The rules may specify circumstances under which the Department may limit the number of requests that will be fulfilled per calendar year, as long as the Department fulfills at least one request per calendar year excluding any release of records ordered by a court, and at least one additional request in the same calendar year limited to records not in existence at the time of the original request or not within the scope of the original request. The rules also may specify circumstances when the offender's or inmate's right of access will be limited to an inspection overseen by an agent or employee of the Department. The rules shall reflect the Department's obligation not to withhold a record in its entirety on the basis that it contains some confidential or exempt content, to redact such content, and to make the redacted record available.

(c) Notwithstanding the provisions of 1 V.S.A. chapter 5, subchapter 3 (Public Records Act) that govern the time periods for a public agency to respond to a request for a public record and rights of appeal, the Commissioner shall adopt a rule pursuant to 3 V.S.A. chapter 25 governing response and appeal periods and appeal rights in connection with a request by an offender or inmate to access records relating to him or her maintained by the Department.

The rule shall provide for a final exhaustion of administrative appeals no later than 45 days from the Department's receipt of the initial request.

(d) An offender or inmate may request that the Department correct a fact in a record maintained by the Department that is material to his or her rights or status, except for a determination of fact that resulted from a hearing or other proceeding that afforded the offender or inmate notice and opportunity to be heard on the determination. The rule required under subsection (c) of this section shall reference that requests for such corrections are handled in accordance with the Department's grievance process. If the Department issues a final decision denying a request under this subsection, the offender or inmate may appeal the decision to the Civil Division of the Superior Court pursuant to Rule 74 of the Vermont Rules of Civil Procedure. The Court shall not set aside the Department's decision unless it is clearly erroneous.

(5) to not compete with Vermont utilities;

(6) to ensure that the credit rating of the State will not be adversely affected and Vermont taxpayers will not be liable should the purchase of the facilities fail because of the failure to produce sufficient revenue to service the debt, the failure of a partner, or for any other reason; and

Subchapter 1. General Provisions

§ 8040. FINDINGS, PURPOSE, AND GOALS

(a) The General Assembly of the State of Vermont finds that potential exists to purchase an interest in hydroelectric power stations along the Connecticut and Deerfield Rivers located in Vermont, New Hampshire, and Massachusetts.

(b) Therefore, it is the purpose of this chapter to create an entity with the authority to finance, purchase, own, operate, or manage any interest in the hydroelectric power facilities along the Connecticut and Deerfield Rivers located in Vermont, New Hampshire and Massachusetts, and to sell the electric energy under the control of the Authority from those facilities at wholesale to authorized wholesale purchasers. (2) to stimulate the development of the Vermont economy;

(3) to increase the degree to which Vermont's energy needs are met through environmentally-sound sustainable and renewable in-state energy sources;

(4) to lessen electricity price risk and volatility for Vermont ratepayers and to increase system reliability;

(5) to not compete with Vermont utilities;

(6) to ensure that the credit rating of the State will not be adversely affected and Vermont taxpayers will not be liable should the purchase of the facilities fail because of the failure to produce sufficient revenue to service the debt, the failure of a partner, or for any other reason; and

(7) to cause the facilities to be operated in an environmentally sound manner consistent with federal licenses and purposes.

* * * Telecommunications Siting; Local Input; Collocation * * *

Sec. 5a. 30 V.S.A. § 248a is amended to read:

§ 248a. CERTIFICATE OF PUBLIC GOOD FOR COMMUNICATIONS FACILITIES

(a) Certificate. Notwithstanding any other provision of law, if the applicant seeks approval for the construction or installation of telecommunications facilities that are to be interconnected with other telecommunications facilities proposed or already in existence, the applicant may obtain a certificate of public good issued by the Public Service Board under this section, which the Board may grant if it finds that the facilities will promote the general good of the State consistent with subsection 202c(b) of this title. A single application may seek approval of one or more telecommunications facilities. An application under this section shall include a copy of each other State and local permit, certificate, or approval that has been issued for the facility under a statute, ordinance, or bylaw pertaining to the environment or land use.

(b) Definitions. As used in this section:

(1) “Ancillary improvements” means telecommunications equipment and site improvements that are primarily intended to serve a telecommunications facility, including wires or cables and associated poles to connect the facility to an electric or communications grid; fencing; equipment cabinets or shelters; emergency backup generators; and access roads.

(2) “De minimis modification” means the addition, modification, or replacement of telecommunications equipment, antennas, or ancillary improvements on a telecommunications facility or existing support structure, whether or not the structure was constructed as a telecommunications facility, or the reconstruction of such a facility or support structure, provided:

(A) the height and width of the facility or support structure, excluding equipment, antennas, or ancillary improvements, are not increased;

(B) the total amount of impervious surface, including access roads, surrounding the facility or support structure is not increased by more than 300 square feet;

(C) the addition, modification, or replacement of an antenna or any other equipment on a facility or support structure does not extend vertically more than 10 feet above the facility or support structure and does not extend horizontally more than 10 feet from the facility or support structure; and

(D) the additional equipment, antennas, or ancillary improvements on the support structure, excluding cabling, does not increase the aggregate surface area of the faces of the equipment, antennas, or ancillary improvements on the support structure by more than 75 square feet.

(3) “Good cause” means a showing of evidence that the substantial deference required under subdivision (c)(2) of this section would create a substantial shortcoming detrimental to the public good or State’s interests in section 202c of this title.

(4)(A) “Limited size and scope” means:

(i) A new telecommunications facility, including any ancillary improvements, that does not exceed 140 feet in height; or

(ii) An addition, modification, replacement, or removal of telecommunications equipment at a lawfully constructed telecommunications facility or on an existing support structure, and ancillary improvements, that would result in a facility of a total height of less than 200 feet and does not increase the width of the existing support structure by more than 20 feet.

(B) For construction described in subdivision (3)(A) of this subsection to be of limited size and scope, it shall not disturb more than 10,000 square feet of earth. ~~For purposes of~~ As used in this subdivision, “disturbed earth” means the exposure of soil to the erosive effects of wind, rain, or runoff.

(5) “Substantial deference” means that the plans and recommendations referenced under subdivision (c)(2) of this section are presumed correct, valid, and reasonable.

~~(4)(6)~~ (6) “Telecommunications facility” means a communications facility that transmits and receives signals to and from a local, State, national, or international network used primarily for two-way communications for commercial, industrial, municipal, county, or State purposes and any associated support structure that is proposed for construction or installation which is primarily for communications purposes, and any ancillary improvements that are proposed for construction or installation and are primarily intended to serve the communications facilities or support structure. An applicant may seek approval of construction or installation of a telecommunications facility whether or not the telecommunications facility is attached to an existing structure.

~~(5)(7)~~ (7) “Wireless service” means any commercial mobile radio service, wireless service, common carrier wireless exchange service, cellular service, personal communications service (PCS), specialized mobile radio service,

paging service, wireless data service, or public or private radio dispatch service.

(c) Findings. Before the Public Service Board issues a certificate of public good under this section, it shall find that:

(1) The proposed facility will not have an undue adverse effect on aesthetics, historic sites, air and water purity, the natural environment, and the public health and safety, and the public's use and enjoyment of the I-89 and I-91 scenic corridors or of any highway that has been designated as a scenic road pursuant to 19 V.S.A. § 2501 or a scenic byway pursuant to 23 U.S.C. § 162, with due consideration having been given to the relevant criteria specified in 10 V.S.A. §§ 1424a(d) and 6086(a)(1) through (8) and (9)(K). However, with respect to telecommunications facilities of limited size and scope, the Board shall waive all criteria of this subdivision other than 10 V.S.A. § 6086(a)(1)(D)(floodways) and (a)(8)(aesthetics, scenic beauty, historic sites, rare and irreplaceable natural areas; endangered species; necessary wildlife habitat). Such waiver shall be on condition that:

(A) the Board may determine, pursuant to the procedures described in subdivision (j)(2)(A) of this section, that a petition raises a significant issue with respect to any criterion of this subdivision; and

(B) a telecommunications facility of limited size and scope shall comply, at a minimum, with the requirements of the Low Risk Site Handbook for Erosion Prevention and Sediment Control issued by the Department of Environmental Conservation, regardless of any provisions in that handbook that limit its applicability.

(2) Unless there is good cause to find otherwise, substantial deference has been given to ~~the land conservation measures in the plans of the affected municipalities and;~~ to the recommendations of the municipal legislative bodies and the municipal and regional planning commissions regarding the municipal and regional plans, respectively; and to the recommendations of the regional planning commission concerning the regional plan. Nothing in this section or other provision of law shall prevent a municipal body from basing its recommendations to which substantial deference is required under this subdivision (2) on an ordinance adopted under 24 V.S.A. § 2291(19) or bylaw adopted under 24 V.S.A. chapter 117 by the municipality in which the facility is located. A rebuttable presumption respecting compliance with the applicable plan shall be created by a letter from an affected municipal legislative body or municipal planning commission concerning compliance with the municipal plan and by a letter from a regional planning commission concerning compliance with the regional plan.

(3) If the proposed facility relates to the provision of wireless service, the proposed facility reasonably cannot be collocated on or at an existing telecommunications facility, or such collocation would cause an undue adverse effect on aesthetics.

(A) If a proposed new support structure for a new telecommunications facility that provides wireless service will exceed 50 feet in height in a cleared area or will exceed 20 feet in height above the average treeline measured within a 100-foot radius from the structure in a wooded area, the application shall identify all existing telecommunications facilities within the area to be served by the proposed structure and, for each such existing facility, shall include a projection of the coverage and an estimate of additional capacity that would be provided if the applicant's proposed telecommunications equipment were located on or at the existing facility. The applicant also shall compare each such projection and estimate to the coverage and capacity that would be provided at the site of the proposed structure.

(B) To obtain a finding that a proposed facility cannot reasonably be collocated on or at an existing telecommunications facility, the applicant must demonstrate that:

(i) collocating on or at an existing facility will result in a significant reduction of the area to be served or the capacity to be provided by the proposed facility or substantially impede coverage or capacity objectives for the proposed facility that promote the general good of the State under subsection 202c(b) of this title;

(ii) the proposed antennas and equipment will exceed the structural or spatial capacity of the existing or approved tower or facility, and the existing or approved tower or facility cannot be reinforced, modified, or replaced to accommodate planned or equivalent equipment, at a reasonable cost, to provide coverage and capacity comparable to that of the proposed facility;

(iii) the owner of the existing facility will not provide space for the applicant's proposed telecommunications equipment on or at that facility on commercially reasonable terms; or

(iv) the proposed antennas and equipment will cause radio frequency interference that will materially impact the usefulness of other existing or permitted equipment at the existing or approved tower or facility and such interference cannot be mitigated at a reasonable cost.

* * *

(e) Notice. No less than 45 60 days prior to filing an application for a certificate of public good under this section, the applicant shall serve written

notice of an application to be filed with the Board pursuant to this section to the legislative bodies and municipal and regional planning commissions in the communities in which the applicant proposes to construct or install facilities; the Secretary of Natural Resources; the Secretary of Transportation; the Division for Historic Preservation; the Commissioner of Public Service and its Director for Public Advocacy; the Natural Resources Board if the application concerns a telecommunications facility for which a permit previously has been issued under 10 V.S.A. chapter 151; and the landowners of record of property adjoining the project sites. In addition, at least one copy of each application shall be filed with each of these municipal and regional planning commissions.

(1) Upon motion or otherwise, the Public Service Board shall direct that further public or personal notice be provided if the Board finds that such further notice will not unduly delay consideration of the merits and that additional notice is necessary for fair consideration of the application.

(2) On the request of the municipal legislative body or the planning commission, the applicant shall attend a public meeting with the municipal legislative body or planning commission, or both, within the ~~45-day~~ 60-day notice period before filing an application for a certificate of public good. The Department of Public Service shall attend the public meeting on the request of the municipality. The Department shall consider the comments made and information obtained at the meeting in making recommendations to the Board on the application and in determining whether to retain additional personnel under subsection (o) of this section.

(3) With the notice required under this subsection, the applicant shall include a written assessment of the collocation requirements of subdivision (c)(3) of this section, as they pertain to the applicant's proposed telecommunications facility. On the request of the municipal legislative body or the planning commission, the Department of Public Service, pursuant to its authority under subsection (o) of this section, shall retain an expert to review the applicant's collocation assessment and to conduct further independent analysis, as necessary. Within 45 days of receiving the applicant's notice and collocation assessment, the Department shall report its own preliminary findings and recommendations regarding collocation to the applicant and to all persons required to receive notice of an application for a certificate of public good under this subsection (e).

* * *

(h) Exemptions from other law.

(1) An applicant using the procedures provided in this section shall not be required to obtain a permit or permit amendment or other approval under the provisions of 24 V.S.A. chapter 117 or 10 V.S.A. chapter 151 for the

facilities subject to the application or to a certificate of public good issued pursuant to this section. This exemption from obtaining a permit or permit amendment under 24 V.S.A. chapter 117 shall not affect the substantial deference to be given to a plan or recommendation based on a local land use bylaw under subdivision (c)(2) of this section.

(2) Ordinances An applicant using the procedures provided in this section shall not be required to obtain an approval from the municipality under an ordinance adopted pursuant to 24 V.S.A. § 2291(19) or a municipal charter that would otherwise apply to the construction or installation of facilities subject to this section ~~are preempted~~. This exemption from obtaining an approval under such an ordinance shall not affect the substantial deference to be given to a plan or recommendation based on such an ordinance under subdivision (c)(2) of this section.

(3) Disputes over jurisdiction under this section shall be resolved by the Public Service Board, subject to appeal as provided by section 12 of this title. An applicant that has obtained or been denied a permit or permit amendment under the provisions of Title 24 or 10 V.S.A. chapter 151 for the construction of a telecommunications facility may not apply for approval from the Board for the same or substantially the same facility, except that an applicant may seek approval for a modification to such a facility.

* * *

Sec. 5b. 24 V.S.A. § 4412(8)(C) is amended to read:

(C) The regulation of a telecommunications facility, as defined in 30 V.S.A. § 248a, shall be exempt from municipal approval under this chapter when and to the extent jurisdiction is assumed by the Public Service Board according to the provisions of that section. This exemption from obtaining approval under this chapter shall not affect the substantial deference to be given to a plan or recommendation based on a local land use bylaw under 30 V.S.A. § 248a(c)(2).

* * * Department of Public Service; CPG; Complaint Protocol * * *

Sec. 5c. DEPARTMENT OF PUBLIC SERVICE; CERTIFICATE OF PUBLIC GOOD; COMPLAINT PROTOCOL

The Commissioner may revise the protocol at any time to achieve a more effective and satisfactory response to complaints.

