*** Water Quality ***

Sec. 27. FINDINGS; AGENCY OF TRANSPORTATION; STORMWATER CREDIT

For the purposes of this section and Secs. 28–33 of this act (Agency of Transportation stormwater credit), the General Assembly finds and declares that:

1. the federal Clean Water Act, State water quality requirements under 10 V.S.A. chapter 47, and the municipal separate storm sewer system permit for transportation infrastructure, require the treatment and control of stormwater from State highway rights-of-way and other property owned, controlled, or managed by the Agency; and
(2) because of the traditional and continuing expenditures of the Agency for the construction, operation, and maintenance of stormwater control infrastructure designed to control stormwater runoff from State highway rights-of-way and developed lands owned, controlled, or managed by the Agency, it is fair and equitable to provide the Agency with a uniform credit against fees assessed by municipalities for the management of stormwater.

Sec. 28. 24 V.S.A. § 3501(7) is amended to read:

(7) “Storm water” or “storm sewage” is the excess water from rainfall or continuously following therefrom shall have the same meaning as “stormwater runoff” under 10 V.S.A. § 1264.

§ 3615. RENTS; RATES

(a) Such municipal corporation, through its board of sewage disposal commissioners, may establish charges to be called “sewage disposal charges,” to be paid at such times and in such manner as the commissioners may prescribe. The commissioners may establish annual charges separately for bond repayment, fixed operations and maintenance costs (not dependent on actual use), and variable operations and maintenance costs dependent on flow. Such charges may be based upon:

(1) the metered consumption of water on premises connected with the sewer system, however, the commissioners may determine no user will be billed for fixed operations and maintenance costs and bond payment less than the average single family charge;

(2) the number of equivalent units connected with or served by the sewage system based upon their estimated flows compared to the estimated flows from a single family dwelling however, the commissioners may determine no user will be billed less than the minimum charge determined for the single family dwelling charge for fixed operations and maintenance costs and bond payment;

(3) the strength and flow where wastes stronger than household wastes are involved;

(4) the appraised value of premises, in the event that the commissioners shall determine the sewage disposal plant to be of general benefit to the municipality regardless of actual connection with the same;

(5) the commissioners’ determination developed using any other equitable basis such as the number and kind of plumbing fixtures, the number of persons residing on or frequenting the premises served by those sewers, the topography, size, type of use, or impervious area of any premises; or
any combination of these bases, so long as the combination is equitable.

(b) The basis for establishing sewer disposal charges shall be reviewed annually by sewage disposal commissioners. No premises otherwise exempt from taxation, including premises owned by the State of Vermont, shall, by virtue of any such exemption, be exempt from charges established hereunder. The commissioners may change the rates of such charges from time to time as may be reasonably required. Where one of the bases of such charge is the appraised value and the premises to be appraised are tax exempt, the commissioners may cause the listers to appraise such property, including State property, for the purpose of determining the sewage disposal charges. The right of appeal from such appraisal shall be the same as provided in 32 V.S.A. chapter 131 of Title 32. The commissioner of finance and management is authorized to issue his or her warrants for sewage disposal charges against State property and transmit to the State Treasurer who shall draw a voucher in payment thereof. No charge so established and no tax levied under the provisions of section 3613 of this title shall be considered to be a part of any tax authorized to be assessed by the legislative body of any municipality for general purposes, but shall be in addition to any such tax so authorized to be assessed. Sewage disposal charges established in accord with this section may be assessed by the board of sewage disposal commissioners as provided in section 3614 of this title to derive the revenue required to pay pollution charges assessed against a municipal corporation under section 10 V.S.A. § 1265 of Title 10.

(c) When a sewage disposal charge established under this section for the management of stormwater is applied to property owned, controlled, or managed by the Agency of Transportation, the charge shall not exceed the highest rate category applicable to other properties in the municipality, and the Agency of Transportation shall receive a 30 percent credit on the charge. The Agency of Transportation shall receive no other credit on the charge from the municipal corporation.

