speaker:

I vote yes to allow greater choice of insurance plans outside of Vermont Health Connect for those who do not qualify for subsidies within it. To vote no is to needlessly restrict their ability to obtain a plan that best suits their needs and their resources. And it imposes a burden on thousands of Vermonters.”

Pending the question, Shall the House propose to the Senate to amend the bill as recommended by the committee on Health Care, as amended? **Reps. Morrissey of Bennington and Browning of Arlington** moved to amend the report of the committee on Health Care, as amended, as follows:

First: By adding three new sections and a reader assistance heading to be Secs. 6a–6c to read as follows:

** *** Removing Medicare References from Act 48 ** **

Sec. 6a. 2011 Acts and Resolves No. 48, Sec. 2 is amended to read:

Sec. 2. STRATEGIC PLAN; UNIVERSAL AND UNIFIED HEALTH SYSTEM

(a) Vermont must begin to plan now for health care reform, including simplified administration processes, payment reform, and delivery reform, in order to have a publicly financed program of universal and unified health care operational after the occurrence of specific events, including the receipt of a waiver from the federal Exchange requirement from the U.S. Department of Health and Human Services. A waiver will be available in 2017 under the provisions of existing law in the Patient Protection and Affordable Care Act (Public Law 111-148) (“Affordable Care Act”), as amended by the federal
Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and may be available in 2014 under the provisions of two bills, H.R. 844 and S.248, introduced in the 112th Congress. In order to begin the planning efforts, the director of health care reform in the agency of administration shall establish a strategic plan, which shall include time lines and allocations of the responsibilities associated with health care system reform, to further the containment of health care costs, to further Vermont’s existing health care system reform efforts as described in 3 V.S.A. § 2222a, and to further the following:

(1) As provided in Sec. 4 of this act, all Vermont residents shall be eligible for Green Mountain Care, a universal health care program that will provide health benefits through a single payment system. To the maximum extent allowable under federal law and waivers from federal law, Green Mountain Care shall include health coverage provided under the health benefit exchange established under 33 V.S.A. chapter 18, subchapter 1; under Medicaid; under Medicare; by employers that choose to participate; and to state employees and municipal employees, including teachers. In the event of a modification to the Affordable Care Act by congressional, judicial, or federal administrative action which prohibits implementation of the health benefit exchange; eliminates federal funds available to individuals, employees, or employers; or eliminates the waiver under Section 1332 of the Affordable Care Act, the director of health care reform shall continue, and adjust as appropriate, the planning and cost-containment activities provided in this act related to Green Mountain Care and to creation of a unified, simplified administration system for health insurers offering health benefit plans, including identifying the financing impacts of such a modification on the state and its effects on the activities proposed in this act.

***

(6) The director, in collaboration with the agency of human services, shall obtain waivers, exemptions, agreements, legislation, or a combination thereof to ensure that, to the extent possible under federal law, all federal payments provided within the state for health services are paid directly to Green Mountain Care. Green Mountain Care shall assume responsibility for the benefits and services previously paid for by the federal programs, including Medicaid, Medicare, and, after implementation, the Vermont health benefit exchange. In obtaining the waivers, exemptions, agreements, legislation, or combination thereof, the secretary shall negotiate with the federal government a federal contribution for health care services in Vermont that reflects medical inflation, the state gross domestic product, the size and age of the population, the number of residents living below the poverty level, the number of Medicare-eligible individuals, and other factors that may be advantageous to
Vermont and that do not decrease in relation to the federal contribution to other states as a result of the waivers, exemptions, agreements, or savings from implementation of Green Mountain Care.

** Sec. 6b. 2014 Acts and Resolves No. 144, Sec. 23 is amended to read:

Sec. 23. GREEN MOUNTAIN CARE BOARD; GLOBAL HOSPITAL PILOT PROJECTS

(b) The Green Mountain Care Board may take such steps as are necessary to include all payers in the global hospital budget pilot projects, including negotiating with the federal Center for Medicare & Medicaid Innovation to involve Medicare and Medicaid.