(b) The purpose of this section is to create a single location within State government for receipt and tracking of all complaints described in subsection (a) of this section. The protocol shall include a process for filing, investigating, and responding to complaints in a timely manner, as well as a procedure for tracking the number and nature of complaints received and a summary of actions taken by the Department of Public Service in response to each complaint, which information shall be aggregated and reported annually to the General Assembly beginning January 1, 2017, notwithstanding 2 V.S.A. § 20(d). In addition, the Department shall keep a record of complaints filed under the protocol. A summary of the record shall be published on a website maintained by the Department to increase public awareness and transparency, which may reduce the occurrence of redundant complaint filings. The Commissioner's protocol shall include standards and procedures for consolidating complaints of a similar nature involving the same company and procedures under which a company receiving a complaint informs the Department of the complaint and its nature and such information as the Commissioner determines is necessary to track its progress and response.

(c) A complainant shall not be required to direct a complaint to a company prior to submitting a complaint with the Department of Public Service pursuant to the complaint protocol established under this section.

(d) The Commissioner may retain experts and other personnel as identified in 30 V.S.A. § 20 to investigate complaints, and may allocate the reasonable expenses incurred in retaining such personnel to the company as provided under 30 V.S.A. § 21.

(f) With its report filed under this section on or before January 1, 2018, the Commissioner shall make recommendations regarding the establishment of and payment for an ongoing process for monitoring a company's compliance with a certificate of public good for the purpose of reducing the filing of individual complaints under this section.

Sec. A.1. 8 V.S.A. chapter 74 is added to read:

CHAPTER 74. CONSUMER LITIGATION FUNDING COMPANIES

§ 2251. DEFINITIONS

As used in this chapter:

(1) “Charges” means the amount a consumer owes to a company in addition to the funded amount and includes an administrative fee, origination fee, underwriting fee, processing fee, and any other fee regardless of how the fee is denominated, including amounts denominated as interest or rate.

(2) “Commissioner” means the Commissioner of Financial Regulation.

(3) “Consumer” means a natural person who is seeking or has obtained consumer litigation funding for a pending legal claim, provided:

(A) the claim is in Vermont; or

(B) the person resides or is domiciled in Vermont, or both.

(4) “Consumer litigation funding” or “funding” means a nonrecourse transaction in which a company purchases and a consumer assigns to the

company a contingent right to receive an amount of the potential net proceeds of a settlement or judgment obtained from the consumer's legal claim. If no proceeds or net proceeds are obtained, the consumer is not required to repay the company the funded amount or charges.

(5) "Consumer litigation funding company," "litigation funding company," or "company" means a person that provides consumer litigation funding to a consumer. The term does not include an immediate family member of the consumer, as defined in subdivision 2200(10) of this title.

(6) "Funded amount" means the amount of monies provided to, or on behalf of, the consumer pursuant to a litigation funding contract. The term excludes charges.

(7) "Health care facility" has the same meaning as in 18 V.S.A. § 9402(6).

(8) "Health care provider" has the same meaning as in 18 V.S.A. § 9402(7).

(9) "Litigation funding contract" or "contract" means a contract between a company and a consumer for the provision of consumer litigation funding.

(10)(A) "Net proceeds" means the amount recovered by a consumer as a result of a legal claim less costs associated with the legal claim or the underlying events giving rise to the legal claim, including:

(i) attorney's fees, attorney liens, litigation costs;

(ii) claims or liens for related medical services owned and asserted by the provider of such services;

(iii) claims or liens for reimbursement arising from third parties who have paid related medical expenses, including claims from insurers, employers with self-funded health care plans, and publicly financed health care plans; and

(iv) liens for workers' compensation benefits paid to the consumer.

(B) This definition of "net proceeds" shall in no way affect the priority of claims or liens other than those for payments to the consumer litigation funding company under a consumer litigation funding contract subject to this chapter.

§ 2252. REGISTRATION; FEE; FINANCIAL STABILITY

(a) A company shall not engage in the business of consumer litigation funding without first filing a registration with the Commissioner on a form prescribed by the Commissioner and submitting a registration fee and proof of financial stability, as required by this section.

(b) A company shall submit a \$600.00 fee at the time of registration and at the time of each renewal. Registrations shall be renewed every three years.

(c) A company shall file with the Commissioner evidence of its financial stability which shall include proof of a surety bond or irrevocable letter of credit issued and confirmed by a financial institution authorized by law to transact business in Vermont that is equal to double the amount of the company's largest funded amount in Vermont in the prior three calendar years or \$50,000.00, whichever is greater.

§ 2253. CONTRACTS; DISCLOSURES AND REQUIREMENTS

(a) A contract shall be written in a clear and coherent manner using words with common, everyday meanings to enable the average consumer who makes a reasonable effort under ordinary circumstances to read and understand the terms of the contract without having to obtain the assistance of a professional.

(b) Each contract shall include consumer disclosures on the front page. The consumer disclosures shall be in a form prescribed by the Commissioner and shall include:

(1) a description of possible alternatives to a litigation funding contract, including secured or unsecured personal loans, and life insurance policies;

(2) notification that some or all of the funded amount may be taxable;

(3) a description of the consumer's right of rescission;

(4) the total funded amount provided to the consumer under the contract;

(5) an itemization of charges;

(6) the annual percentage rate of return;

(7) the total amount due from the consumer, including charges, if repayment is made any time after the funding contract is executed;

(8) a statement that there are no fees or charges to be paid by the consumer other than what is disclosed on the disclosure form;

(9) in the event the consumer seeks more than one litigation funding contract, a disclosure providing the cumulative amount due from the consumer for all transactions, including charges under all contracts, if repayment is made any time after the contracts are executed;

(10) a statement that the company has no right to make any decisions regarding the conduct of the legal claim or any settlement or resolution thereof and that the right to make such decisions remains solely with the consumer and his or her attorney;

(11) a statement that, if there is no recovery of any money from the consumer's legal claim, the consumer shall owe nothing to the company and that, if the net proceeds of the claim are insufficient to repay the consumer's indebtedness to the company, then the consumer shall owe the company no money in excess of the net proceeds; and

(12) any other statements or disclosures deemed necessary or appropriate by the Commissioner.

(c) Each contract shall include the following provisions:

(1) Definitions of the terms "consumer," "consumer litigation funding," and "consumer litigation funding company."

(2) A right of rescission, allowing the consumer to cancel the contract without penalty or further obligation if, within five business days following the execution of the contract or the consumer's receipt of any portion of the funded amount, the consumer gives notice of the rescission to the company and returns any funds provided to the consumer by the company.

(3) A provision specifying that, in the event of litigation involving the contract and at the election of the consumer, venue shall lie in the Vermont Superior Court for the county where the consumer resides.

(4) An acknowledgment that the consumer is represented by an attorney in the legal claim and has had an opportunity to discuss the contract with his or her attorney.

§ 2254. PROHIBITED ACTS

(a) A consumer litigation funding company shall not engage in any of the following conduct or practices:

(1) Pay or offer to pay commissions, referral fees, or any other form of consideration to any attorney, law firm, health care provider, health care facility, or an employee of a law firm, health care provider, or health care facility for referring a consumer to the company.

(2) Accept any commissions, referral fees, or any other form of consideration from any attorney, law firm, health care provider, health care facility, or an employee of a law firm, health care provider, or health care facility.

(3) Advertise false or misleading information regarding its products or services.

(4) Receive any right to nor make any decisions with respect to the conduct of the consumer's legal claim or any settlement or resolution. The right to make such decisions shall remain solely with the consumer and his or her attorney.

(5) Knowingly pay or offer to pay for court costs, filing fees, or attorney's fees either during or after the resolution of the legal claim.

(6) Refer a consumer to a specific attorney, law firm, health care provider, or health care facility.

(7) Fail to provide promptly copies of contract documents to the consumer or to the consumer's attorney.

(8) Obtain a waiver of any remedy the consumer might otherwise have against the company.

(9) Provide legal advice to the consumer regarding the funding or the underlying legal claim.

(10) Assign a contract in whole or in part to a third party. Provided, however, if the company retains responsibility for collecting payment, administering, and otherwise enforcing the consumer litigation funding contract, the prohibition in this subdivision (10) shall not apply to an assignment:

(A) to a wholly-owned subsidiary of the company;

(B) to an affiliate of the company that is under common control with the company; or

(C) granting a security interest under Article 9 of the Uniform Commercial Code or as otherwise permitted by law.

(11) Report a consumer to a credit reporting agency if insufficient funds remain from the net proceeds to repay the company.

(12) Require binding arbitration in the event of a dispute between the consumer and the company. A consumer has the right to a trial in the event of a contractual dispute.

(b) An attorney or law firm retained by a consumer shall not have a financial interest in a company offering litigation funding to the consumer and shall not receive a referral fee or other consideration from such company, its employees, or its affiliates.

§ 2255. EFFECT OF COMMUNICATION ON PRIVILEGES

A communication between a consumer's attorney and the company shall not be discoverable or limit, waive, or abrogate the scope or nature of any

statutory or common-law privilege, including the work-product doctrine and the attorney-client privilege.

§ 2256. EXAMINATIONS; CHARGES

For the purpose of protecting consumer interests and determining a company's financial stability and compliance with the requirements of this chapter, the Commissioner may conduct an examination of a company engaged in the business of consumer litigation funding. The company shall reimburse the Department of Financial Regulation all reasonable costs and expenses of such examination. In unusual circumstances and in the interests of justice, the Commissioner may waive reimbursement for the costs and expenses of an examination under this section.

§ 2257. NATIONWIDE LICENSING SYSTEM; INFORMATION SHARING; CONFIDENTIALITY

(d) The Registry is not intended to and does not replace or affect the Commissioner's authority to grant, deny, suspend, revoke, or refuse to renew registrations.

(e) In order to promote more effective regulation and reduce regulatory burden through supervisory information sharing:

(1) The privacy or confidentiality of any information or material provided to the Registry and any privilege arising under federal or state law (including the rules of any federal or state court) with respect to such information or material shall continue to apply to such information or material after the information or material has been disclosed to the Registry. Such information and material may be shared with all state and federal regulatory officials with oversight authority without the loss of privilege or the loss of confidentiality protections provided by federal law or state law.

(2) To carry out the purpose of this section, the Commissioner is authorized to enter agreements or sharing arrangements with other governmental agencies, the Conference of State Bank Supervisors, the American Association of Residential Mortgage Regulators, or other associations representing governmental agencies.

(4) This subsection shall not apply with respect to information or material relating to employment history and publicly adjudicated disciplinary and enforcement actions that are included in the Registry for access by the public.

(f) In this section, "Nationwide Mortgage Licensing System and Registry" or "the Registry" means a licensing system developed and maintained by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators as defined in 12 U.S.C. § 5102(6), or its successor in interest, or any alternative or replacement licensing system and registry designated by the Commissioner.

Sec. G.1. FINDINGS AND PURPOSE

(a) The General Assembly finds:

(1) Currently, an Internet dating service does not have an affirmative duty under any state or federal law to ban a member of the service, but a service may choose to voluntarily ban a member for violating one or more terms of use, or because the service determines the member poses a risk of defrauding another member.

(2) In 2014, Internet dating services banned millions of members, the vast majority of which were banned within 72 hours of creating an account with the service.

(3) Of the members banned in 2014, well less than one percent contacted the Internet dating service concerning the ban.

(4) Due to a growing number of cases in which Vermont members of Internet dating services have lost significant financial amounts to persons using Internet dating services to defraud members or businesses, the Office of the Vermont Attorney General proposes this legislation, working with the input of multiple Internet dating services and other stakeholders.

(5) If an Internet dating service violates the statutory provisions created in this act, the Attorney General has the authority pursuant to 9 V.S.A. §§ 2458 and 2459 to request from a court, or to settle with the service for, restitution for a consumer or class of consumers affected by the violation.

(b) Purpose. The purposes of this act are:

(1) to protect Vermont consumers by requiring an Internet dating service to disclose in a timely manner important information about banned members to Vermont members of the service;

(2) to protect Internet dating services from liability to members for disclosing the information required by this act, while preserving liability to the State of Vermont and its agencies, departments, and subdivisions for violating this act; and

(3) to protect Vermont consumers and other members of Internet dating services by requiring an Internet dating service to notify its Vermont members when there is a significant change to the Vermont member's account information.

G.2. 9 V.S.A. chapter 63, subchapter 8 is added to read:

Subchapter 8. Internet Dating Services

§ 2482a. DEFINITIONS

In this chapter:

(1) “Account change” means a change to a member’s password, username, e-mail address, or other contact information an Internet dating service uses to enable communications between members.

(2) “Banned member” means the member whose account or profile is the subject of a fraud ban.

(3) “Fraud ban” means barring a member’s account or profile from an Internet dating service because, in the judgment of the service, the member poses a significant risk of attempting to obtain money from other members through fraudulent means.

(4) “Internet dating service” means a person, or a division of a person, that is primarily in the business of providing dating services principally on or through the Internet.

(5) “Member” means a person who submits to an Internet dating service information required to access the service and who obtains access to the service.

(6) “Vermont member” means a member who provides a Vermont residential or billing address or zip code when registering with the Internet dating service.

§ 2482b. REQUIREMENTS FOR INTERNET DATING SERVICES

(a) An Internet dating service shall disclose to all of its Vermont members known to have previously received and responded to an on-site message from a banned member:

(1) the user name, identification number, or other profile identifier of the banned member;

(2) the fact that the banned member was banned because, in the judgment of the Internet dating service, the banned member may have been using a false identity or may pose a significant risk of attempting to obtain money from other members through fraudulent means;

(3) that a member should never send money or personal financial information to another member; and

(4) a hyperlink to online information that clearly and conspicuously addresses the subject of how to avoid being defrauded by another member of an Internet dating service.

(b) The notification required by subsection (a) of this section shall be:

(1) clear and conspicuous;

(2) by e-mail, text message, or other appropriate means of communication; and

(3) sent within 24 hours after the fraud ban, or at a later time if the service has determined, based on an analysis of effective messaging, that a different time is more effective, but in no event later than three days after the fraud ban.

(c) An Internet dating service shall disclose in an e-mail, text message, or other appropriate means of communication, in a clear and conspicuous manner, within 24 hours after discovering an account change to a Vermont member's account:

(1) the fact that information on the member's account has been changed;

(2) a brief description of the change; and

(3) if applicable, how the member may obtain further information on the change.

(d)(1) A banned member from Vermont who is identified to one or more Vermont members pursuant to subsection (a) of this section shall have the right to challenge the ban by written complaint to the Office of the Vermont Attorney General.

(2) The Office of the Attorney General shall review a challenge brought by a banned member pursuant to this subsection and, if it finds that there was no reasonable basis for banning the member, shall require the Internet dating service to take reasonable corrective action to cure the erroneous ban.

§ 2482c. LIMITED IMMUNITY

(a) An Internet dating service shall not be liable to any person, other than the State of Vermont, or any agency, department, or subdivision of the State, for disclosing to any member that it has banned a member, the user name or identifying information of the banned member, or the reasons for the Internet dating service's decision to ban such member in accordance with section 2482b of this title.