*** Statewide Property Parcel Mapping Program ***

Sec. 35. DEVELOPMENT OF STATEWIDE PROPERTY PARCEL DATA LAYER

(a) The General Assembly finds that the State has an interest in creating a statewide property parcel data layer. The data layer will include all property parcels in each Vermont town, city, incorporated village, gore, and grant in a standard format and integrate all municipal property parcel maps into one property parcel map for the State.
(b) The General Assembly further finds that a statewide property parcel data layer will be useful to the Agency for the following applications:

1. mapping highway centerlines that end at property boundaries;
2. enabling the Agency to evaluate properties for alternative energy and other possible uses;
3. providing right-of-way data to analyze Transportation Separate Storm Sewer System (TS4) assessments;
4. streamlining title searches during the project development phase of transportation projects;
5. providing linkages between grand list and property parcel data in order to enable the identification of all public land;
6. locating encroachments on highways and providing notice to adjoining landowners;
7. mapping the locations of surplus and excess property;
8. assisting in the appraisal of land and acquisition of rights for transportation projects;
9. improving emergency response capabilities;

11. evaluating applications for highway access under 19 V.S.A. § 1111, including utility installations and driveways; and
12. improving the State’s ability to identify its assets by accurately cataloguing the location and extent of State-owned rights-of-way.

(c)(1) Consistent with Secs. 36–37 of this act, starting in fiscal year 2017, the Agency shall commence development of the statewide digital parcel data layer as part of the Statewide Property Parcel Mapping Program.

(B) 80 percent of development costs and future operating costs are expected to be funded with Federal Highway Administration funds and 20 percent with State matching funds; and
(C) transportation funds will cover the 20 percent State match in fiscal year 2017.
The Agency shall continue to work with State agencies and external partners benefited by the data layer, including private funding partners, to develop a memorandum of understanding to address funding sources other than the Transportation Fund for the 20 percent State match for fiscal year 2018 and in succeeding fiscal years.

(5) A person shall be eligible for reinstatement under this subsection only once following a suspension or revocation for life.

If the Commissioner elects not to conduct an investigation, he or she shall provide a letter to the applicant’s jurisdiction of residence stating that Vermont does not object to the jurisdiction issuing the applicant a license if the applicant is authorized to operate only vehicles equipped with an ignition interlock device for at least a three-year period, unless exempt under subdivision (a)(4) of this section, and is required to complete any alcohol rehabilitation or treatment requirements of the licensing jurisdiction.

(B) If the applicant’s jurisdiction of residence is prepared to issue or has issued a license in accordance with subdivision (A) of this subdivision (6) and the applicant satisfies the requirements of section 675 of this title, the Commissioner shall update relevant State and federal databases to reflect that the applicant’s lifetime suspension or revocation in Vermont under chapter 13, subchapter 13 of this title has terminated.

Sec. 46. TERMINATION OF SUSPENSIONS ARISING FROM PRE-JULY 1, 1990 CRIMINAL TRAFFIC OFFENSES

(a) Background.

(1) Prior to July 1, 1990, traffic offenses that are handled as civil traffic violations under current Vermont law were charged as criminal offenses.

(2) A defendant’s failure to appear on such charges resulted in suspension of the defendant’s privilege to operate a motor vehicle in Vermont.

(3) As of February 2016, approximately 26,260 defendants who failed to appear in connection with pre-July 1, 1990 criminal traffic charges have pending suspensions as a result of their failure to appear. None of these charges relate to conduct that is criminal under current Vermont law.

(4) Many of the criminal complaints in these matters are fire- and water-damaged. In many of these cases, the facts underlying the complaints no longer can be proved.

(5) On February 22, 2016, the Office of the Attorney General mailed to all Criminal Divisions of the Superior Court and to the Judicial Bureau notices of dismissal of these pre-July 1, 1990 charges.

