

Sec. E.127.1 RECOMMENDATIONS FOR THE FUTURE OF THE
VERMONT HEALTH BENEFIT EXCHANGE

(a)(1) The Joint Fiscal Office (JFO), in collaboration with one or more independent third parties pursuant to contracts negotiated for that purpose, shall conduct an analysis for the General Assembly on or before December 15, 2016 regarding the current functionality and long-term sustainability of the technology for Vermont Health Connect.

(2) The analysis shall include a review of the outstanding deficiencies in Vermont Health Connect functionality and customer support, an analysis of the Agency of Human Service's plans and actions to address these deficiencies, and a determination as to whether those plans and actions are likely to be effective.

(3) The analysis shall include an evaluation of the feasibility and cost-effectiveness of maintaining Vermont Health Connect either as a stand-alone system or as part of the technology for a larger, integrated eligibility system, including a comparison of these costs to those of other state-based exchanges. This analysis shall include a review of licensing costs and issues as they apply to both the commercial components and the software that make up Vermont Health Connect.

(4) The analysis shall provide a comparison of the costs of alternative approaches required to ensure a sustainable, effective state-based exchange and, to the extent possible, shall provide specific recommendations and action steps for legislative consideration. Alternative approaches shall include any opportunity to build on other states' exchange technology, as well as a fully or partially federally facilitated exchange. Factors to be analyzed include required technological change, ease of transition, short-term and long-term costs for both the transition and the operation of the alternative, and implications for future developments of the Vermont health care system.

(5) Any options presented in this analysis shall be scored based upon the factors in subdivision (a)(4) of this section.

(b) In conducting the analysis pursuant to this section, and in preparing any requests for proposals from independent third parties, the JFO shall consult with health insurers offering qualified health plans on Vermont Health Connect.

(c) The Secretary of Administration, the Secretary of Human Services, and the Chief Information Officer shall provide the JFO access to reviews conducted to evaluate Vermont Health Connect and any other information required to complete this analysis. The Executive Branch shall provide other assistance as needed. If necessary, the JFO shall enter into a memorandum of

understanding with the Executive Branch relating to any reviews or other information that shall protect security and confidentiality.

(d) Of the amounts appropriated in fiscal year 2017 ~~from State funds to the Department of Vermont Health Access for the operation of Vermont Health Connect,~~ the amount of **up to** \$250,000 is transferred from the Department to the JFO for the purpose of implementing this section.