** Sec. 6c. 33 V.S.A. § 1803(b)(2) is amended to read:

(2) To the extent allowable under federal law, the Vermont Health Benefit Exchange may offer health benefits to populations in addition to those eligible under Subtitle D of Title I of the Affordable Care Act, including:

(C) Medicare Supplemental benefits in the form of Medicare supplement plans to individuals who are eligible, upon approval by the Centers for Medicare and Medicaid Services and covered by Medicare, provided that including these individuals in the Health Benefit Exchange would not reduce their Medicare benefits; and

(D) State employees and municipal employees, including teachers.

Second: In Sec. 33, effective dates, in subsection (a), following “5 and 6 (reports),” by inserting “6a–6c (removing Medicare references in Act 48),”

Pending the question, Shall the report of the Committee on Health Care, as amended, be further amended as proposed by Rep. Morrissey and others? Rep. Morrissey of Bennington demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the report of the Committee on Health Care, as amended, be further amended as proposed by Rep. Morrissey and others? was decided in the negative. Yeas, 54. Nays, 85.

“Mr. Speaker:

I vote yes to protect Medicare services from unwarranted experimentation. Vermont seniors need reliable health services that cannot be ‘reformed’ in uncertain and risky ways.”

Rep. Browning of Arlington explained her vote as follows:
“Mr. Speaker:

I vote no because the several worthy spending proposals within these sections of the bill should have been incorporated into the regular budget rather than financed through narrowly targeted additional increased taxes that are unlikely to be able to cover their costs. In fact, they should have been dealt with in previous years and might have been if the majority had not been chasing single payer mirages and misspecifying and mismanaging the construction of a website. If these are so important find room for them in the existing budget and revenue stream.”

Rep. Donahue of Northfield explained her vote as follows:
“Mr. Speaker:

This bill increases the budget and raises taxes in addition to the budget and tax bills already passed by this body. The critical budget items in it were derailed when we excised them from our overall budget. This divide and conquer process was a disingenuous way of significantly increasing our total state budget.”

Rep. Olsen of Londonderry explained his vote as follows:
“Mr. Speaker:

We are spending Medicaid dollars to pay for services that have such questionable medical value that they are not even eligible for reimbursement under Medicare or Medicaid programs in 48 other states. We cannot afford to increase taxes any further until we take a hard look at how we are spending our limited resources. At the very least, we need to listen to what the science tells us.”
Rep. Poirier of Barre City explained his vote as follows:

“Mr. Speaker:
I cannot support S-139 as amended by the Ways and Means Committee. The funding source is as regressive as it gets and for that reason I voted no.”

Thereupon, the fourth instance of amendment (Se. 33) was agreed to.

Pending the question, Shall the bill be read a third time? Rep. Turner of Milton demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the bill be read a third time? was decided in the affirmative. Yeas, 82. Nays, 57.

**Rep. Davis of Washington** explained her vote as follows:

“Mr. Speaker:

I voted in support of S.139 because it is a baby step forward. I hope in the next half of the biennium House Health Care will continue moving ahead by taking up a bill I introduced with guiding principles to put us on a path to financing affordable, high quality health care as a public good. I look forward to continuing the conversation of universal healthcare for all. Thank you.”

**Rep. Turner of Milton** explained his vote as follows:

“Mr. Speaker:

My ‘no’ vote is in opposition to expanding programs at a time when Vermonters are saying enough is enough both on taxes and on VT Health Connect. This bill raises nearly $45 million dollars of new taxes cumulative over the next three years. While a large amount, it is not even enough to cover all estimated costs associated with programs created by this bill. Poor management of the VT Health Connect operations has cost millions and continues to cause thousands of Vermonters heartache and discontent annually. It’s time for this legislature to listen to Vermonters’ wishes, abandon the failed VT Health Connect and stop raising taxes.”
Rep. Purvis of Colchester explained his vote as follows:

“Mr. Speaker:
I voted ‘no’ because we can’t expect to add more new taxes for Vermonters on a failed system and expect them to feel good.”