(b) Termination of suspensions.

(1) Notwithstanding 23 V.S.A. § 675 (fee prior to termination of suspension), as soon as possible after this act takes effect, the Commissioner of Motor Vehicles shall, without requiring an application or payment of a fee, terminate pending suspensions of a person’s license or privilege to operate a motor vehicle that resulted from the person’s failure to appear prior to July 1, 1990 on a criminal traffic offense charged by the State for conduct that is a civil traffic violation under current Vermont law.
(2) This subsection shall not affect pending suspensions of a person’s license or privilege to operate other than those specifically described in subdivision (1) of this subsection.

(1) The Judicial Bureau and the Department of Motor Vehicles shall carry out a Statewide Driver Restoration Program (Program) from September 1, 2016 through November 30, 2016 (the “Program time period”). It is the intent of the General Assembly that the Program shall be a one-time statewide event.

(2) As used in this section, “suspension” means a suspension of a person’s license or privilege to operate a motor vehicle in Vermont imposed by the Commissioner of Motor Vehicles.

(b) Traffic violation judgments entered before January 1, 2015; exception.

(1) During the Program time period, a person who has not paid in full the amount due on a traffic violation judgment entered prior to January 1, 2015 may apply to the Judicial Bureau for a reduction in the amount due on a form approved by the Court Administrator. Judgments for traffic violations that involve violation of a law specifically governing the operation of commercial motor vehicles shall not be eligible for reduction under the Program. The Program shall not apply to pre-July 1, 1990 criminal traffic offenses.

(2) A person shall be permitted to apply in person or through the mail. The Judicial Bureau may accept applications electronically or by other means.

(3) If a person submits a complete application during the Program time period and the judgment is eligible for reduction under subdivision (1) of this subsection, the Clerk of the Judicial Bureau or designee shall reduce the amount due on the judgment to $30.00. Amounts paid toward a traffic violation judgment prior to the Judicial Bureau’s granting an application under this subsection shall not be refunded or credited toward the amount due under the amended judgment.

(c) Traffic violation judgments entered on or after January 1, 2015.

(1) Notwithstanding the usual time periods for filing postjudgment motions to amend and the standards for granting such motions, a person who has not paid the full amount due on a traffic violation judgment entered on or after January 1, 2015 and before July 1, 2016 may file a motion with the Judicial Bureau pursuant to Rules 60 and 80.6 of the Vermont Rules of Civil
Procedure seeking an individualized determination of his or her ability to pay the amount due on the judgment. In deciding the motion, the Judicial Bureau hearing officer shall consider the person’s ability to pay the amount due and may reduce the amount due and waive any reinstatement or suspension termination fee in his or her discretion.

(2) Consistent with Sec. 4 of this act, amending 4 V.S.A. § 1109 to direct the Judicial Bureau to provide a more flexible payment plan option, a person who has an amount due on a traffic violation judgment shall not be required to pay more than $100.00 per month in order to be current on all of his or her traffic violation judgments, regardless of the dates when the judgments were entered. This subdivision (c)(2) shall not be limited by the Program time period.

(d) Restoration of driving privileges.

(1) If a person has paid all traffic violation judgments reduced under subsection (b) of this section, and is under a payment plan for any other outstanding traffic violation judgments, the Judicial Bureau shall notify the Department of Motor Vehicles that the person is in compliance with his or her obligations.

(2) Notwithstanding 23 V.S.A. § 675 (fee prior to termination of suspension), the Commissioner of Motor Vehicles shall:

(3) If a person described in subdivision (1) or (2)(B) of this subsection fails to make a payment under a payment plan, the Judicial Bureau shall notify the Department of Motor Vehicles if required under 4 V.S.A. § 1109, as amended by Sec. 4 of this act.

(4) This subsection shall not affect pending suspensions other than as specifically described in this subsection.
