

Comments from Susan Gretkowski, MVP Health Care, on S.60

Gretkowski, Susan SGretkowski@mvphealthcare.com

As we just discussed, I have a scheduling conference at the GMCB on our 2016 rate hearing at 11am this Friday and will not be in committee. MVP was part of the work group that met last Fall and we are ok with the language as passed the Senate. Please make this part of the record. I also authorize Cory from BCBS to make this statement to the committee on MVP's behalf.