(b) An Internet dating service shall not be liable to any person, other than the State of Vermont, or any agency, department, or subdivision of the State, for the decisions regarding whether to ban a member, or how or when to notify a member pursuant to section 2482b of this title.

(c) This subchapter does not diminish or adversely affect the protections for Internet dating services that are afforded in 47 U.S.C. § 230 (Federal Communications Decency Act).

§ 2482d. VIOLATIONS

(a) A person who violates this subchapter commits an unfair and deceptive act in trade and commerce in violation of section 2453 of this title.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, and enter into assurances of discontinuance as is provided under subchapter 1 of this chapter.

House Proposal of Amendment Concurred In with Amendment

S. 183.

House proposal of amendment to Senate bill entitled:

An act relating to permanency for children in the child welfare system.

Was taken up.

The House proposes to the Senate to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 14 V.S.A. § 2660 is added to read:

§ 2660. STATEMENT OF LEGISLATIVE INTENT

(a) The creation of a permanent guardianship for minors provides the opportunity for a child, whose circumstances make returning to the care of the parents not reasonably possible, to be placed in a stable and nurturing home for the duration of the child's minority. The creation of a permanent guardianship offers the additional benefit of permitting continued contact between a child and the child's parents.

(b) The Family Division of the Superior Court is not required to address and rule out each of the other potential disposition options once it has concluded that termination of parental rights is in a child's best interests.

Sec. 2. 14 V.S.A. § 2664 is amended to read:

§ 2664. CREATION OF PERMANENT GUARDIANSHIP

(a) ~~The family division of the superior court~~ Family Division of the Superior Court may establish a permanent guardianship at a permanency planning hearing or at any other hearing in which a permanent legal disposition of the child can be made, including a child protection proceeding pursuant to 33 V.S.A. § 5318, or a delinquency proceeding pursuant to 33 V.S.A. § 5232. The court shall also issue an order permitting or denying visitation, contact or information with the parent at the same time the order of permanent guardianship is issued. Before issuing an order for permanent guardianship, the court shall find by clear and convincing evidence all of the following:

(1) Neither parent is ~~capable or willing to provide adequate care to the child, requiring that parental rights and responsibilities be awarded to a permanent guardian able to assume or resume parental duties within a reasonable time.~~

(2) ~~Neither returning the child to the parents nor adoption of the child is likely within a reasonable period of time.~~

(3) ~~The child is at least 12 years old unless the proposed permanent guardian is:~~

~~(A) a relative; or~~

~~(B) the permanent guardian of one of the child's siblings.~~

(4) The child has resided with the permanent guardian for ~~at least a year or the permanent guardian is a relative with whom the child has a relationship and with whom the child has resided for at least six months.~~

~~(5)~~(3) A permanent guardianship is in the best interests of the child.

~~(6)~~(4) The proposed permanent guardian:

(A)(i) is emotionally, mentally, and physically suitable to become the permanent guardian; and

(ii) is financially suitable, with kinship guardianship assistance provided for in 33 V.S.A. § 4903 if applicable, to become the permanent guardian;

(B) has expressly committed to remain the permanent guardian for the duration of the child's minority; and

(C) has expressly demonstrated a clear understanding of the financial implications of becoming a permanent guardian including an understanding of any resulting loss of ~~state~~ State or federal benefits or other assistance.

(b) The parent voluntarily may ~~voluntarily~~ consent to the permanent guardianship, and shall demonstrate an understanding of the implications and obligations of the consent.

(c) After the ~~family division of the superior court~~ Family Division of the Superior Court issues a final order establishing permanent guardianship, the case shall be transferred to the appropriate ~~probate division of the superior court~~ Probate Division of the Superior Court in the district in which the permanent guardian resides. Jurisdiction shall continue to lie in the ~~probate division~~ Probate Division. Appeal of any decision by the ~~probate division of the superior court~~ Probate Division of the Superior Court shall be de novo to the ~~family division~~ Family Division.

(d) The Family Division of the Superior Court may name a successor permanent guardian in the initial permanent guardianship order. Prior to issuing an order naming a successor permanent guardian, the Court shall find by clear and convincing evidence that named successor permanent guardian meets the criteria in subdivision (a)(4) of this section. In the event that the permanent guardian dies or the guardianship is terminated by the Probate Division of the Superior Court, if a successor guardian is named in the initial order, custody of the child transfers to the successor guardian pursuant to subsection 2666(b) of this title.

Sec. 3. 14 V.S.A. § 2665 is amended to read:

§ 2665. REPORTS

The permanent guardian shall file a written report on the status of the child to the ~~probate division of the superior court~~ Probate Division of the Superior Court annually pursuant to subdivision 2629(b)(6) of this title and at any other time the court may order. ~~The report shall include the following:~~

~~(1) The location of the child.~~

~~(2) The child's health and educational status.~~

~~(3) A financial accounting of the income, expenditures and assets of the child if the permanent guardian is receiving any state or federal government benefits for the child.~~

~~(4) Any other information regarding the child that the probate division of the superior court may require.~~

Sec. 4. 14 V.S.A. § 2666(b) is amended to read:

(b) Where the permanent guardianship is terminated by the ~~probate division of the superior court~~ Probate Division of the Superior Court order or the death of the permanent guardian, the custody and guardianship of the child shall not revert to the parent, but to the ~~commissioner for children and families~~ Commissioner for Children and Families as if the child had been abandoned. If a successor permanent guardian has been named in the initial permanent guardianship order, custody shall transfer to the successor guardian, without reverting first to the Commissioner. The Probate Division of the Superior Court shall notify the Department when custody transfers to the Commissioner or the successor guardian. At any time during the first six months of the successor guardianship, the Probate Division may, upon its own motion and independent of its regular review process, hold a hearing to determine, by a preponderance of the evidence, whether the successor permanent guardian continues to meet the requirements under subdivision 2664(a)(4) of this title.

Sec. 5. 33 V.S.A. § 5124 is amended to read:

§ 5124. POSTADOPTION CONTACT AGREEMENTS

(a) Either or both parents and each intended adoptive parent may enter into a postadoption contact agreement regarding communication or contact between either or both parents and the child after the finalization of an adoption by the intended adoptive parent or parents who are parties to the agreement. Such an agreement may be entered into if:

(1) the child is in the custody of:

(A) the Department for Children and Families; or

(B) a nonparent pursuant to subdivision 5318(a)(2) or (a)(7), or subdivision 5232(b)(2) or (b)(3) of this title;

(2) an order terminating parental rights has not yet been entered; and

(3) either or both parents agree to a voluntary termination of parental rights, including an agreement in a case which began as an involuntary termination of parental rights.

* * *

(c) A postadoption contact agreement must be in writing and signed by each parent and each intended adoptive parent entering into the agreement. There may be separate agreements for each parent. The agreement shall specify:

* * *

(9) ~~an acknowledgment that once the adoption is finalized, the court shall presume that the adoptive parent's judgment concerning the best interests of the child is correct~~ the adoptive parent's judgment regarding the child is in the child's best interests;

* * *

Sec. 6. 33 V.S.A. § 5318 is amended to read:

§ 5318. DISPOSITION ORDER

Any orders transferring legal custody to a noncustodial parent issued under this section shall not be confidential and shall be made a part of the record in any existing parentage or divorce proceeding involving the child. On the motion of a party or on the Court's own motion, the Court may order that a sealed copy of the disposition case plan be made part of the record in a divorce or parentage proceeding involving the child.

(4) An order transferring legal custody to the Commissioner.

(5) An order terminating all rights and responsibilities of a parent by transferring legal custody and all residual parental rights to the Commissioner without limitation as to adoption.

(6) An order of permanent guardianship pursuant to 14 V.S.A. § 2664.

The order may be subject to conditions and limitations and may provide for parent-child contact with one or both parents. The order shall be subject to ~~periodic review as determined by the Court~~ review pursuant to subdivision 5320a(b) of this title.

* * *

(f) Conditions. Conditions shall include protective supervision with the Department if such a condition is not in place under the terms of an existing temporary care or conditional custody order. Protective supervision shall remain in effect for the duration of the order to allow the Department to take reasonable steps to monitor compliance with the terms of the conditional custody order.

Sec. 7. 33 V.S.A. § 5320 is amended to read:

The Department shall, and any other party or caregiver may prepare a written report to the Court regarding progress under the plan of services specified in the disposition case plan.

Sec. 8. 33 V.S.A. § 5232 is amended to read:

§ 5232. DISPOSITION ORDER

* * *

(b) In carrying out the purposes outlined in subsection (a) of this section, the Court may:

(1) Place the child on probation subject to the supervision of the Commissioner, upon such conditions as the Court may prescribe. The length of probation shall be as prescribed by the Court or until further order of the Court.

(2) Order custody of the child be given to the custodial parent, guardian, or custodian. For a fixed period of time following disposition, the Court may order that custody be subject to such conditions and limitations as the Court may deem necessary and sufficient to provide for the safety of the child and the community. Conditions may include protective supervision for up to ~~one year~~ six months following the disposition order unless further extended by court order. The Court shall ~~schedule regular~~ hold review hearings pursuant to section 5320 of this title to determine whether the conditions continue to be necessary.

(3) Transfer custody of the child to a noncustodial parent, relative, or person with a significant connection to the child. The Court may order that custody be subject to such conditions and limitations as the Court may deem necessary and sufficient to provide for the safety of the child and community,

including protective supervision, for up to six months unless further extended by court order. The Court shall hold review hearings pursuant to section 5320 of this title to determine whether the conditions continue to be necessary.

(4) Transfer custody of the child to the Commissioner.

(5) Terminate parental rights and transfer custody and guardianship to the Department without limitation as to adoption.

(6) Issue an order of permanent guardianship pursuant to 14 V.S.A. § 2664.

(7) Refer a child directly to a youth-appropriate community-based provider that has been approved by the Department, which may include a community justice center or a balanced and restorative justice program. Referral to a community-based provider pursuant to this subdivision shall not require the Court to place the child on probation. If the community-based provider does not accept the case or if the child fails to complete the program in a manner deemed satisfactory and timely by the provider, the child shall return to the Court for disposition.

Sec. 9. 33 V.S.A. § 5258 is amended to read:

§ 5258. POSTDISPOSITION REVIEW AND PERMANENCY REVIEW FOR DELINQUENTS IN CUSTODY

Whenever custody of a delinquent child is transferred to the Commissioner or the Court orders conditional custody of a child, the custody order of the Court shall be subject to a postdisposition review hearing pursuant to section 5320 of this title and permanency reviews pursuant to section 5321 of this title. At the permanency review, the Court shall review the permanency plan and determine whether the plan advances the permanency goal recommended by the Department. The Court may accept or reject the plan, but may not designate a particular placement for a child in the Department's legal custody. Any conditional custody order shall be subject to review pursuant to section 5258a of this title.

Sec. 10. 33 V.S.A. § 5258a is added to read:

§ 5258a. DURATION OF CONDITIONAL CUSTODY ORDERS POSTDISPOSITION

(a) Conditional custody orders to parents. Whenever the court issues a conditional custody order transferring custody to a parent either at or following disposition, the presumptive duration of the order shall be no more than six months from the date of the disposition order or the conditional custody order,

whichever occurs later, unless otherwise extended by the court after hearing. At least 14 days prior to the termination of the order, any party may file a request to extend the order pursuant to subsection 5113(b) of this title. Upon such motion, the Court may extend the order for an additional period of time not to exceed six months. Prior to vacating the conditional custody order, the court may schedule a hearing on its own motion to review the case prior to discharging the conditions. If a motion to extend is not filed, the court shall issue an order vacating the conditions and transferring full custody to the parent without conditions.

(b) Custody orders to nonparents.

(1) When the court at disposition issues an order continuing or transferring legal custody with a nonparent pursuant to subdivision 5232(b)(3) of this title, the court shall set the matter for a hearing six months from the date of disposition or custody order whichever occurs later. At the hearing, the court shall determine whether it is in the best interests of the child to:

(A) transfer either full or conditional custody of the child to a parent;

(B) establish a permanent guardianship pursuant to 14 V.S.A. § 2664 with the nonparent who has had custody of the child as the guardian; or

(C) terminate residual parental rights and release the child for adoption.

(2) If, after hearing, the court determines that reasonable progress has been made toward reunification and that reunification is in the best interests of the child but will require additional time, the court may extend the current order for a period not to exceed six months and set the matter for further hearing.

Sec. 11. 33 V.S.A. § 5320a is added to read:

§ 5320a. DURATION OF CONDITIONAL CUSTODY ORDERS POSTDISPOSITION

(a) Conditional custody orders to parents. Whenever the Court issues a conditional custody order transferring custody to a parent either at or following disposition, the presumptive duration of the order shall be no more than six months from the date of the disposition order or the conditional custody order, whichever occurs later, unless otherwise extended by the court after hearing. At least 14 days prior to the termination of the order, any party may file a request to extend the order pursuant to subsection 5113(b) of this title. Upon such motion, the Court may extend the order for an additional period of time not to exceed six months. Prior to vacating the conditional custody order, the Court may schedule a hearing on its own motion to review the case prior to

discharging the conditions. If a motion to extend is not filed, the court shall issue an order vacating the conditions and transferring full custody to the parent without conditions.

(b)(1) Custody orders to nonparents. When the court at disposition issues an order continuing or transferring legal custody with a nonparent pursuant to subdivision 5318(a)(2) or (a)(7) of this title, the court shall set the matter for a hearing six months from the date of disposition or custody order, whichever occurs later. At the hearing, the court shall determine whether it is in the best interests of the child to:

(A) transfer either full or conditional custody of the child to a parent;

(B) establish a permanent guardianship pursuant to 14 V.S.A. § 2664 with the nonparent who has had custody of the child as the guardian; or

(C) terminate residual parental rights and release the child for adoption.

(2) If, after hearing, the court determines that reasonable progress has been made toward reunification and that reunification is in the best interests of the child but will require additional time, the court may extend the current order for a period not to exceed six months and set the matter for further hearing.

Sec. 12. 33 V.S.A. § 5125 is added to read:

§ 5125. REINSTATEMENT OF PARENTAL RIGHTS

(a) Petition for reinstatement.

(1) A petition for reinstatement of parental rights may be filed by the Department for Children and Families on behalf of a child in the custody of the Department under the following conditions:

(A) the child's adoption has been dissolved; or

(B) the child has not been adopted after at least three years from the date of the court order terminating parental rights.

(2) The child, if 14 years of age or older, may also file a petition to reinstate parental rights if the adoption has been dissolved, or if parental rights have been terminated and the child has not been adopted after three years from the date of the court order terminating parental rights. This section shall not apply to children who have been placed under permanent guardianship pursuant to 14 V.S.A. § 2664.

