

Yellow highlighting = Changes from Dr. 2.1

1 H.595

2 Representative Deen of Westminster, on behalf of the Committee on Fish,  
3 Wildlife and Water Resources, moves that the House concur in the Senate  
4 proposal of amendment with the following further proposal of amendment by  
5 striking out all after the enacting clause and inserting in lieu thereof the  
6 following:

7 \* \* \* Surface Water Sources; Potable Water Supply \* \* \*

8 Sec. 1. 10 V.S.A. § 1978(a) is amended to read:

9 (a) The Secretary shall adopt rules, in accordance with 3 V.S.A. chapter 25,  
10 necessary for the administration of this chapter. These rules shall include the  
11 following:

12 \* \* \*

13 (15) Provisions authorizing the use by a residential dwelling of surface  
14 water as a source of a potable water supply permitted under this chapter.

15 Sec. 2. 10 V.S.A. § 1981 is added to read:

16 § 1981. SURFACE WATER SOURCE; POTABLE WATER SUPPLY

17 The Secretary shall approve the use of a surface water as the source of a  
18 potable water supply under this chapter if the following conditions are  
19 satisfied:

20 (1) the building or structure using the surface water as a source is a  
21 single-family residence occupied by the owner of record;

Yellow highlighting = Changes from Dr. 2.1

1           (2) only one single-family residence shall be served by a potable water  
2           supply using a surface water as a source;

3           (3) a single-family residence with a potable water supply using a surface  
4           water as a source shall not be used as the site of a home occupation that  
5           employs persons other than family members and is visited by the public in a  
6           manner or duration that would presume the need for use of a potable water  
7           supply;

8           (4) a professional engineer shall design the potable water supply using a  
9           surface water as a source, including a treatment system for the surface water;

10           (5) only surface waters that meet criteria adopted by the Secretary by  
11           rule are eligible as the source of a potable water supply permitted under this  
12           chapter; and

13           (6) the applicant or permit holder shall comply with other criteria and  
14           requirements adopted by the Secretary by rule for potable water supplies using  
15           a surface water as a source.

16           Sec. 3. SURFACE WATER SOURCE; RULEMAKING

17           The Secretary shall adopt rules to implement 10 V.S.A. § 1981 on or before  
18           July 1, 2017.

Yellow highlighting = Changes from Dr. 2.1

1           \* \* \*Groundwater Testing; Technical Advisory Committee\* \* \*

2           Sec. 4. TECHNICAL ADVISORY COMMITTEE; RECOMMENDATIONS

3           ON GROUNDWATER TESTING

4           (a) The Secretary of Natural Resources shall seek the recommendations of  
5           the Technical Advisory Committee on Wastewater Systems and Potable Water  
6           Supplies regarding whether and how to test for contamination groundwater  
7           sources used by potable water supplies permitted under 10 V.S.A. chapter 64.

8           The recommendations shall address:

9           (1) whether the State should require testing of groundwater sources used  
10          by potable water supplies permitted under 10 V.S.A. chapter 64;

11          (2) if testing is recommended:

12           (A) in what situations or upon what occurrences should testing be  
13          required;

14           (B) from what component of a potable water supply the sample  
15          should be taken, including whether a sample from the wellhead of the potable  
16          water supply is sufficient;

17           (C) who should be authorized to take the sample; and

18           (D) the parameters or contaminants to be tested;

19          (3) any additional issues or requirements that the Technical Advisory  
20          Committee deems relevant to the testing of groundwater sources used by  
21          potable water supplies permitted under 10 V.S.A. chapter 64.

Yellow highlighting = Changes from Dr. 2.1

1           **(b) The Secretary of Natural Resources shall submit the recommendations**  
2           **of the Technical Advisory Committee to the House Committee on Fish,**  
3           **Wildlife and Water Resources and the Senate Committee on Natural Resources**  
4           **and Energy on or before January 15, 2017.**

5                                 \* \* \* Environmental Contingency Fund \* \* \*

