

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Health Care to which was referred House Bill No. 761
3 entitled “An act relating to cataloguing and aligning health care performance
4 measures” respectfully reports that it has considered the same and recommends
5 that the bill be amended by striking out all after the enacting clause and
6 inserting in lieu thereof the following:

7 Sec. 1. GREEN MOUNTAIN CARE BOARD; PERFORMANCE
8 MEASURES

9 The Green Mountain Care Board shall survey and catalogue all existing
10 performance measures imposed on primary care providers in Vermont. The
11 Board shall develop a plan to align performance measures across programs.
12 The plan’s goal shall be to reduce the administrative burden of reporting
13 requirements for providers while balancing the need to have sufficient
14 measures to measure quality of and access to care adequately. The plan may
15 include the use of information available through existing claims data. The
16 Board shall submit the plan to the Senate Committee on Health and Welfare
17 and to the House Committee on Health Care on or before January 15, 2017.

18 Sec. 2. EFFECTIVE DATE

19 This act shall take effect on July 1, 2016.