(b) Permanency plan. The Department shall file an updated permanency plan with the petition for reinstatement. The updated plan shall address the material change in circumstances since the termination of parental rights, the

Department's efforts to achieve permanency, the reasons for the parent's desire to have rights reinstated, any statements by the child expressing the child's opinions about reinstatement, and the parent's present ability and willingness to resume or assume parental duties.

(c) Hearing.

(1) The court shall hold a hearing to consider whether reinstatement is in the child's best interest. The court shall conditionally grant the petition if it finds by clear and convincing evidence that:

(A) the parent is presently willing and has the ability to provide for the child's present and future safety, care, protection, education, and healthy mental, physical, and social development;

(B) reinstatement is the child's express preference;

(C) if the child is 14 years of age or older and has filed the petition, the child is of sufficient maturity to understand the nature of this decision;

(D) the child has not been adopted, or the adoption has been dissolved;

(E) the child is not likely to be adopted; and

(F) reinstatement of parental rights is in the best interests of the child.

(2) Upon a finding by clear and convincing evidence that all conditions set forth in subdivision (1) of this subsection exist and that reinstatement of parental rights is in the child's best interest, the court shall issue a conditional custody order for up to six months transferring temporary legal custody of the child to the parent, subject to conditions as the court may deem necessary and sufficient to ensure the child's safety and well-being. The court may order the Department to provide transition services to the family as appropriate. If during this time period the child is removed from the parent's temporary conditional custody due to allegations of abuse or neglect, the court shall dismiss the petition for reinstatement of parental rights if the court finds the allegations have been proven by a preponderance of the evidence.

(d) Final order. After the child is placed with the parent for up to six months pursuant to subsection (c) of this section, the court shall hold a hearing to determine if the placement has been successful. The court shall enter a final order of reinstatement of parental rights upon a finding by a preponderance of the evidence that placement continues to be in the child's best interest.

(e) Effect of reinstatement. Reinstatement of parental rights does not vacate or otherwise affect the validity of the original order terminating parental rights. Reinstatement restores a parent's legal rights to his or her child,

including all rights, powers, privileges, immunities, duties, and obligations that were terminated by the court in the termination of parental rights order. Such reinstatement shall be a recognition that the parent's and child's situations have changed since the time of the termination of parental rights, and reunification is appropriate. An order reinstating the legal parent and child relationship as to one parent of the child has no effect on the legal rights of any other parent whose rights to the child have been terminated by the court; or the legal sibling relationship between the child and any other children of the parent. A parent whose rights are reinstated pursuant to this section is not liable for child support owed to the Department during the period from termination of parental rights to reinstatement.

Sec. 13. JUDICIARY COMMISSION ON CHILD ABUSE AND NEGLECT

(a) The General Assembly recognizes that the increasing burden of substance abuse in Vermont has deteriorated families, resulting in a tremendous increase in children in need of supervision (CHINS) and termination of parental rights (TPR) filings in courts throughout the State. The General Assembly also recognizes that the allocation of resources in judicial proceedings devoted to CHINS and TPR cases, including attorney time, Department for Children and Families staff time, judge time, court staff time, and operating expenses are controlled to a great degree by statute and do not always allow flexibility to meet Vermont's constitutional responsibilities to children and families in an efficient and effective manner. The General Assembly also recognizes that technology and other resources provide opportunities to increase efficiency in processing cases, while improving timely access to judicial proceedings for families and children in need. The General Assembly also recognizes that an effort to evaluate reform measures with input from all interested parties involved in the processing of these cases will improve access to justice.

(b) In order to develop specific proposals for consideration by the General Assembly, the General Assembly requests the Supreme Court, subject to the availability of funding to provide dedicated staff and research support, to appoint and convene a Commission on Judicial Operations in CHINS and TPR cases to consist of members representing Judicial, Legislative, and Executive Branches of government and persons representing the citizens of Vermont in a number to be determined by the Court. The Chief Justice shall appoint the Chair of the Commission, who shall be independent of the Vermont Judicial System. The Commission shall expire on June 30, 2017. The Commission shall from time to time make recommendations by report to the Senate and House Committees on Judiciary and on Appropriations, the House Committee on Human Services, and the Senate Committee on Health and Welfare. On or before January 15, 2017, the Commission shall submit an interim report to

those committees with specific proposals regarding subdivisions (1)–(6) of this subsection with accompanying draft legislation to implement those proposals and a final report on or before May 1, 2017, which shall address all the following areas:

(1) achieving adequate dedicated court staff, attorney, Department, guardian ad litem, and judge resources;

(2) business reprocessing of child protection and parental rights procedures, laws and rules to minimize extra operational steps involved in processing CHINS and TPR cases;

(3) the use of technology such as video to increase litigant access and reduce unnecessary expense to litigants, including transportation, lost work time, lost school time, and any other measure suitable in the judgment of the Commission, while improving access and maintaining quality adjudication;

(4) alternative hearing space recommendations, including Saturday and weekday evening hearings and mobile courtrooms;

(5) flexibility in the use of resources to respond to the elastic, changeable demands for judicial and legal services in CHINS cases; and

(6) any other ideas for the efficient and effective delivery of judicial services in CHINS cases.

Sec. 14. EFFECTIVE DATES

This act shall take effect on September 1, 2016, except for this section and Sec. 5 (postadoption contact agreements), which shall take effect on July 1, 2016.

Thereupon, pending the question, Shall the Senate concur in the House proposal of amendment?, Senator Sears moved that the Senate concur in the House proposal of amendment with an amendment as follows:

By striking out Sec. 13 and inserting in lieu thereof the following:

(9) “Qualifying job” means a new, permanent position in Vermont that meets each of the following criteria:

(A) The position is filled by a non-owner employee who regularly works at least 35 hours each week.

(B) The business provides compensation for the position that equals or exceeds the wage threshold.

(C) The business provides for the position at least three of the following:

(i) health care benefits with 50 percent or more of the premium paid by the business;

(ii) dental assistance;

(iii) paid vacation;

(iv) paid holidays;

(v) child care;

(vi) other extraordinary employee benefits;

(D) The position is not an existing position that the business transfers from another facility within the State.

(E) When the position is added to base employment, the business’s total employment exceeds its average annual employment during the two preceding years, unless the Council determines that the business is establishing a significantly different, new line of business and creating new jobs in the new line of business that were not part of the business prior to filing its application.

§ 3332. APPLICATION; APPROVAL CRITERIA

(a) Application.

(1) A business may apply for an incentive in one or more years of an award period by submitting an application to the Council in the format the Council specifies for that purpose.

(2) For each award year the business applies for an incentive, the business shall:

(A) specify a payroll performance requirement;

(B) specify a jobs performance requirement or a capital investment performance requirement, or both; and

(C) provide any other information the Council requires to evaluate the application under this subchapter.

(b) Mandatory criteria. The Council shall not approve an application unless it finds:

(1) Except as otherwise provided for an enhanced incentive for a business in a qualifying labor market area under section 3334 of this title, the new revenue the proposed activity generates to the State exceeds the costs of the activity to the State.

(2) The host municipality welcomes the new business.

(3) The proposed economic activity conforms to applicable town and regional plans.

(4) If the business proposes to expand within a limited local market, an incentive would not give the business an unfair competitive advantage over other Vermont businesses in the same or similar line of business and in the same limited local market.

(5) But for the incentive, the proposed economic activity:

(A) would not occur; or

(B) would occur in a significantly different manner that is significantly less desirable to the State.

§ 3333. CALCULATING THE VALUE OF AN INCENTIVE

Except as otherwise provided for an enhanced incentive for a business in a qualifying labor market area under section 3334 of this title, an enhanced incentive for an environmental technology business under section 3335 of this title, or an enhanced incentive for workforce training under section 3336 of this title, the Council shall calculate the value of an incentive for an award year as follows:

(1) Calculate new revenue growth. To calculate new revenue growth, the Council shall use the cost-benefit model created pursuant to section 3326 of this title to determine the amount by which the new revenue generated by the proposed economic activity to the State exceeds the costs of the activity to the State.

(2) Calculate the business's potential share of new revenue growth. Except as otherwise provided for an environmental technology business in section 3335 of this title, to calculate the business's potential share of new revenue growth, the Council shall multiply the new revenue growth determined under subdivision (1) of this subsection by 80 percent.

(3) Calculate the incentive percentage. To calculate the incentive percentage, the Council shall divide the business's potential share of new revenue growth by the sum of the business's annual payroll performance requirements.

(4) Calculate qualifying payroll. To calculate qualifying payroll, the Council shall subtract from the payroll performance requirement the projected value of background growth in payroll for the proposed economic activity.

(5) Calculate the value of the incentive. To calculate the value of the incentive, the Council shall multiply qualifying payroll by the incentive percentage.

(6) Calculate the amount of the annual installment payments. To calculate the amount of the annual installment payments, the Council shall:

(A) divide the value of the incentive by five; and

(B) adjust the value of the first installment payment so that it is proportional to the actual number of days that new qualifying employees are employed in the first year of hire.

§ 3334. ENHANCED INCENTIVE FOR A BUSINESS IN A QUALIFYING LABOR MARKET AREA

(a) The Council may increase the value of an incentive for a business that is located in a labor market area in which:

(1) the average annual unemployment rate is greater than the average annual unemployment rate for the State; or

(2) the average annual wage is less than the average annual wage for the State.

(b) In each calendar year, the amount by which the Council may increase the value of all incentives pursuant to this section is:

(1) \$1,500,000.00 for one or more initial approvals; and

(2) \$1,000,000.00 for one or more final approvals.

(c) The Council may increase the cap imposed in subdivision (b)(2) of this section by not more than \$500,000.00 upon application by the Governor to, and approval of, the Joint Fiscal Committee.

(d) In evaluating the Governor's request, the Committee shall consider the economic and fiscal condition of the State, including recent revenue forecasts and budget projections.

(e) The Council shall provide the Committee with testimony, documentation, company-specific data, and any other information the Committee requests to demonstrate that increasing the cap will create an opportunity for return on investment to the State.

§ 3335. ENHANCED INCENTIVE FOR ENVIRONMENTAL TECHNOLOGY BUSINESS

(a) As used in this section, an "environmental technology business" means a business that:

(1) is subject to income taxation in Vermont; and

(2) seeks an incentive for economic activity in Vermont that the Secretary of Commerce and Community Development certifies is primarily research, design, engineering, development, or manufacturing related to one or more of the following:

(A) waste management, including waste collection, treatment, disposal, reduction, recycling, and remediation;

(B) natural resource protection and management, including water and wastewater purification and treatment, air pollution control and prevention or remediation, soil and groundwater protection or remediation, and hazardous waste control or remediation;

(C) energy efficiency or conservation;

(D) clean energy, including solar, wind, wave, hydro, geothermal, hydrogen, fuel cells, waste-to-energy, or biomass.

(b) The Council shall consider and administer an application from an environmental technology business pursuant to the provisions of this subchapter, except that:

(1) the business's potential share of new revenue growth shall be 90 percent; and

(2) to calculate qualifying payroll, the Council shall:

(A) determine the background growth rate in payroll for the applicable business sector in the award year;

(B) multiply the business's full-time payroll for the award year by 20 percent of the background growth rate; and

(C) subtract the product from the payroll performance requirement for the award year.

§ 3336. ENHANCED INCENTIVE FOR WORKFORCE TRAINING

(a) A business whose application is approved may elect to claim the incentive specified for an award year as an enhanced training incentive by:

(1) notifying the Council of its intent to pursue an enhanced training incentive and dedicate its incentive funds to training through the Vermont Training Program; and

(2) applying for a grant from the Vermont Training Program to perform training for one or more new employees who hold qualifying jobs.

(b) If a business is awarded a grant for training under this section, the Agency of Commerce and Community Development shall disburse grant funds for on-the-job training of 75 percent of wages for each employee in training or 75 percent of trainer expense, and the business shall be responsible for the remaining 25 percent of the applicable training costs.

(c) A business that successfully completes its training shall submit a written certificate of completion to the Agency of Commerce and Community Development which shall notify the Department of Taxes.

(d) Upon notification by the Agency, and if the Department determines that the business has earned the incentive for the award year, it shall:

(1) disburse to the business a payment in an amount equal to 25 percent of the cost for training expenses pursuant to subsection (b) of this section;

(2) disburse to the Agency of Commerce and Community Development a payment in an amount equal to 25 percent of the cost for training expenses pursuant to subsection (b) of this section; and

(3) disburse the remaining value of the incentive in annual installments pursuant to section 3337 of this title.

§ 3337. EARNING AN INCENTIVE

(B) meets or exceeds the payroll performance requirement specified for the award year; and

(C) meets or exceeds the jobs performance requirement specified for the award year, or the capital investment performance requirement specified for the award year, or both.

(A) maintains or exceeds its base payroll and base employment;

(B) maintains or exceeds the payroll performance requirement specified for the award year; and

(C) if the business earns an incentive by meeting or exceeding the jobs performance target specified for the award year, maintains or exceeds the jobs performance requirement specified for the award year.

(b) Award year one.

(1) For award year one, a business has from the date it commences its proposed economic activity through December 31 of that year, plus two additional years, to meet the performance requirements specified for award year one.

(2) A business that does not meet the performance requirements specified for award year one within this period becomes ineligible to earn incentives for the award year and for all remaining award years in the award period.

(c) Award years two and three.

(1) For award year two and award year three, beginning on January 1 of the award year, a business has three years to meet the performance requirements specified for the award year.

(2) A business that does not meet the performance requirements specified for award year two or for award year three within three years becomes ineligible to earn incentives for the award year and for all remaining award years in the award period.

(d) Extending the earning period in award years one and two. Notwithstanding subsection (b) of this section:

(1) Upon request, the Council may extend the period to earn an incentive for award year one or award year two if it determines:

(A) a business did not earn the incentive for the award year due to facts or circumstances beyond its control; and

(B) there is a reasonable likelihood the business will earn the incentive within the extended period.

(2) The Council may extend the period to earn an incentive:

(A) for award year one, by two years, reviewed annually; or

(B) for award year two, by one year.

(3) If the Council extends the period to earn an incentive, it shall recalculate the value of the incentive using the cost-benefit model and shall adjust the amount of the incentive as is necessary to account for the extension.

(e) Award year four.

(1) Beginning on January 1 of award year four, a business that remains eligible to earn incentives has two years to meet the performance requirements specified for award year four.

(2) A business that does not meet the performance requirements specified for award year four within two years becomes ineligible to earn incentives for award year four and award year five.

(f) Award year five.

(1) Beginning on January 1 of award year five, a business that remains eligible to earn incentives has one year to meet the performance requirements specified for award year five.

(2) A business that does not meet the performance requirements specified for award year five by the end of that award year becomes ineligible to earn the incentive specified for that award year.