6       Sec. **5**. 10 V.S.A. § 1283(b) is amended to read:

7           (b) Disbursements under this subsection may be made for emergency  
8           purposes or to respond to other than emergency situations; provided, however,  
9           that disbursements in response to an individual situation which is not an  
10          emergency situation shall not exceed \$100,000.00 for costs attributable to each  
11          of the subdivisions of this subsection, unless the Secretary has received the  
12          approval of the General Assembly, or the Joint Fiscal Committee, in case the  
13          General Assembly is not in session. Furthermore, the balance in the Fund shall  
14          not be drawn below the amount of \$100,000.00, except in emergency  
15          situations. If the balance of the Fund becomes insufficient to allow a proper  
16          response to one or more emergencies that have occurred, the Secretary shall  
17          appear before the Emergency Board, as soon as possible, and shall request that  
18          necessary funds be provided. Within these limitations, disbursements from the  
19          Fund may be made:

20                                 \* \* \*

Yellow highlighting = Changes from Dr. 2.1

1 (7) to pay costs of management oversight provided by the State for  
2 investigation and cleanup efforts conducted by voluntary responsible parties  
3 ~~where those responsible parties have contributed monies to the Fund pursuant~~  
4 ~~to a written agreement under subsection (f) of this section;~~

5 \* \* \*

6 (9) to pay costs of required capital contributions and operation and  
7 maintenance when the remedial or response action was taken pursuant to  
8 42 U.S.C. § 9601 et seq.;

9 (10) to pay the costs of oversight or conducting assessment of a natural  
10 resource damaged by the release of a hazardous material and being assessed  
11 for damages pursuant to section 6615d of this title; or

12 (11) to pay the costs of oversight or conducting restoration or  
13 rehabilitation or rehabilitation to a natural resource damaged by the release of a  
14 hazardous material and being restored or rehabilitated pursuant to section  
15 6615d of this title.

16 \* \* \* ANR Information Requests; Hazardous Material Releases \* \* \*

17 Sec. 6. 10 V.S.A. § 6615c is added to read:

18 § 6615c. INFORMATION REQUESTS

19 (a)(1) When the Secretary has reasonable grounds to believe that the  
20 Secretary has identified a person who may be subject to liability for a release

Yellow highlighting = Changes from Dr. 2.1

1 or threat of release under section 6615 of this title, the Secretary may require  
2 the person to furnish information related to:

3 (A) The type, nature, and quantity of any commercial chemical  
4 product or hazardous material that has been or is being used, generated,  
5 treated, stored, or disposed of at a facility or transported to a facility.

6 (B) The nature or extent of a release or threatened release of a  
7 hazardous material from a facility.

8 (C) Financial information related to the ability of a person to pay for  
9 or to perform the cleanup or information surrounding the corporate structure, if  
10 any, of such person who may be subject to liability for a release or threat of  
11 release under section 6615 of this title, provided that the person has notified  
12 the Secretary that he or she does not have the ability to pay, refuses to perform,  
13 or fails to respond to a deadline established by section 6615b of this title to  
14 commit to performing a corrective action.

15 (2) A person served with an information request shall respond within  
16 30 days of receipt of the request or by the date specified by the Secretary in the  
17 request, provided that the Secretary may require a person to respond within 10  
18 days of receipt of a request when there is an imminent threat to the  
19 environment or other emergency that requires on expedited response.

20 (3) When the Secretary submits a request for information under this  
21 section, the Secretary shall provide the person who received the request

Yellow highlighting = Changes from Dr. 2.1

1 information regarding the person's right to object or not comply with the  
2 request for information. The information shall include the potential actions  
3 that the Secretary may pursue if the person objects to or does not comply with  
4 the request for information.

5 (b)(1) A person who has received a request under subsection (a) of this  
6 section shall, at the discretion of the Secretary, either:

7 (A) grant the Secretary access, at reasonable times, to any facility,  
8 establishment, place, property, or location to inspect and copy all documents or  
9 records responsive to the request; or

10 (B) copy and furnish to the Secretary all information responsive to  
11 the request at the option and expense of the person or provide a written  
12 explanation that the information has already been provided to the Secretary and  
13 a reference to the permit, enforcement action, or other matter under which the  
14 Secretary obtained the requested information.

15 (2) A person responding to a request under subsection (a) of this section  
16 may assert any privilege under statute, rule, or common law that is recognized  
17 in the State of Vermont to limit access to such information, including the  
18 attorney-client privilege. A person responding to a request for information  
19 under this section shall not assert privileges related to business confidentiality,  
20 including trade secrets, in order to withhold requested information. Any  
21 information that is privileged shall be provided to the Secretary with the

Yellow highlighting = Changes from Dr. 2.1

1 privileged material redacted. The Secretary may require that a person asserting  
2 a privilege under this section provide an index of all privileged information.

