Hi Sue,
Can you please forward this to the Committee members? Thanks! Heather

Good afternoon,

I received more information regarding the \$750,000 increase in the budget proposal that appears in the Adult Education and Literacy section of the budget bill. It is a pure coincidence that the value is the same amount as the reduction in Community High School. The \$750,000 that was put in the budget is for growth in the high school completion portion of the AOE Flexible Pathways found in 16 VSA § 943. It does not go to the Adult Education and Literacy program.

Best, Heather