(g) Carrying forward growth that exceeds targets. If a business exceeds one or more of the payroll performance requirement, the jobs performance requirement, or the capital investment performance requirement specified for an award year, the business may apply the excess payroll, excess jobs, and

excess capital investment toward the performance requirement specified for a future award year, provided that the business maintains the excess payroll, excess jobs, or excess capital investment into the future award year.

§ 3338. CLAIMING AN INCENTIVE; ANNUAL FILING WITH DEPARTMENT OF TAXES

(a) On or before April 30 following each year of the utilization period, a business with an approved application shall submit an incentive claim to the Department of Taxes.

(b) A business shall include the information the Department requires, including the information required in section 5842 of this title and other documentation concerning payroll, jobs, and capital investment necessary to determine whether the business earned the incentive specified for an award year and any installment payment for which the business is eligible.

(c) The Department may consider an incomplete claim to be timely filed if the business files a complete claim within the additional time allowed by the Department in its discretion.

(d) Upon finalizing its review of a complete claim, the Department shall:

(1) notify the business and the Council whether the business is entitled to an installment payment for the applicable year; and

(2) make an installment payment to which the business is entitled.

(e) The Department shall not pay interest on any amounts it holds or pays for an incentive or installment payment pursuant to this subchapter.

§ 3339. RECAPTURE; REDUCTION; REPAYMENT

(a) Recapture.

(1) The Department of Taxes may recapture the value of one or more installment payments a business has claimed, with interest, if:

(A) the business fails to file a claim as required in section 3338 of this title; or

(B) during the utilization period, the business experiences:

(i) a 90 percent or greater reduction from base employment; or

(ii) if it had no jobs at the time of application, a 90 percent or greater reduction from the sum of its job performance requirements.

(2) If the Department determines that a business is subject to recapture under subdivision (1) of this subsection, the business becomes ineligible to earn or claim an additional incentive or installment payment for the remainder of the utilization period.

* * * Pre-July 1, 1990 Criminal Traffic Offenses * * *

Sec. 1. TERMINATION OF SUSPENSIONS ARISING FROM PRE-JULY 1, 1990 CRIMINAL TRAFFIC OFFENSES

(a) Background.

(1) Prior to July 1, 1990, traffic offenses that are handled as civil traffic violations under current Vermont law were charged as criminal offenses.

(2) A defendant's failure to appear on such charges resulted in suspension of the defendant's privilege to operate a motor vehicle in Vermont.

(3) As of February 2016, approximately 26,260 defendants who failed to appear in connection with pre-July 1, 1990 criminal traffic charges have pending suspensions as a result of their failure to appear. None of these charges relate to conduct that is criminal under current Vermont law.

(4) Many of the criminal complaints in these matters are fire- and water-damaged. In many of these cases, the facts underlying the complaints no longer can be proved.

(5) On February 22, 2016, the Office of the Attorney General mailed to all Criminal Divisions of the Superior Court and to the Judicial Bureau notices of dismissal of these pre-July 1, 1990 charges.

(b) Termination of suspensions.

(1) Notwithstanding 23 V.S.A. § 675 (fee prior to termination of suspension), as soon as possible after this act takes effect, the Commissioner of Motor Vehicles shall, without requiring an application or payment of a fee, terminate pending suspensions of a person's license or privilege to operate a motor vehicle that resulted from the person's failure to appear prior to July 1, 1990 on a criminal traffic offense charged by the State for conduct that is a civil traffic violation under current Vermont law.

(2) This subsection shall not affect pending suspensions of a person's license or privilege to operate other than those specifically described in subdivision (1) of this subsection.

* * * Driver Restoration Program * * *

Sec. 2. DRIVER RESTORATION PROGRAM

(a) Program established; intent.

(1) The Judicial Bureau and the Department of Motor Vehicles shall carry out a Driver Restoration Program (Program) from September 1, 2016 through November 30, 2016 (the "Program time period"). It is the intent of the General Assembly that the Program be a one-time event.

(2) As used in this section, "suspension" means a suspension of a person's license or privilege to operate a motor vehicle in Vermont imposed by the Commissioner of Motor Vehicles.

(3) The Program is only targeted at suspensions arising from nonpayment of a traffic violation judgment. Even if a person benefits under the Program from the termination of suspensions arising from nonpayment of traffic violation judgments, other suspensions such as those arising from driving under the influence in violation of 23 V.S.A. chapter 13, subchapter 13 shall remain in effect.

(4) The Judicial Bureau's historical experience in collecting traffic violation judgments is that, on average, 90 percent of all traffic violation judgments assessed in any twelve month period are paid in full within five years and that the remaining 10 percent are never paid. The consensus revenue forecast of revenue attributable to collections on traffic violation judgments is based on actual historical collections, and thus the forecast incorporates the Judicial Bureau's historical collection experience. The traffic violation judgments eligible for reduction under subsection (b) of this section will be more than five fiscal years old at the time of the Program. The reduction of such judgments under the Program is expected to have no adverse impact on any of the special or other funds to which collections of traffic violation judgments are deposited.

(b) Traffic violation judgments entered prior to July 1, 2012; exception.

(1) During the Program time period, a person who has not paid in full the amount due on a traffic violation judgment entered prior to July 1, 2012 may apply to the Judicial Bureau for a reduction in the amount due on a form approved by the Court Administrator. Judgments for traffic violations that involve violation of a law specifically governing the operation of commercial motor vehicles shall not be eligible for reduction under the Program. The Program shall not apply to pre-July 1, 1990 criminal traffic offenses.

(2) A person shall be permitted to apply in person or through the mail. The Judicial Bureau may accept applications electronically or by other means.

(3) If a person submits a complete application during the Program time period and the judgment is eligible for reduction under subdivision (1) of this subsection, the Clerk of the Judicial Bureau or designee shall reduce the amount due on the judgment to \$30.00. Amounts paid toward a traffic violation judgment prior to the Judicial Bureau's granting an application under this subsection shall not be refunded or credited toward the amount due under the amended judgment.

(c) Consistent with Sec. 5 of this act, amending 4 V.S.A. § 1109 to direct the Judicial Bureau to provide a more flexible payment plan option, a person who has an amount due on a traffic violation judgment shall not be required to pay more than \$100.00 per month in order to be current on all of his or her traffic violation judgments, regardless of the dates when the judgments were entered. This subsection shall not be limited by the Program time period.

(d) Restoration of driving privileges.

(1) If a person has paid all traffic violation judgments reduced under subsection (b) of this section, and is under a payment plan for any other outstanding traffic violation judgments, the Judicial Bureau shall notify the Department of Motor Vehicles that the person is in compliance with his or her obligations.

(2) Notwithstanding 23 V.S.A. § 675 (fee prior to termination of suspension), the Commissioner of Motor Vehicles shall:

(A) upon receipt of the notice of compliance from the Judicial Bureau and without requiring an application or payment of a reinstatement fee, terminate suspensions arising from nonpayment of a traffic violation judgment of a person described in subdivision (1) of this subsection (d);

(B) during the Program time period and without requiring an application or payment of a reinstatement fee, terminate suspensions arising from nonpayment of a traffic violation judgment of a person who has paid all outstanding traffic violation judgments in full or is in compliance with a Judicial Bureau payment plan prior to December 1, 2016.

(3) If a person described in subdivision (1) or (2)(B) of this subsection fails to make a payment under a payment plan, the Judicial Bureau shall notify the Department of Motor Vehicles if required under 4 V.S.A. § 1109, as amended by Sec. 5 of this act.

(4) This subsection shall not affect pending suspensions other than as specifically described in this subsection.

(e) Public awareness campaign. Prior to the start of the Program, the Agency of Transportation shall commence a campaign to raise public

awareness of the Program, and shall conduct the campaign until the end of the Program. The Judicial Bureau, the Department of Motor Vehicles, and the Agency of Transportation shall prominently advertise the Program on their websites until the Program ends.

(f) Allocation of amounts collected. Amounts collected on traffic violation judgments reduced under subsection (b) of this section shall be allocated in accordance with the Process Review approved by the Court Administrator's Office entitled "Revenue Distributions - Civil Violations" and dated November 3, 2015.

(g) Reporting on Program. On or before the first meeting of the Joint Legislative Justice Oversight Committee that occurs after the end of the Program, the Court Administrator and the Department of Motor Vehicles shall coordinate to report to the Oversight Committee:

(1) all costs associated with running the Program;

(2) the number of traffic violation judgments reduced to \$30.00 under subsection (b) of this section, the total number of these judgments paid, and the total amount collected in connection with payment of the judgments;

(3) the number of persons eligible for a reduced judgment under subsection (b) of this section who did not apply for a reduced judgment;

(4) the number of suspensions terminated, as well as the number of unique persons whose suspensions were terminated, under subdivision (d)(2) of this section; and

(2)(A) In the case of a judgment on a traffic violation for which the imposition of points against the person's driving record is authorized by law, the judgment shall contain a notice that failure to pay or otherwise satisfy the amount due within 30 days of the notice will result in suspension of the person's operator's license or privilege to operate, and that payment plan options are available. If the defendant fails to pay the amount due within 30 days of the notice, or by a later date as determined by a Judicial Bureau clerk or hearing officer, and the case is not pending on appeal, the Judicial Bureau shall provide electronic notice thereof to the Commissioner of Motor Vehicles. After 20 days from the date of receiving the electronic notice, the Commissioner shall suspend the person's operator's license or privilege to

operate for a period of 30 days or until the amount due is satisfied, whichever is earlier.

(B) At minimum, the Judicial Bureau shall offer a payment plan option that allows a person to avoid a suspension of his or her license or privilege to operate by paying no more than \$30.00 per traffic violation judgment per month, and not to exceed \$100.00 per month if the person has four or more outstanding judgments.

(c)(1) Civil contempt proceedings. If an amount due remains unpaid for 75 days after the Judicial Bureau provides the defendant with a notice of judgment, the Judicial Bureau may initiate civil contempt proceedings pursuant to this subsection.

~~(4)~~(2) Notice of hearing. (B) Traffic violations; reduction of amount due. When the judgment is based upon a traffic violation, the hearing officer may reduce the amount due on the basis of the defendant's driving history, ability to pay, or service to the community; the collateral consequences of the violation; or the interests of justice. The hearing officer's decision on a motion to reduce the amount due

(B) In the contempt order, the hearing officer may do one or more of the following:

(iv) Recommend that the Criminal Division of the Superior Court incarcerate the defendant until the amount due is paid. If incarceration is recommended pursuant to this subdivision ~~(4)(c)~~(5), the Judicial Bureau shall notify the Criminal Division of the Superior Court that contempt proceedings should be commenced against the defendant. The Criminal Division of the Superior Court proceedings shall be de novo. If the defendant cannot afford counsel for the contempt proceedings in the Criminal Division of the Superior Court, the Defender General shall assign counsel at the Defender General's expense.

Sec. 5. 30 V.S.A. § 248a is amended to read:

§ 248a. CERTIFICATE OF PUBLIC GOOD FOR COMMUNICATIONS FACILITIES

(a) Certificate. Notwithstanding any other provision of law, if the applicant seeks approval for the construction or installation of telecommunications facilities that are to be interconnected with other telecommunications facilities proposed or already in existence, the applicant may obtain a certificate of public good issued by the Public Service Board under this section, which the Board may grant if it finds that the facilities will promote the general good of the State consistent with subsection 202c(b) of this title. A single application may seek approval of one or more telecommunications facilities. An application under this section shall include a copy of each other State and local permit, certificate, or approval that has been issued for the facility under a statute, ordinance, or bylaw pertaining to the environment or land use.

(b) Definitions. As used in this section:

(1) “Ancillary improvements” means telecommunications equipment and site improvements that are primarily intended to serve a telecommunications facility, including wires or cables and associated poles to connect the facility to an electric or communications grid; fencing; equipment cabinets or shelters; emergency backup generators; and access roads.

(2) “De minimis modification” means the addition, modification, or replacement of telecommunications equipment, antennas, or ancillary improvements on a telecommunications facility or existing support structure, whether or not the structure was constructed as a telecommunications facility, or the reconstruction of such a facility or support structure, provided:

(A) the height and width of the facility or support structure, excluding equipment, antennas, or ancillary improvements, are not increased;

(B) the total amount of impervious surface, including access roads, surrounding the facility or support structure is not increased by more than 300 square feet;

(C) the addition, modification, or replacement of an antenna or any other equipment on a facility or support structure does not extend vertically more than 10 feet above the facility or support structure and does not extend horizontally more than 10 feet from the facility or support structure; and

(D) the additional equipment, antennas, or ancillary improvements on the support structure, excluding cabling, does not increase the aggregate surface area of the faces of the equipment, antennas, or ancillary improvements on the support structure by more than 75 square feet.

(3) “Good cause” means a showing of evidence that the substantial deference required under subdivision (c)(2) of this section would create a substantial shortcoming detrimental to the public good or State’s interests in section 202c of this title.

(4)(A) “Limited size and scope” means:

(i) A new telecommunications facility, including any ancillary improvements, that does not exceed 140 feet in height; or

(ii) An addition, modification, replacement, or removal of telecommunications equipment at a lawfully constructed telecommunications facility or on an existing support structure, and ancillary improvements, that would result in a facility of a total height of less than 200 feet and does not increase the width of the existing support structure by more than 20 feet.

(B) For construction described in subdivision (3)(A) of this subsection to be of limited size and scope, it shall not disturb more than 10,000 square feet of earth. ~~For purposes of~~ As used in this subdivision, “disturbed earth” means the exposure of soil to the erosive effects of wind, rain, or runoff.

(5) “Substantial deference” means that the plans and recommendations referenced under subdivision (c)(2) of this section are presumed correct, valid, and reasonable.

~~(4)(6)~~ “Telecommunications facility” means a communications facility that transmits and receives signals to and from a local, State, national, or international network used primarily for two-way communications for commercial, industrial, municipal, county, or State purposes and any associated support structure that is proposed for construction or installation which is primarily for communications purposes, and any ancillary improvements that are proposed for construction or installation and are

primarily intended to serve the communications facilities or support structure. An applicant may seek approval of construction or installation of a telecommunications facility whether or not the telecommunications facility is attached to an existing structure.

~~(5)~~(7) “Wireless service” means any commercial mobile radio service, wireless service, common carrier wireless exchange service, cellular service, personal communications service (PCS), specialized mobile radio service, paging service, wireless data service, or public or private radio dispatch service.