3 (c) The Secretary may require any person who has or may have knowledge  
4 of any information listed in subdivision (a)(1) of this section to appear at the  
5 offices of the Secretary and may take testimony and require the production of  
6 records that relate to a release or threatened release of a hazardous material.

7 (d) Any request for information under this section shall be served  
8 personally or by certified mail.

9 (e) A response to a request under this section shall be personally certified  
10 by the person responding to the request that, under penalty of perjury and to  
11 the best of the person's knowledge:

12 (1) the response is accurate and truthful; and

13 (2) the person has not omitted responsive information or will provide the  
14 responsive information according to a production schedule approved by the  
15 Secretary.

16 (f) Information identified as qualifying for the trade secret exemption under  
17 1 V.S.A. § 317(c)(9) and other financial information submitted under this  
18 section shall be confidential and shall not be subject to inspection and copying  
19 under the Public Records Act. A person subject to an information request  
20 under this section shall be responsible for proving that submitted information  
21 qualifies for the trade secret exemption under 1 V.S.A. § 317(c)(9). The

Yellow highlighting = Changes from Dr. 2.1

1 following information is not trade secret information or financial information  
2 for the purposes of this subsection:

3 (1) the trade name, common name, or generic class or category of the  
4 hazardous material;

5 (2) the physical properties of the hazardous material, including its  
6 boiling point, melting point, flash point, specific gravity, vapor density,  
7 solubility in water, and vapor pressure at 20 degrees Celsius;

8 (3) the hazards to health and the environment posed by the hazardous  
9 material, including physical hazards and potential acute and chronic health  
10 hazards;

11 (4) the potential routes of human exposure to the hazardous material at  
12 the facility;

13 (5) the location of disposal of any waste stream at the facility;

14 (6) any monitoring data or analysis of monitoring data pertaining to  
15 disposal activities;

16 (7) any hydrogeologic or geologic data; or

17 (8) any groundwater monitoring data.

18 (g) As used in this section, “information” means any written or recorded  
19 information, including all documents, records, photographs, recordings, e-mail,  
20 correspondence, or other machine readable material.

Yellow highlighting = Changes from Dr. 2.1

1 Sec. 7. 10 V.S.A. § 8005(b) is amended to read:

2 (b) Access orders and information requests.

3 (1) A Superior Court judge shall issue an access order when access has  
4 been refused and the investigator, by affidavit, describes the property to be  
5 examined and identifies:

6 (A) a provision of a permit that authorizes the inspection; or

7 (B) the property as being scheduled for inspection in accordance with  
8 a neutral inspection program adopted by the Secretary or the Natural Resources  
9 Board; or

10 (C) facts providing reasonable grounds to believe that a violation  
11 exists and that an examination of the specifically described property will be of  
12 material aid in determining the existence of the violation.

13 (2) A Superior Court shall issue an order requiring compliance with an  
14 information request submitted pursuant to section 6615c of this title when:

15 (A) the person served with the request fails to respond to the request  
16 in the time frame identified by the Secretary;

17 (B) the Secretary submits, by affidavit, facts providing reasonable  
18 grounds that a release or threatened release has taken place; and

19 (C) the information will be of material aid in responding to the  
20 release or threatened release.

Yellow highlighting = Changes from Dr. 2.1

1           (5) “Injury” means a measurable adverse long-term or short-term change  
2           in the chemical or physical quality or viability of a natural resource resulting  
3           either directly or indirectly from exposure to a release of hazardous material or  
4           exposure to a product of reactions from a release of hazardous materials.

5           (6) “Loss” means a measurable adverse reduction of a chemical or  
6           physical quality or viability of a natural resource.

7           (7) “Natural resource damage assessment” means the process of  
8           collecting, compiling, and analyzing information, statistics, or data through  
9           prescribed methodologies to determine the damages for injuries to a natural  
10          resource.

11          (8) “Natural resources” means fish, wildlife, biota, air, surface water,  
12          groundwater, wetlands, drinking water supplies, or State-held public lands.

13          (9) “Restoring,” “restoration,” “rehabilitating,” or “rehabilitation”  
14          means actions undertaken to return an injured natural resource to its baseline  
15          condition, as measured in terms of the injured resource’s physical, chemical, or  
16          biological properties or the services it had previously provided, when such  
17          actions are in addition to a response action under section 6615 of this title.

