The Honorable Anne Pugh  
Chair, House Committee on Human Services  
Vermont State House

Dear Representative Pugh,

This letter is in response to your request for information regarding Blue Cross Blue Shield of Vermont's policy concerning coverage of services provided by independent Licensed Alcohol Drug Counselors.

In short, Blue Cross Blue Shield of Vermont does cover services provided by Alcohol and Drug Treatment Counselors who are in our network. Network participation is contingent the counselor meeting all BCBSVT's normal requirements including licensing.

We are happy to provide further information as needed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cory Gustafson'.