(c) Findings. Before the Public Service Board issues a certificate of public good under this section, it shall find that:

(1) The proposed facility will not have an undue adverse effect on aesthetics, historic sites, air and water purity, the natural environment, and the public health and safety, and the public’s use and enjoyment of the I-89 and I-91 scenic corridors or of any highway that has been designated as a scenic road pursuant to 19 V.S.A. § 2501 or a scenic byway pursuant to 23 U.S.C. § 162, with due consideration having been given to the relevant criteria specified in 10 V.S.A. §§ 1424a(d) and 6086(a)(1) through (8) and (9)(K). However, with respect to telecommunications facilities of limited size and scope, the Board shall waive all criteria of this subdivision other than 10 V.S.A. § 6086(a)(1)(D)(floodways) and (a)(8)(aesthetics, scenic beauty, historic sites, rare and irreplaceable natural areas; endangered species; necessary wildlife habitat). Such waiver shall be on condition that:

(A) the Board may determine, pursuant to the procedures described in subdivision (j)(2)(A) of this section, that a petition raises a significant issue with respect to any criterion of this subdivision; and

(B) a telecommunications facility of limited size and scope shall comply, at a minimum, with the requirements of the Low Risk Site Handbook for Erosion Prevention and Sediment Control issued by the Department of Environmental Conservation, regardless of any provisions in that handbook that limit its applicability.

(2) Unless there is good cause to find otherwise, substantial deference has been given to ~~the land conservation measures in the plans of the affected municipalities and;~~ to the recommendations of the municipal legislative bodies and the municipal and regional planning commissions regarding the municipal and regional plans, respectively; and to the recommendations of the regional planning commission concerning the regional plan. Nothing in this section or other provision of law shall prevent a municipal body from basing its recommendations to which substantial deference is required under this subdivision (2) on an ordinance adopted under 24 V.S.A. § 2291(19) or bylaw

adopted under 24 V.S.A. chapter 117 by the municipality in which the facility is located. A rebuttable presumption respecting compliance with the applicable plan shall be created by a letter from an affected municipal legislative body or municipal planning commission concerning compliance with the municipal plan and by a letter from a regional planning commission concerning compliance with the regional plan.

(3) If the proposed facility relates to the provision of wireless service, the proposed facility reasonably cannot be collocated on or at an existing telecommunications facility, or such collocation would cause an undue adverse effect on aesthetics.

(A) If a proposed new support structure for a new telecommunications facility that provides wireless service will exceed 50 feet in height in a cleared area or will exceed 20 feet in height above the average treeline measured within a 100-foot radius from the structure in a wooded area, the application shall identify all existing telecommunications facilities within the area to be served by the proposed structure and, for each such existing facility, shall include a projection of the coverage and an estimate of additional capacity that would be provided if the applicant's proposed telecommunications equipment were located on or at the existing facility. The applicant also shall compare each such projection and estimate to the coverage and capacity that would be provided at the site of the proposed structure.

(B) To obtain a finding that a proposed facility cannot reasonably be collocated on or at an existing telecommunications facility, the applicant must demonstrate that:

(i) collocating on or at an existing facility will result in a significant reduction of the area to be served or the capacity to be provided by the proposed facility or substantially impede coverage or capacity objectives for the proposed facility that promote the general good of the State under subsection 202c(b) of this title;

(ii) the proposed antennas and equipment will exceed the structural or spatial capacity of the existing or approved tower or facility, and the existing or approved tower or facility cannot be reinforced, modified, or replaced to accommodate planned or equivalent equipment, at a reasonable cost, to provide coverage and capacity comparable to that of the proposed facility;

Thereupon, the question, Shall the Senate accept and adopt the report of the Committee of Conference?, was decided in the affirmative.

**Rules Suspended; Report of Committee of Conference Accepted and
Adopted on the Part of the Senate**

S. 216.

Pending entry on the Calendar for notice, on motion of Senator Baruth, the rules were suspended and the report of the Committee of Conference on Senate bill entitled:

An act relating to prescription drug formularies.

Was taken up for immediate consideration.

Senator Mullin, for the Committee of Conference, submitted the following report:

To the Senate and House of Representatives:

The Committee of Conference to which were referred the disagreeing votes of the two Houses upon Senate bill entitled:

S. 216. An act relating to prescription drug formularies.

Respectfully reports that it has met and considered the same and recommends that the House recede from its proposal of amendment and that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The General Assembly finds that:

(1) The costs of prescription drugs have been increasing dramatically without any apparent reason.

(2) Containing health care costs requires containing prescription drug costs.

(3) In order to contain prescription drug costs, it is essential to understand the drivers of those costs, as transparency is typically the first step toward cost containment.

Sec. 2. 18 V.S.A. § 4635 is added to read:

§ 4635. PHARMACEUTICAL COST TRANSPARENCY

(a) As used in this section:

(1) “Manufacturer” shall have the same meaning as “pharmaceutical manufacturer” in section 4631a of this title.

(2) “Prescription drug” means a drug as defined in 21 U.S.C. § 321.

(b)(1) The Green Mountain Care Board, in collaboration with the Department of Vermont Health Access, shall identify annually up to 15 prescription drugs on which the State spends significant health care dollars and for which the wholesale acquisition cost has increased by 50 percent or more over the past five years or by 15 percent or more over the past 12 months, creating a substantial public interest in understanding the development of the drugs’ pricing. The drugs identified shall represent different drug classes.

(2) The Board shall provide to the Office of the Attorney General the list of prescription drugs developed pursuant to this subsection and the percentage of the wholesale acquisition cost increase for each drug and shall make the information available to the public on the Board’s website.

(c)(1) For each prescription drug identified pursuant to subsection (b) of this section, the Office of the Attorney General shall require the drug’s manufacturer to provide a justification for the increase in the wholesale acquisition cost of the drug in a format that the Attorney General determines to be understandable and appropriate. The manufacturer shall submit to the Office of the Attorney General all relevant information and supporting documentation necessary to justify the manufacturer’s wholesale acquisition cost increase, which may include:

(A) all factors that have contributed to the wholesale acquisition cost increase;

(B) the percentage of the total wholesale acquisition cost increase attributable to each factor; and

(C) an explanation of the role of each factor in contributing to the wholesale acquisition cost increase.

(2) Nothing in this section shall be construed to restrict the legal ability of a prescription drug manufacturer to changes prices to the extent permitted under federal law.

(d) The Attorney General, in consultation with the Department of Vermont Health Access, shall provide a report to the General Assembly on or before December 1 of each year based on the information received from

manufacturers pursuant to this section. The Attorney General shall also post the report on the Office of the Attorney General's website.

(e) Information provided to the Office of the Attorney General pursuant to this section is exempt from public inspection and copying under the Public Records Act and shall not be released in a manner that allows for the identification of an individual drug or manufacturer or that is likely to compromise the financial, competitive, or proprietary nature of the information.

(f) The Attorney General may bring an action in the Civil Division of the Superior Court, Washington County for injunctive relief, costs, and attorney's fees, and to impose on a manufacturer that fails to provide the information required by subsection (c) of this section a civil penalty of no more than \$10,000.00 per violation. Each unlawful failure to provide information shall constitute a separate violation. In any action brought pursuant to this section, the Attorney General shall have the same authority to investigate and to obtain remedies as if the action were brought under the Consumer Protection Act, 9 V.S.A. chapter 63.

Sec. 3. PRESCRIPTION DRUG FORMULARIES; RULEMAKING

On or before January 1, 2017, the Commissioner of Financial Regulation shall adopt rules pursuant to 3 V.S.A. chapter 25 to require all health insurers that offer health benefit plans to Vermont residents through the Vermont Health Benefit Exchange to provide information to enrollees, potential enrollees, and health care providers about the Exchange plans' prescription drug formularies. The rules shall ensure that the formulary is posted online in a standard format established by the Department of Financial Regulation; that the formulary is updated frequently and is searchable by enrollees, potential enrollees, and health care providers; and that it includes information about the prescription drugs covered, applicable cost-sharing amounts, drug tiers, prior authorization, step therapy, and utilization management requirements.

Sec. 4. 340B DRUG DISPENSING FEES

(a) The Department of Vermont Health Access shall use the same dispensing fee in its reimbursement formula for 340B prescription drugs as the Department uses to pay for non-340B prescription drugs under the Medicaid program.

(b) Notwithstanding the provisions of subsection (a) of this section, the Department is authorized to modify the dispensing fee or reimbursement formula provided to federally qualified health centers and Title X family planning clinics for dispensing 340B prescription drugs to Medicaid beneficiaries.

Sec. 5. 340B DRUG REIMBURSEMENT; REPORT

(a) The Department of Vermont Health Access shall:

(1) determine the formula used by other states' Medicaid programs to reimburse covered entities that use 340B pricing for dispensing prescription drugs to Medicaid beneficiaries;

(2) evaluate the advantages and disadvantages of using the same dispensing fee in its reimbursement formula for 340B prescription drugs as the Department uses to pay for non-340B prescription drugs under the Medicaid program; and

(3) identify the benefits, if any, of 340B drug pricing to consumers, other payers, and the overall health care system.

(b) On or before March 15, 2017, the Department shall report to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance regarding its findings and recommendations, including recommended modifications to Vermont's 340B reimbursement formula, if any, and the financial implications of implementing any recommended modifications.

Sec. 6. OUT-OF-POCKET PRESCRIPTION DRUG LIMITS; 2018 PILOT; REPORTS

(a) The Department of Vermont Health Access shall convene an advisory group to develop options for bronze-level qualified health benefit plans to be offered on the Vermont Health Benefit Exchange for the 2018 plan year, including:

(1) one or more plans with a higher out-of-pocket limit on prescription drug coverage than the limit established in 8 V.S.A. § 4089i; and

(2) two or more plans with an out-of-pocket limit at or below the limit established in 8 V.S.A. § 4089i.

(b) The advisory group shall include at least the following members:

(1) the Commissioner of Vermont Health Access or designee;

(2) a representative of each of the commercial health insurers offering plans on the Vermont Health Benefit Exchange;

(3) a representative of the Office of the Vermont Health Advocate;

- (6) a consumer appointed by Vermont's AIDS services organizations;
- (7) a representative of the American Cancer Society;
- (8) a consumer appointed by the American Cancer Society; and
- (9) a Vermont Health Connect navigator.

(c)(1) The advisory group shall meet at least six times prior to the Department submitting plan designs to the Green Mountain Care Board for approval.

(2) In developing the standard qualified health benefit plan designs for the 2018 plan year, the Department of Vermont Health Access shall present the recommendations of the advisory committee established pursuant to subsection (a) of this section to the Green Mountain Care Board.

(d)(1) Prior to the date on which qualified health plan forms must be filed with the Department of Financial Regulation pursuant to 8 V.S.A. § 4062, a health insurer offering qualified health benefit plans on the Vermont Health Benefit Exchange shall seek approval from the Green Mountain Care Board to modify the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i for one or more nonstandard bronze-level plans. In considering an insurer's request, the Green Mountain Care Board shall provide an opportunity for the advisory group established in subsection (a) of this section, and any other interested party, to comment on the recommended modifications.

(2)(A) Notwithstanding any provision of 8 V.S.A. § 4089i to the contrary, the Green Mountain Care Board may approve modifications to the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i for one or more bronze-level plans for the 2018 plan year only.

(B) For the 2018 plan year, the Department of Vermont Health Access shall certify at least two standard bronze-level plans that include the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i, as long as the plans comply with federal requirements. Notwithstanding any provision of 8 V.S.A. § 4089i to the contrary, the Department may certify one or more bronze-level qualified health benefit plans with modifications to the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i for the 2018 plan year only.

(e)(1) For each individual enrolled in a bronze-level qualified health benefit plan for plan years 2016 and 2017 who had out-of-pocket prescription drug expenditures during the 2016 plan year that met the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i, the health insurer shall, absent an alternative plan selection or plan cancellation by the individual, automatically reenroll the individual in a bronze-level qualified health benefit plan for plan

year 2018 with an out-of-pocket prescription drug limit at or below the limit established in 8 V.S.A. § 4089i.

(2) Prior to reenrolling the individual in a plan pursuant to subdivision (1) of this subsection, the health insurer shall notify the individual of the insurer's intent to reenroll automatically the individual in a bronze-level plan for plan year 2018 with an out-of-pocket prescription drug limit at or below the limit established in 8 V.S.A. § 4089i and of the availability of bronze-level plans with higher out-of-pocket prescription drug limits.

(f)(1) The Director of Health Care Reform in the Agency of Administration, in consultation with the Department of Vermont Health Access and the Office of Legislative Council, shall determine whether the Secretary of the U.S. Department of Health and Human Services has the authority under the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152 (ACA), to waive annual limitations on out-of-pocket expenses or actuarial value requirements for bronze-level plans, or both. On or before October 1, 2016, the Director shall present information to the Health Reform Oversight Committee regarding the authority of the Secretary of the U.S. Department of Health and Human Services to waive out-of-pocket limits and actuarial value requirements, the estimated costs of applying for a waiver, and alternatives to a waiver for preserving the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i.

(2) If the Director of Health Care Reform determines that the Secretary has the necessary authority, then on or before March 1, 2017, the Commissioner of Vermont Health Access, with the Director's assistance, shall apply for a waiver of the cost-sharing or actuarial value limitations, or both, in order to preserve the availability of bronze-level qualified health benefit plans that meet Vermont's out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i.

(g) On or before February 15, 2017, the Department of Vermont Health Access shall provide to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance:

(1) an overview of the cost-share increase trend for bronze-level qualified health benefit plans offered on the Vermont Health Benefit Exchange for the 2014 through 2017 plan years that were subject to the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i;

(2) detailed information regarding lower cost-sharing amounts for selected services that will be available in bronze-level qualified health benefit plans in the 2018 plan year due to the flexibility to increase the out-of-pocket

prescription drug limit established in 8 V.S.A. § 4089i pursuant to subdivision (d)(2) of this section;

(3) a comparison of the bronze-level qualified health benefit plans offered in the 2018 plan year in which there will be flexibility in the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i with the plans in which there will not be flexibility;

(4) information about the process engaged in by the advisory group established in subsection (a) of this section and the information considered to determine modifications to the cost-sharing amounts in all bronze-level qualified health benefit plans for the 2018 plan year, including prior year utilization trends, feedback from consumers and health insurers, Health Benefit Exchange outreach and education efforts, and relevant national studies;

(5) cost-sharing information for standard bronze-level qualified health benefit plans from states with federally facilitated exchanges compared to those on the Vermont Health Benefit Exchange; and

(6) an overview of the outreach and education plan for enrollees in bronze-level qualified health benefit plans offered on the Vermont Health Benefit Exchange.

(h) On or before February 1, 2018, the Department of Vermont Health Access shall report to the House Committee on Health Care and the Senate Committees on Health and Welfare and on Finance;

(1) enrollment trends in bronze-level qualified health benefit plans offered on the Vermont Health Benefit Exchange; and

(2) recommendations from the advisory group established pursuant to subsection (a) of this section regarding continuation of the out-of-pocket prescription drug limit established in 8 V.S.A. § 4089i.

case requirements of the Vermont Administrative Procedure Act. The Board shall issue a final decision within 90 days of the filing of the appeal.

(g) Municipality; determination from DPS; time-limited option. Until July 1, 2018, a municipality whose plan has been confirmed under section 4350 of this title may seek issuance of a determination of energy compliance from the Commissioner of Public Service if it is a member of a regional planning commission whose regional plan has not received such a determination.