18          (10) “Services” means the physical and biological functions performed  
19          by the resource, including the human uses of those functions.

20          (b) Authorization. The Secretary may assess damages against any person  
21          found to be liable under section 6615 of this title for a release of hazardous

Yellow highlighting = Changes from Dr. 2.1

1 material for injury to, destruction of, or loss of a natural resource from the  
2 release. The measure of damages that may be assessed for natural resource  
3 damages shall include the cost of restoring, rehabilitating, replacing, or  
4 acquiring the equivalent of the injured, damaged, or destroyed natural  
5 resources or the services the natural resources provided, compensation for the  
6 interim injury to or loss of natural resources pending recovery, and any  
7 reasonable costs of the Secretary in conducting a natural resource damage  
8 assessment. The Secretary also may seek compensation for the interim injury  
9 to or loss of a natural resource pending recovery of services to the baseline  
10 condition of the natural resource.

11 (c) Rulemaking: methodology. The Secretary shall adopt rules to  
12 implement the requirements of this section, including a methodology by which  
13 the Secretary shall assess and value natural resource damages. The rules shall  
14 include:

15 (1) requirements or acceptable standards for the preassessment of  
16 natural resource damages, including requirements for:

17 (A) notification of the Secretary, natural resource trustees, or other  
18 necessary persons of potential damages to natural resources under investigation  
19 for the coordination of the assessments, investigations, and planning;

20 (B) authorized emergency response to natural resource damages  
21 when immediate action to avoid injury to a natural resource is necessary or a

Yellow highlighting = Changes from Dr. 2.1

1 situation in which there is a similar need for emergency action, and where the  
2 potentially liable party under section 6615 of this title fails to take emergency  
3 response actions requested by the Secretary; and

4 (C) sampling or screening of the potentially injured natural resource;

5 (2) requirements for a natural resource damages assessment plan to  
6 ensure that the natural resource damage assessment is performed in a planned  
7 and systematic manner, including:

8 (A) the categories of reasonable and necessary costs that may be  
9 incurred as part of the assessment plan;

10 (B) the methodologies for identifying and screening costs;

11 (C) the types of reasonably reliable assessment procedures available  
12 to the Secretary, when the available procedures are authorized, and the  
13 requirements of the available procedures;

14 (D) how injury or loss shall be determined and how injury or loss is  
15 quantified; and

16 (E) how damages are measured in terms of the cost of:

17 (i) the restoration or rehabilitation of the injured natural resources  
18 to a condition where they can provide the level of services available at baseline  
19 condition; or

20 (ii) the replacement or acquisition of equivalent natural resources  
21 or services;

Yellow highlighting = Changes from Dr. 2.1

1           (3) requirements for post-natural resource damages assessment,

2           including:

3                   (A) the documentation that the Secretary shall produce to complete  
4           the assessment;

5                   (B) how the Secretary shall seek recovery; and

6                   (C) when and whether the Secretary shall require a restoration  
7           plan; and

8           (4) other requirements deemed necessary by the Secretary for  
9           implementation of the rules.

10           (d) Exceptions. The Secretary shall not seek to recover natural resource  
11           damages under this section when:

12                   (1) the person liable for the release demonstrates that the nature and  
13           degree of the destruction, injury, or loss to the natural resources were identified  
14           in an application for, renewal of, review of, or other environmental assessment  
15           of a permit, certification, license, or other required authorization;

16                   (2) the Secretary authorized the nature and degree of the destruction,  
17           injury, or loss to the natural resource in an issued permit, certification, license,  
18           or other authorization; and

19                   (3) the person liable for the release was operating within the terms of its  
20           permit, certification, license, or other authorization.

Yellow highlighting = Changes from Dr. 2.1

1       (e) Limitations. The natural resource damages authorized under this  
2       section and the requirements for assessment under the rules authorized by this  
3       section shall not limit the authority of the Secretary of Natural Resources to  
4       seek or recover natural resource damages under other State law, federal law, or  
5       common law.

6       (f) Limit on double recovery. The Secretary or other natural resource  
7       trustee shall not recover natural resource damages under this section for the  
8       costs of damage assessment or restoration, rehabilitation, or acquisition of  
9       equivalent resources or services recovered by the Secretary or the other trustee  
10       under other authority of this chapter or other law for the same release of  
11       hazardous material and the same natural resource.

