

S.139, Rep. Donahue amendment

5/1/15

S.139

Representative Donahue of Northfield moves that the House propose to the Senate that the bill be amended in Sec. 29, payment reform and differential payments to providers, as follows:

First: In subdivision (2), following the semicolon, by striking out the word “and”

Second: In subdivision (3), following the word “codes”, by adding “; and”

Third: Prior to the period, by adding a subdivision (4) to read as follows:

(4) the advantages and disadvantages of allowing health care providers to continue to set their own rates for customers without health insurance or other health care coverage