(1) The Commissioner shall issue an affirmative determination of energy compliance for the municipal plan on finding that the plan meets the requirements of subsection (c) of this section. The Commissioner's review of the municipal plan shall be for the purpose only of determining whether a determination of energy compliance should be issued because those requirements are met.

(2) A municipality aggrieved by an act or decision of the Commissioner under this subsection may appeal in accordance with the procedures of subsection (f) of this section.

In providing this information, the Director shall be entitled to the assistance of the electric utilities that own electric transmission or distribution systems, or both, located in Vermont, including the ability to obtain from those utilities such publicly available data as the Director considers necessary to discharge his or her duties under this subsection.

Sec. 8. 30 V.S.A. § 202b is amended to read:

§ 202b. STATE COMPREHENSIVE ENERGY PLAN

(a) The Department of Public Service, in conjunction with other State agencies designated by the Governor, shall prepare a State Comprehensive Energy Plan covering at least a 20-year period. The Plan shall seek to implement the State energy policy set forth in section 202a of this title and shall be consistent with the relevant goals of 24 V.S.A. § 4302. The Plan shall include:

Sec. 9. INITIAL IMPLEMENTATION; RECOMMENDATIONS; STANDARDS

(a) On or before November 1, 2016, the Department of Public Service shall publish recommendations and standards in accordance with 24 V.S.A. § 4352 as enacted by Sec. 6 of this act. Prior to issuing these recommendations and standards, the Department shall perform each of the following:

(1) Consult with all persons identified under 30 V.S.A. § 202(d)(1); the Secretaries of Agriculture, Food and Markets, of Commerce and Community Development, of Natural Resources, and of Transportation; and other affected persons.

(2) Post on its website a draft set of initial recommendations and standards.

(3) Provide notice and an opportunity to comment and request a public hearing to all persons listed in 30 V.S.A. § 202(d)(1). The Commissioner may elect to hold one or more public hearings on the Commissioner's own initiative.

(b) In addition to the requirements of Sec. 6 of this act, the standards developed under this section shall address the following elements in a manner consistent with the State energy plans adopted pursuant to 30 V.S.A. §§ 202 and 202b:

(1) analysis of total current energy use across transportation, heating, and electric sectors;

(2) identification and mapping of existing electric generation and renewable resources;

(3) establishment of 2025, 2035, and 2050 targets for energy conservation, efficiency, fuel-switching, and use of renewable energy for transportation, heating, and electricity;

(4) analysis of amount of thermal-sector conservation, efficiency, and conversion to alternative heating fuels needed to achieve these targets;

(5) analysis of transportation system changes and land use strategies needed to achieve these targets;

(6) analysis of electric-sector conservation and efficiency needed to achieve these targets;

(7) pathways and recommended actions to achieve these targets, informed by this analysis;

(8) identification of potential areas for the development and siting of renewable energy resources and of the potential electric generation from such resources in the identified areas, taking into account factors including resource availability, environmental constraints, and the location and capacity of electric grid infrastructure; and

* * * Siting Process; Criteria; Conditions * * *

Sec. 11. 30 V.S.A. § 248 is amended to read:

§ 248. NEW GAS AND ELECTRIC PURCHASES, INVESTMENTS, AND FACILITIES; CERTIFICATE OF PUBLIC GOOD

(a)(1) No company, as defined in section 201 of this title, may:

* * *

(2) Except for the replacement of existing facilities with equivalent facilities in the usual course of business, and except for electric generation facilities that are operated solely for on-site electricity consumption by the owner of those facilities and for hydroelectric generation facilities subject to licensing jurisdiction under the Federal Power Act, 16 U.S.C. chapter 12, subchapter 1:

(A) no company, as defined in section 201 of this title, and no person, as defined in 10 V.S.A. § 6001(14), may begin site preparation for or construction of an electric generation facility or electric transmission facility within the State which is designed for immediate or eventual operation at any voltage; and

(B) no such company may exercise the right of eminent domain in connection with site preparation for or construction of any such transmission or generation facility, unless the Public Service Board first finds that the same will promote the general good of the State and issues a certificate to that effect.

* * *

(4)(A) With respect to a facility located in the State, the Public Service Board shall hold a nontechnical public hearing on each petition for such finding and certificate in at least one county in which any portion of the construction of the facility is proposed to be located.

* * *

(C) At the time of filing its application with the Board, copies shall be given by the petitioner to the Attorney General and the Department of Public Service, and, with respect to facilities within the State, the Department of Health, Agency of Natural Resources, Historic Preservation Division, Agency of Transportation, Agency of Agriculture, Food and Markets, and to the chair or director of the municipal and regional planning commissions and the municipal legislative body for each town and city in which the proposed facility will be located.

* * *

(E) The Agency of Natural Resources shall appear as a party in any proceedings held under this subsection, shall provide evidence and recommendations concerning any findings to be made under subdivision (b)(5) of this section, and may provide evidence and recommendations concerning any other matters to be determined by the Board in such a proceeding.

(F) The following shall apply to the participation of the Agency of Agriculture, Food and Markets in proceedings held under this subsection:

(i) In any proceeding regarding an electric generation facility that will have a capacity greater than 500 kilowatts and will be sited on a tract containing primary agricultural soils as defined in 10 V.S.A. § 6001, the Agency shall appear as a party and provide evidence and recommendations concerning any findings to be made under subdivision (b)(5) of this section on those soils, and may provide evidence and recommendations concerning any other matters to be determined by the Board in such a proceeding.

(ii) In a proceeding other than one described in subdivision (i) of this subsection (4)(F), the Agency shall have the right to appear and participate.

(G) The regional planning commission for the region in which the facility is located shall have the right to appear as a party in any proceedings held under this subsection. The regional planning commission of an adjacent region shall have the same right if the distance of the facility's nearest component to the boundary of that planning commission is 500 feet or 10 times the height of the facility's tallest component, whichever is greater.

(H) The legislative body and the planning commission for the municipality in which a facility is located shall have the right to appear as a party in any proceedings held under this subsection. The legislative body and planning commission of an adjacent municipality shall have the same right if the distance of the facility's nearest component to the boundary of that adjacent municipality is 500 feet or 10 times the height of the facility's tallest component, whichever is greater.

(I) When a person has the right to appear as a party in a proceeding before the Board under this chapter, the person may exercise this right by filing a letter with the Board stating that the person appears through the person's duly authorized representative, signed by that representative.

(J) This subdivision (J) applies to an application for an electric generation facility with a capacity that is greater than 50 kilowatts, unless the facility is located on a new or existing structure the primary purpose of which is not the generation of electricity. In addition to any other information required by the Board, the application for such a facility shall include information that delineates:

(i) the full limits of physical disturbance due to the construction and operation of the facility and related infrastructure, including areas disturbed due to the creation or modification of access roads and utility lines and the clearing or management of vegetation;

(ii) the presence and total acreage of primary agricultural soils as defined in 10 V.S.A. § 6001 on each tract to be physically disturbed in connection with the construction and operation of the facility, the amount of those soils to be disturbed, and any other proposed impacts to those soils;

(iii) all visible infrastructure associated with the facility; and

(iv) all impacts of the facility's construction and operation under subdivision (b)(5) of this section, including impacts due to the creation or modification of access roads and utility lines and the clearing or management of vegetation.

(5) The Board shall adopt rules regarding standard conditions on postconstruction inspection and maintenance of aesthetic mitigation and on decommissioning to be included in certificates of public good for in-state facilities approved under this section. The purpose of these standard conditions shall be to ensure that all required aesthetic mitigation is performed and maintained and that facilities are removed once they are no longer in service.

(6) In any certificate of public good issued under this section for an in-state plant as defined in section 8002 of this title that generates electricity from wind, the Board shall require the plant to install radar-controlled obstruction lights on all wind turbines for which the Federal Aviation Administration (FAA) requires obstruction lights, if the plant includes four or more wind turbines and the FAA allows the use of radar-controlled lighting technology.

(A) Nothing in this subdivision shall allow the Board to approve obstruction lights that do not meet FAA standards.

(B) The purpose of this subdivision is to reduce the visual impact of wind turbine obstruction lights on the environment and nearby properties. The General Assembly finds that wind turbine obstruction lights that remain illuminated through the night create light pollution. Radar-controlled obstruction lights are only illuminated when aircraft are detected in the area, and therefore the use of these lights will reduce the negative environmental impacts of obstruction lights.

(7) When a certificate of public good under this section or amendment to such a certificate is issued for an in-state electric generation facility, the certificate holder within 45 days shall record a notice of the certificate or

amended certificate, on a form prescribed by the Board, in the land records of each municipality in which a facility subject to the certificate is located and shall submit proof of this recording to the Board. The recording under this subsection shall be indexed as though the certificate holder were the grantor of a deed. The prescribed form shall not exceed one page and shall require identification of the land on which the facility is to be located by reference to the conveyance to the current landowner, the number of the certificate, and the name of each person to which the certificate was issued, and shall include information on how to contact the Board to view the certificate and supporting documents.

(b) Before the Public Service Board issues a certificate of public good as required under subsection (a) of this section, it shall find that the purchase, investment, or construction:

(1) With respect to an in-state facility, will not unduly interfere with the orderly development of the region with due consideration having been given to the recommendations of the municipal and regional planning commissions, the recommendations of the municipal legislative bodies, and the land conservation measures contained in the plan of any affected municipality. However:

(A) ~~with~~ With respect to a natural gas transmission line subject to Board review, the line shall be in conformance with any applicable provisions concerning such lines contained in the duly adopted regional plan; and, in addition, upon application of any party, the Board shall condition any certificate of public good for a natural gas transmission line issued under this section so as to prohibit service connections that would not be in conformance with the adopted municipal plan in any municipality in which the line is located;~~and.~~

(B) ~~with~~ With respect to a ground-mounted solar electric generation facility, the facility shall comply with the screening requirements of a municipal bylaw adopted under 24 V.S.A. § 4414(15) or a municipal ordinance adopted under 24 V.S.A. § 2291(28), and the recommendation of a municipality applying such a bylaw or ordinance, unless the Board finds that requiring such compliance would prohibit or have the effect of prohibiting the installation of such a facility or have the effect of interfering with the facility's intended functional use.

(C) With respect to an in-state electric generation facility, the Board shall give substantial deference to the land conservation measures and specific policies contained in a duly adopted regional and municipal plan that has received an affirmative determination of energy compliance under 24 V.S.A. § 4352. In this subdivision (C), "substantial deference" means that a land

conservation measure or specific policy shall be applied in accordance with its terms unless there is a clear and convincing demonstration that other factors affecting the general good of the State outweigh the application of the measure or policy. The term shall not include consideration of whether the determination of energy compliance should or should not have been affirmative under 24 V.S.A. § 4352.

* * *

(5) With respect to an in-state facility, will not have an undue adverse effect on ~~esthetics~~ aesthetics, historic sites, air and water purity, the natural environment, the use of natural resources, and the public health and safety, with due consideration having been given to the criteria specified in 10 V.S.A. §§ 1424a(d) and 6086(a)(1) through (8) and (9)(K), impacts to primary agricultural soils as defined in 10 V.S.A. § 6001, and greenhouse gas impacts.

* * *

(f) However, plans for the construction of such a facility within the State must be submitted by the petitioner to the municipal and regional planning commissions no less than 45 days prior to application for a certificate of public good under this section, unless the municipal and regional planning commissions shall waive such requirement.

(1) Such municipal or regional planning commission may hold a public hearing on the proposed plans. Such commissions shall make recommendations, if any, to the Public Service Board and to the petitioner at least seven days prior to filing of the petition with the Public Service Board.

(2) The petitioner's application shall address the substantive written comments related to the criteria of subsection (b) of this section received by the petitioner within 45 days of the submittal made under this subsection and the substantive oral comments related to those criteria made at a public hearing under subdivision (1) of this subsection.

* * *

(t) Notwithstanding any contrary provision of the law, primary agricultural soils as defined in 10 V.S.A. § 6001 located on the site of a solar electric generation facility approved under this section shall remain classified as such soils, and the review of any change in use of the site subsequent to the construction of the facility shall treat the soils as if the facility had never been constructed. Each certificate of public good issued by the Board for a ground-mounted solar generation facility shall state the contents of this subsection.

Sec. 11a. RULES; PETITION

(a) On or before November 1, 2016, the Department of Public Service shall file a petition for rulemaking with the Public Service Board containing proposed rules to implement 30 V.S.A. § 248(a)(5) (postconstruction inspection of aesthetic mitigation; decommissioning) as enacted by Sec. 11 of this act.

(b) On or before December 15, 2016, the Public Service Board shall file proposed rules to implement 30 V.S.A. § 248(a)(5) with the Secretary of State under 3 V.S.A. § 838. The Board shall finally adopt such rules on or before August 15, 2017, unless such deadline is extended by the Legislative Committee on Administrative Rules pursuant to 3 V.S.A. § 843(c).

* * * Sound Standards; Wind Generation Facilities * * *

Sec. 12. SOUND STANDARDS; WIND GENERATION

(a) On or before July 1, 2017, the Public Service Board (the Board) shall finally adopt rules under 3 V.S.A. chapter 25 regarding sound from wind generation facilities approved under 30 V.S.A. § 248, unless such deadline is extended by the Legislative Committee on Administrative Rules pursuant to 3 V.S.A. § 843(c). In developing these rules, the Board shall consider:

(1) standards that apply to all wind generation facilities;

(2) a methodology for determining sound levels and measurement locations for each such facility on a case-by-case basis; or

(3) standards that apply to one or more categories of wind generation facilities, with a methodology for determining sound levels and measurement locations for other such facilities on a case-by-case basis.

(b) On or before 45 days after the effective date of this section, the Board shall adopt temporary rules on sound levels from wind generation facilities using the process under 3 V.S.A. § 844. The rules shall be effective on adoption and shall apply to applications for such facilities under 30 V.S.A. § 248 filed on or after the effective date of this section. Until the Board adopts temporary rules pursuant to this subsection (b), the Board shall not issue a certificate of public good for a wind generation facility for which an application is filed on or after the effective date of this section.

(1) Rules issued pursuant to this subsection (b) shall be deemed to meet the standard under 3 V.S.A. § 844(a).

(2) With respect to sound levels from wind generation facilities, these rules shall state:

(A) standards that apply to all such facilities;

(B) a methodology for determining sound levels and measurement locations for each such facility on a case-by-case basis; or

(C) standards that apply to one or more categories of such facilities, with a methodology for determining sound levels and measurement locations for other such facilities on a case-by-case basis.

(3) These rules shall not allow sound levels that exceed the lowest maximum decibel levels authorized in any certificate of public good that contains limits on decibel levels issued by the Board for a wind generation facility before the effective date of this section.