12       (g) Actions for natural resource damages. No action may be commenced  
13       for natural resource damages under this chapter, unless that action is  
14       commenced within six years after the date of the discovery of the loss and its  
15       connection with the release of hazardous material in question.

16       (h) Limit on preenactment damages. There shall be no recovery under this  
17       section for natural resource damages that occurred wholly before the adoption  
18       of rules under subsection (c) of this section.

19       (i) Use of funds. Damages recovered as natural resource damages shall be  
20       deposited in the contingency fund established pursuant to section 1283 of this  
21       title.

Yellow highlighting = Changes from Dr. 2.1

1 Sec. **9**. NATURAL RESOURCE DAMAGES; COMMENCEMENT;

2 ADOPTION

3 (a) The Secretary of Natural Resources shall consult with interested parties  
4 in the adoption of rules under 10 V.S.A. § 6615d. **The Secretary shall convene**  
5 **a working group as part of this consultation. The Secretary shall convene the**  
6 **working group on or before July 1, 2016.**

7 **(b)** On or before February 1, 2017, the Secretary of Natural Resources shall  
8 submit to the Senate and House Committees on Natural Resources and Energy  
9 and the House Committee on Fish, Wildlife and Water Resources a copy of the  
10 draft rules for natural resource damages required under 10 V.S.A. § 6615d for  
11 review **and any recommended amendments to 10 V.S.A. § 6615d for review.**

12 (c) The Secretary of Natural Resources shall commence rulemaking under  
13 10 V.S.A. § 6615d on or before **July 1, 2017.** The Secretary shall adopt rules  
14 under 10 V.S.A. § 6615d on or before **March 1, 2018.**

15 (d) The Secretary of Natural Resources shall not seek natural resource  
16 damages under 10 V.S.A. § 6615d until the rules required under 10 V.S.A.  
17 § 6615d(c) have taken effect.

Yellow highlighting = Changes from Dr. 2.1

1                                   \* \* \* Working Group on Toxic Chemicals \* \* \*

2       Sec. 10. AGENCY OF NATURAL RESOURCES' WORKING GROUP ON  
3                                   TOXIC CHEMICAL USE IN THE STATE

4               (a) Formation. On or before July 1, 2016, the Secretary of Natural  
5               Resources shall establish a working group of interested parties to develop  
6               recommendations for how to improve the ability of the State to:

7                       (1) prevent citizens and communities in the State from being exposed to  
8                       toxic chemicals, hazardous materials, or hazardous wastes;

9                       (2) identify and regulate the use of toxic chemicals or hazardous  
10                      materials that currently are unregulated by the State; and

11                      (3) inform communities and citizens in the State of potential exposure to  
12                      toxic chemicals, including contamination of groundwater, public drinking  
13                      water systems, and private potable water supplies

14               (b) Duties. The Working Group shall:

15                      (1) Identify the existing State or federal programs that establish  
16                      reporting or management requirements regarding the use or generation of a  
17                      toxic substance, hazardous waste, or hazardous material. The Working Group  
18                      shall identify how those programs identify the toxic substance, hazardous  
19                      waste, or hazardous material for regulation and briefly describe the  
20                      management of the waste or substance.

Yellow highlighting = Changes from Dr. 2.1

1           (2) Evaluate the State or federal programs identified in subdivision (1)  
2           of this subsection to determine:

3                   (A) the program’s effectiveness in preventing releases of toxic  
4           substances, hazardous wastes, or hazardous materials;

5                   (B) whether gaps or duplication exists between the programs  
6           that should be addressed to reduce threats to human health and the  
7           environment; and

8                   (C) whether the programs are adequately funded and staffed to meet  
9           their statutory and regulatory purpose.

10           (3) Identify State or federal programs that require a response to the  
11           release to a toxic substance, hazardous waste, or hazardous material and assess  
12           their effectiveness in responding to releases in a manner that minimizes  
13           impacts to human health and the environment.

14           (4) Identify programs in place in other states that address the threat to  
15           human health and the environment from emerging contaminants and assess  
16           their effectiveness in accomplishing those objectives.

17           (5) Evaluate the State of Vermont’s existing sources of publicly  
18           available information about toxic chemicals, including emerging contaminants,  
19           hazardous waste, and hazardous materials in Vermont.

