Shirley,

I am working on language for H.402. Can you also put me on the schedule for H.393 the financial literacy task force bill? I testified in House Government Operations and offered a change to the bill dealing with the makeup of the task force. My suggested language is as follows:

Current language:

Page 10, line 1, (9):

Two representatives from the Vermont's financial services business community that actively promote financial literacy education to Vermont adults, appointed by the Governor.

VBA recommended change:

Page 10, line 1, (9):

One representative from Vermont's banking industry appointed by the Vermont Bankers Association, one representative from Vermont's credit union industry appointed by the Association of Vermont's Credit Unions

Will be happy to explain to the Committee why we want the change.

Thank you,

Chris

Hi Chris,

I talked to Bill about your not being able to be here for H.402 on Thursday. He said that if you wanted to, you could speak to it on Tuesday, 4/14 and we would work out a time. Also, he and Mike said that if you are looking to have additional language would you please send it to us ahead of time. Thanks.