(4) Notwithstanding 3 V.S.A. § 844(b), rules adopted pursuant to this subsection (b) shall remain in effect until the earlier of the following:

(A) the effective date of permanent rules finally adopted under subsection (a) of this section; or

(B) the July 1, 2017 deadline stated in subsection (a), as it may be extended pursuant to that subsection.

* * * Preferred Location Pilot; Standard Offer * * *

Sec. 12a. 30 V.S.A. § 8005a is amended to read:

§ 8005a. STANDARD OFFER PROGRAM

* * *

(c) Cumulative capacity. In accordance with this subsection, the Board shall issue standard offers to new standard offer plants until a cumulative plant capacity amount of 127.5 MW is reached.

(1) Pace. Annually commencing April 1, 2013, the Board shall increase the cumulative plant capacity of the standard offer program (the annual increase) until the 127.5-MW cumulative plant capacity of this subsection is reached.

* * *

(D) Pilot project; preferred locations. For one year commencing on January 1, 2017, the Board shall allocate one-sixth of the annual increase to new standard offer plants that will be wholly located in one or more preferred locations other than parking lots or parking lot canopies and, separately, one-sixth of the annual increase of the annual increase to new standard offer plants that will be wholly located over parking lots or on parking lot canopies.

(i) To qualify for these allocations, the plant shall not require the construction of a new substation by the interconnecting retail electricity provider or by increasing the capacity of one or more of the provider's existing

facilities. To qualify for the allocation to plants wholly located over parking lots or on parking lot canopies, the location shall remain in use as a parking lot.

(ii) These allocations shall apply proportionally to the independent developer block and provider block.

(iii) If an allocation under this pilot project is not fully subscribed, the Board in 2017 shall allocate the unsubscribed capacity to new standard offer plants outside the pilot project.

(iv) As used in this subdivision (D), "preferred location" means a site within the State on which a renewable energy plant will be located that is one of the following:

(I) A new or existing structure whose primary use is not the generation of electricity or providing support for the placement of equipment that generates electricity.

(II) A parking lot canopy over a paved parking lot, provided that the location remains in use as a parking lot.

(III) A tract previously developed for a use other than siting a plant on which a structure or impervious surface was lawfully in existence and use prior to July 1 of the year preceding the year in which an application for a certificate of public good under section 248 of this title for the plant is filed or in which the plant seeks an award of a contract under the standard offer program under this section, whichever is earlier. To qualify under this subdivision (III), the limits of disturbance of a proposed renewable energy plant must include either the existing structure or impervious surface and shall not include any headwaters, streams, shorelines, floodways, rare and irreplaceable natural areas, necessary wildlife habitat, wetlands, endangered species, productive forestlands, and primary agricultural soils, all of which are as defined in 10 V.S.A. chapter 151.

(IV) Land certified by the Secretary of Natural Resources to be a brownfield site as defined under 10 V.S.A. § 6642.

(V) A sanitary landfill as defined in 10 V.S.A. § 6602, provided that the Secretary of Natural Resources certifies that the land constitutes such a landfill and is suitable for the development of the plant.

(VI) The disturbed portion of a gravel pit, quarry, or similar site for the extraction of a mineral resource, provided that all activities pertaining to site reclamation required by applicable law or permit condition are satisfied prior to the installation of the plant.

(VII) A specific location designated in a duly adopted municipal plan under 24 V.S.A. chapter 117 for the siting of a renewable

energy plant or specific type or size of renewable energy plant, provided that the plant meets any siting criteria recommended in the plan for the location.

(VIII) A site listed on the National Priorities List (NPL) established under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. chapter 103, if the U.S. Environmental Protection Agency or the Agency of Natural Resources confirms each of the following:

(aa) The site is listed on the NPL.

(bb) Development of the plant on the site will not compromise or interfere with remedial action on the site.

(cc) The site is suitable for development of the plant.

(IX) A new hydroelectric generation facility at a dam in existence as of January 1, 2016 or a hydroelectric generation facility that was in existence but not in service for a period of at least 10 years prior to January 1, 2016 and that will be redeveloped for electric generation, if the facility has received approval or a grant of exemption from the U.S. Federal Energy Regulatory Commission.

* * *

(f) Price. The categories of renewable energy for which the Board shall set standard offer prices shall include at least each of the categories established pursuant to subdivision (c)(2) of this section. The Board by order shall determine and set the price paid to a plant owner for each kWh generated under a standard offer required by this section, with a goal of ensuring timely development at the lowest feasible cost. The Board shall not be required to make this determination as a contested case under 3 V.S.A. chapter 25.

* * *

(5) Price; preferred location pilots. For the period during which the Board allocates capacity to new standard offer plants that will be wholly located in one or more preferred locations as set forth in subdivision (c)(1)(D) of this section, the following shall apply to the price paid to such a plant:

(A) If the Board uses a market-based mechanism under subdivision (1) of this subsection (f) to determine this price for one or both of the two allocations of capacity, the Board shall compare only the proposals of plants that qualify for the allocation.

(B) If the Board uses avoided costs under subdivision (2) of this subsection (f) to determine this price for one or both of the two allocations of capacity, the Board shall apply the definition of "avoided costs" as set forth in subdivision (2)(B) of this subsection with the modification that the avoided

energy or capacity shall be from distributed renewable generation that is sited on a location that qualifies for the allocation.

(C) With respect to the allocation to the new standard offer plants that will be wholly located over parking lots or on parking lot canopies, if the Board receives only one application or multiple applications for plants owned or controlled by the same person as defined in 10 V.S.A. § 6001, the Board shall investigate each application and shall have discretion to reduce the price to be consistent with the standard offer price for plants outside the pilot project using the same generation technology.

* * *

Sec. 12b. STANDARD OFFER PILOT; REPORT

On or before January 15, 2018, the Public Service Board shall file a report with the House Committee on Commerce and Economic Development, the Senate Committee on Finance, and the House and Senate Committees on Natural Resources and Energy on the standard offer pilot project on preferred locations authorized in Sec. 12a of this act. This report shall itemize the size, type of preferred location, generation technology, and cost per kilowatt hour of each application received under the pilot project and shall identify each generation facility approved under the pilot and the price awarded to each such facility.

* * * Net Metering * * *

Sec. 13. 30 V.S.A. § 8010 is amended to read:

§ 8010. SELF-GENERATION AND NET METERING

* * *

(c) In accordance with this section, the Board shall adopt and implement rules that govern the installation and operation of net metering systems.

* * *

(3) The rules shall establish standards and procedures governing application for and issuance or revocation of a certificate of public good for net metering systems under the provisions of section 248 of this title. In establishing these standards and procedures, ~~the rules~~:

(A) The rules may waive the requirements of section 248 of this title that are not applicable to net metering systems, including criteria that are generally applicable to public service companies as defined in this title;

(B) The rules may modify notice and hearing requirements of this title as the Board considers appropriate;

(C) The rules shall seek to simplify the application and review process as appropriate; and, including simplifying the application and review process to encourage group net metering systems when the system is at least 50 percent owned by the customers who receive the bill credits for the electricity generated by the system.

(D) ~~with~~ With respect to net metering systems that exceed 150 kW in plant capacity, shall apply the so-called "Quechee" test for aesthetic impact as described by the Vermont Supreme Court in the case of *In re Halnon*, 174 Vt. 515 (2002) (mem.). The rules and application form shall state the components of this test.

(E) The rules shall not waive or include provisions that are less stringent than the requirements of subdivision 248(a)(4)(J) (required information) of this title.

(F) This subdivision (F) applies to an application for a net metering system with a capacity that is greater than 15 kilowatts, unless the system is located on a new or existing structure the primary purpose of which is not the generation of electricity. With respect to such a system, the rules shall not waive or include provisions that are less stringent than each of the following:

(i) the requirement of subdivision 248(a)(4)(C) of this title to provide a copy of the application to the Agencies of Agriculture, Food and Markets and of Natural Resources; the Department of Public Service; the Division for Historic Preservation; the municipal legislative body; and the municipal and regional planning commissions; and

(ii) the requirements of subsection 248(f) (preapplication submittal) of this title.

* * *

(e) If a hydroelectric generation plant seeking approval as a net metering system is subject to licensing jurisdiction under the Federal Power Act, 16 U.S.C. chapter 12, subchapter 1, the Board shall require the plant to obtain such approval through means other than by application for a certificate of public good under section 248 of this title.

* * * Municipal Electric Utilities; Hydro Facilities;
Renewable Energy Standard * * *

Sec. 14. 30 V.S.A. § 8005(a)(1) is amended to read:

(1) Total renewable energy.

(A) Purpose; establishment. To encourage the economic and environmental benefits of renewable energy, this subdivision establishes, for

the RES, minimum total amounts of renewable energy within the supply portfolio of each retail electricity provider. To satisfy this requirement, a provider may use renewable energy with environmental attributes attached or any class of tradeable renewable energy credits generated by any renewable energy plant whose energy is capable of delivery in New England.

(B) Required amounts. The amounts of total renewable energy required by this subsection shall be 55 percent of each retail electricity provider's annual retail electric sales during the year beginning on January 1, 2017, increasing by an additional four percent each third January 1 thereafter, until reaching 75 percent on and after January 1, 2032.

* * *

(D) Municipal providers; petition. On petition by a provider that is a municipal electric utility serving not more than 6,000 customers, the Board may reduce the provider's required amount under this subdivision (1) for a period of up to three years. The Board may approve one such period only for a municipal provider. The Board may reduce this required amount if it finds that:

(i) the terms or conditions of an environmental permit or certification necessitate a reduction in the electrical energy generated by an in-state hydroelectric facility that the provider owns and that this reduction will require the provider to purchase other renewable energy with environmental attributes attached or tradeable renewable energy credits in order to meet this required amount; and

(ii) this purchase will:

(I) cause the provider to increase significantly its retail rates; or

(II) materially impair the provider's ability to meet the public's need for energy services after safety concerns are addressed, in the manner set forth in subdivision 218c(a)(1)(least cost integrated planning) of this title;

* * * Access to Public Service Board Process * * *

(5) The Working Group shall cease to exist on February 1, 2017.

* * * Regulated Energy Utility Expansion Funds * * *

Sec. 15a . 30 V.S.A. § 218d(d) is amended to read:

(d) Alternative regulation may include such changes or additions to, waivers of, or alternatives to, traditional rate-making procedures, standards, and mechanisms, including substantive changes to rate base-rate of return rate setting, as the ~~board~~ Board finds will promote the public good and will support the required findings in subsection (a) of this section. In addition, the Board shall not allow a company to set aside funds collected from ratepayers for the purpose of supporting a future expansion or upgrade of its transmission or distribution network except after notice and opportunity for hearing and only if all of the following apply:

(1) There is a cost estimate for the expansion or upgrade that the company demonstrates is consistent with the principles of least cost integrated planning as defined in section 218c of this title.

(2) The amount of such funds does not exceed 20 percent of the estimated cost of the expansion or upgrade.

(3) Interest earned on the funds is credited to the ratepayers.

* * * Calculation of Certain Tax Rates * * *

Sec. 9. CALCULATION OF TAX RATES FOR MEMBER TOWNS IN VOLUNTARY SCHOOL GOVERNANCE MERGERS; REPORT

(a) Definitions. As used in this section:

(1) The “five percent provision” means collectively the provisions in 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, and 2015 Acts and Resolves No. 46, limiting a town’s equalized homestead property tax rate increase or decrease, and related household income percentage adjustments, to five percent in a single year during the years in which the corresponding tax rate reductions apply to a new union school district’s equalized unified homestead property rate.

(2) The “tax rate reductions” means collectively the equalized homestead property tax rate reductions, and related household income percentage reductions, provided for voluntary school governance mergers in 2010 Act and Resolves No. 153, 2012 Acts and Resolves No. 156, and 2015 Acts and Resolves No. 46.

(b) Intent.

(1) In 2010 Acts and Resolves No. 153, 2012 Acts and Resolves No. 156, and 2015 Acts and Resolves No. 46, the General Assembly has provided incentives for voluntary school governance merger in the form of equalized homestead property tax rate reductions. Depending upon the provisions of the particular act, the tax rate reductions apply to a new union school district’s equalized unified homestead property tax rate during either the first four or five years in which the district operates.

(2) The General Assembly recognizes that even with tax rate reductions, a member town in a new union school district might have an equalized unified homestead property tax rate that is either higher or lower than its pre-merger rate. As a result, in each of the three cited acts and until a member town reaches the new unified rate, the General Assembly shall ease a member town’s transition to the new unified rate by limiting a town’s equalized homestead property tax rate by the five percent provision. For an accelerated merger under 2012 Acts and Resolves No. 156, Sec. 6, however, if a member town’s pre-merger tax rate is greater than the unified rate, then the town’s rate decreases to the unified rate in the first year of operation and is not limited by the five percent provision.

(3) The five percent provision is not, and has never been, intended to be an incentive that would limit fluctuations in a member town’s equalized homestead property tax rate regardless of the spending decisions a new union school district makes. It is the intent of the General Assembly that any large or

unusual spending increases by a new union school district continue to be reflected in the tax rates of the member towns.

(c) Clarification of a unified rate. In any fiscal year in which tax rate reductions are applied to the equalized homestead property tax rate of a union school district, if the tax rate of a member town is determined to be the same as the new district's equalized homestead property tax rate, then the member town's tax rate shall be the same as the new district's equalized homestead property tax rate and shall not be adjusted pursuant to the five percent provision in Act No. 153, 156, or 46 in that or any subsequent year.

(d) Report. On or before December 15, 2016, the Agency of Education, in consultation with representatives of the Vermont School Boards Association, the VT-National Education Association, and the Vermont Superintendents' Association, shall report to the General Assembly with recommendations on how best to calculate tax rates for member towns whose tax rates are different from the unified rate for the new union school district. As part of the report, the Agency shall request preliminary budget data from all districts to whom the tax rate reductions will apply in fiscal year 2018, and shall report on any large or unusual spending proposals. The Agency shall submit its report to the Senate Committees on Education and on Finance, and the House Committees on Education and on Ways and Means.

* * * Lottery Products * * *

Sec. 9a. 2015 Acts and Resolves No. 57, Sec. 99(15) is amended to read:

(15) Sec. 97 (lottery products) shall take effect July 1, 2016.

* * * Effective Dates * * *

Sec. 10. EFFECTIVE DATES

This act shall take effect on July 1, 2016, except for:

(1) This section and Sec. 9a (lottery effective date) which shall take effect on passage.

(2) Secs. 3 (excess spending exclusion) and 3a (excess spending) which shall take effect on July 1, 2017 and apply to excess spending calculations for fiscal year 2018 and after.

(3) Sec. 5 (data collection) which shall take effect on July 1, 2019.

(4) Sec. 9(c) (calculation at unified rate) which shall take effect on passage and notwithstanding 1 V.S.A. § 214, apply retroactively to any union school district created on or after July 1, 2010.