20           (6) Evaluate whether civil remedies under Vermont law are sufficient to  
21           ensure that private individuals are adequately protected from releases of

Yellow highlighting = Changes from Dr. 2.1

1 hazardous materials, hazardous wastes, and toxic chemicals and that persons  
2 responsible for such releases pay for any harm caused.

3 (7) Evaluate the obligations on the Environmental Contingency Fund  
4 established under 10 V.S.A. § 1283 and funding alternatives that would ensure  
5 the long-term solvency of the Fund.

6 (c) The Working Group shall submit a report to the Senate and House  
7 Committees on Natural Resources and Energy and to the House Committee on  
8 Fish, Wildlife and Water Resources with its findings and recommendations on  
9 or before January 15, 2017.

10 \* \* \* Chemicals of High Concern to Children \* \* \*

11 Sec. 11. 18 V.S.A. § 1775 is amended to read:

12 § 1775. DISCLOSURE OF INFORMATION ON CHEMICALS OF HIGH  
13 CONCERN

14 (a) Notice of chemical of high concern to children. ~~Unless the~~  
15 ~~Commissioner adopts by rule a phased-in reporting requirement under section~~  
16 ~~1776 of this title, beginning on July 1, 2016, and biennially thereafter, a Δ~~  
17 manufacturer of a children's product or a trade association representing a  
18 manufacturer of children's products shall submit to the Department the notice  
19 described in subsection (b) of this section for each chemical of high concern to  
20 children in a children's product if a chemical of high concern to children is:

21 \* \* \*

Yellow highlighting = Changes from Dr. 2.1

1        (l) Submission of notice; dates. Unless the Commissioner adopts by rule a  
2        phased-in reporting requirement under section 1776 of this title, a  
3        manufacturer shall submit the notice required under subsection (a) of this  
4        section by:

5                (1) January 1, 2017; and

6                (2) August 31, 2018, and biennially thereafter.

7                \* \* \* Basin Planning; Natural Resources Conservation Council \* \* \*

8        Sec. 12. 10 V.S.A. § 1253(d) is amended to read:

9                (d)(1) Through the process of basin planning, the Secretary shall determine  
10              what degree of water quality and classification should be obtained and  
11              maintained for those waters not classified by the Board before 1981 following  
12              the procedures in sections 1254 and 1258 of this title. Those waters shall be  
13              classified in the public interest. The Secretary shall prepare and maintain an  
14              overall surface water management plan to assure that the State water quality  
15              standards are met in all State waters. The surface water management plan shall  
16              include a schedule for updating the basin plans. The Secretary, in consultation  
17              with regional planning commissions and ~~natural resource conservation districts~~  
18              the Natural Resources Conservation Council, shall revise all 15 basin plans and  
19              update the basin plans on a five-year rotating basis. On or before January 15  
20              of each year, the Secretary shall report to the House Committees on  
21              Agriculture and Forest Products, on Natural Resources and Energy, and on

Yellow highlighting = Changes from Dr. 2.1

1 Fish, Wildlife and Water Resources, and to the Senate Committees on  
2 Agriculture and on Natural Resources and Energy regarding the progress made  
3 and difficulties encountered in revising basin plans. The report shall include a  
4 summary of basin planning activities in the previous calendar year, a schedule  
5 for the production of basin plans in the subsequent calendar year, and a  
6 summary of actions to be taken over the subsequent three years. The  
7 provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not apply  
8 to the report to be made under this subsection.

9 (2) In developing a basin plan under this subsection, the Secretary shall:

10 \* \* \*

11 (G) develop, in consultation with the applicable regional planning  
12 commission, an analysis and formal recommendation on conformance with the  
13 goals and objectives of applicable regional plans;

14 \* \* \*

15 (3) The Secretary shall, contingent upon the availability of funding,  
16 contract with a regional planning commission or the Natural Resources  
17 Conservation Council to assist in or to produce a basin plan under the schedule  
18 set forth in subdivision (1) of this subsection. When contracting with a  
19 regional planning commission or the Natural Resources Conservation Council  
20 to assist in or produce a basin plan, the Secretary may require the regional  
21 planning commission or the Natural Resources Conservation Council to:

Yellow highlighting = Changes from Dr. 2.1

1 (A) conduct any of the activities required under subdivision (2) of  
2 this subsection;

3 (B) provide technical assistance and data collection activities to  
4 inform municipal officials and the State in making water quality investment  
5 decisions;

6 (C) coordinate municipal planning and adoption or implementation of  
7 municipal development regulations to better meet State water quality policies  
8 and investment priorities; or

9 (D) assist the Secretary in implementing a project evaluation process  
10 to prioritize water quality improvement projects within the region to assure  
11 cost effective use of State and federal funds.

12 \* \* \* State Grants; Water Quality Certification \* \* \*

13 Sec. 13. SECRETARY OF ADMINISTRATION; WATER QUALITY

14 STANDARDS CERTIFICATION FOR STATE-FUNDED GRANTS;  
15 REPORT

16 (a) As used in this section:

17 (1) “Applicant” shall include all entities, including businesses in which  
18 the applicant has a greater than 10 percent interest, or land owned or controlled  
19 by the applicant.

20 (2) “Good standing” means the applicant:

Yellow highlighting = Changes from Dr. 2.1

1           (A) is not a named party in any administrative order, consent decree,  
2           or judicial order relating to Vermont water quality standards issued by the  
3           State or any of its agencies or departments; and

4           (B) is in compliance with all federal and State water quality laws and  
5           regulations.

6           (b)(1) The Secretary of Administration shall amend the Standard State  
7           Provisions for Contracts and Grants, referred to as Attachment C to  
8           Administrative Bulletin 5, to require an applicant for a State-funded grant to  
9           certify, under penalty of perjury, that the applicant is in good standing with the  
10           Agency of Natural Resources and the Agency of Agriculture, Food and  
11           Markets.

12           (2) The requirement under this subsection shall allow for an attachment  
13           or include space for an applicant who cannot certify under subdivision (1) of  
14           this subsection to explain the circumstances surrounding the applicant's  
15           inability to certify under subdivision (1) of this subsection.

16           (3) At any time prior to the award of a State-funded grant or during  
17           implementation of a State-funded grant, an applicant shall notify the State  
18           agency or department administering the State-funded grant if the applicant is  
19           no longer in good standing with the Agency of Natural Resources or the  
20           Agency of Agriculture, Food and Markets.

Yellow highlighting = Changes from Dr. 2.1

1       (c) A State agency or department may consider an applicant’s certification  
2       or explanation under subsection (b) of this section in determining whether or  
3       not to award a State-funded grant to the applicant.

4       (d)(1) If a State-funded grant applicant knowingly provides a false  
5       certification or explanation under subsection (b) of this section or fails to  
6       notify the State agency or department administering the State-funded grant if  
7       the applicant is no longer in good standing with the Agency of Natural  
8       Resources or the Agency of Agriculture, Food and Markets as required in  
9       subdivision (b)(3) of this section, the State or its agencies or departments may:

10           (A) seek to recover the grant award; and

11           (B) deny any future grant award to the applicant, based on the false  
12       certification or explanation or failure to notify, for up to five years.

13       (2) In recovering a grant award under this section, the State or its  
14       agencies or departments shall be entitled to costs and expenses, including  
15       attorney’s fees.

16       (e) This section shall not apply to federally funded grants, contracts, or tax  
17       credits or federal or State loan programs.

18       (f) On or before January 15, 2021, the Secretary of Administration shall  
19       submit a report to the House Committees on Fish, Wildlife and Water  
20       Resources and on Commerce and Economic Development and the Senate  
21       Committees on Natural Resources and Energy and on Economic Development,

**Yellow highlighting = Changes from Dr. 2.1**

1 Housing and General Affairs regarding methods to require all economic  
2 development assistance applications to include a certification that the applicant  
3 is not in violation of the requirements of programs enforced by the Agency of  
4 Natural Resources under 10 V.S.A. § 8003(a). The report shall also include  
5 information regarding any enforcement action taken by the State or its agencies  
6 or departments under subsection (d) of this section.

7 \* \* \* Effective Dates \* \* \*

8 Sec. 14. EFFECTIVE DATES

9 (a) This act shall take effect on passage, except that:

10 (1) Sec. 13 (State grants; water quality certification) shall take effect on  
11 July 1, 2016; and

12 (2) Sec. 2 (permitting of surface water sources) shall take effect on  
13 July 1, 2017.
