

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Human Services to which was referred Senate Bill No. 9  
3 entitled “An act relating to improving Vermont’s system for protecting  
4 children from abuse and neglect” respectfully reports that it has considered the  
5 same and recommends that the House propose to the Senate that the bill be  
6 amended by striking out all after the enacting clause and inserting in lieu  
7 thereof the following:

8 \* \* \* Legislative Findings \* \* \*

9 Sec. 1. LEGISLATIVE FINDINGS

10 (a) In 2014, the tragic deaths of two children exposed problems with  
11 Vermont’s system intended to protect children from abuse and neglect. This  
12 act is intended to address these problems and implement the recommendations  
13 of the Joint Legislative Committee on Child Protection created by 2014 Acts  
14 and Resolves No. 179, Sec. C.109 and improve our State’s system for  
15 protecting our children to help prevent future tragedies.

16 (b) To better prevent child abuse and neglect, Vermont must invest in  
17 proven strategies to support and strengthen families.

18 (c) To better protect Vermont’s children from abuse and neglect, and to  
19 address the increasing burden of drug abuse and other factors that are ripping  
20 families apart, the General Assembly believes that our State’s child protection

1 system must be focused on the safety and best interests of children,  
2 comprehensive, and properly funded. This system must ensure that:

3 (1) the dedicated frontline professionals, including guardians ad litem,  
4 who struggle to handle the seemingly ever-increasing caseloads have the  
5 support, training, and resources necessary to do their job;

6 (2) children who have suffered abuse and neglect can find safe,  
7 nurturing, and permanent homes, whether with their custodial parents,  
8 relatives, or other caring families and individuals;

9 (3) the most serious cases of abuse are thoroughly investigated and  
10 prosecuted if appropriate;

11 (4) courts have the information and tools necessary to make the best  
12 possible decisions;

13 (5) all participants in the child protection system, from the frontline  
14 caseworker to the judge determining ultimate custody, work together to  
15 prioritize the child's safety and best interests; and

16 (6) an effective oversight structure is established.

17 (d) This act is only the beginning of what must be an ongoing process in  
18 which the House and Senate Committees on Judiciary, the Senate Committee  
19 on Health and Welfare, the House Committee on Human Services, in  
20 consultation with the Senate and House Committees on Appropriations,

1 continue to enhance the statewide approach to the prevention of child abuse  
2 and neglect.

3 \* \* \* Agency of Human Services; Evidence-Informed Models \* \* \*

4 Sec. 2. AGENCY OF HUMAN SERVICES EVIDENCE-INFORMED  
5 MODELS

6 The Secretary of Human Services shall identify and utilize  
7 evidence-informed models of serving families that prioritize child safety and  
8 prevention of child abuse and neglect through early interventions with high risk  
9 families that develop family strengths and reduce the impact of adverse  
10 childhood experiences. The Secretary shall make recommendations in the  
11 FY2017 budget that reflect the utilization of these models.

2 ARTICLE 9. ENFORCEMENT, MODIFICATION, AND TERMINATION  
3 OF POSTADOPTION CONTACT AGREEMENTS

5 POSTADOPTION CONTACT AGREEMENTS

6 (a) An adoptive parent may petition the Court to modify or terminate a  
7 postadoption contact agreement entered into under 33 V.S.A. § 5124 if the  
8 adoptive parent believes the best interests of the child are being compromised  
9 by the terms of the agreement. In an action brought under this section, the  
10 burden of proof shall be on the adoptive parent to show by clear and  
11 convincing evidence that the modification or termination of the agreement is in  
12 the best interests of the child.

13 (b) A former parent may petition for enforcement of a postadoption contact  
14 agreement entered into under 33 V.S.A. § 5124 if the adoptive parent is not in  
15 compliance with the terms of the agreement. In an action brought under this  
16 section, the burden of proof shall be on the former parent to show by a  
17 preponderance of the evidence that enforcement of the agreement is in the best  
18 interests of the child.

19 (c) A disagreement between the parties or litigation brought to enforce or  
20 modify the agreement shall not affect the validity of the termination of parental  
21 rights or the adoption.

1        (d) The Court shall not act on a petition to modify or enforce the agreement  
2        unless the petitioner had in good faith participated or attempted to participate  
3        in mediation or alternative dispute resolution proceedings to resolve the  
4        dispute prior to bringing the petition for enforcement.

5        (e) Parties to the proceeding shall be the individuals who signed the  
6        original agreement created under 33 V.S.A. § 5124. The adopted child, if 14

8        Families shall not be required to be a party to the proceeding and the Court  
9        shall not order further investigation or evaluation by the Department.

10       (f) The Court may order the communication or contact be terminated or  
11       modified if the Court deems such termination or modification to be in the best  
12       interests of the child. In making a best interests determination, the Court may  
13       consider:

14       (1) the protection of the physical safety of the adopted child or other  
15       members of the adoptive family.

16       (2) the emotional well-being of the adopted child;

17       (3) whether enforcement of the agreement undermines the adoptive  
18       parent's parental authority; and

19       (4) whether, due to a change in circumstances, continued compliance  
20       with the agreement would be unduly burdensome to one or more of the parties.

1       (g) A Court-imposed modification of the agreement may limit, restrict,  
2       condition, or decrease contact between the former parents and the child, but in  
3       no event shall a Court-imposed modification serve to expand, enlarge, or  
4       increase the amount of contact between the former parents and the child or  
5       place new obligations on the adoptive parents.

6       (h) No testimony or evidentiary hearing shall be required, although the  
7       Court may, in its discretion, hold a hearing. A hearing held to enforce, modify,  
8       or terminate an agreement for postadoption contact will be confidential.  
9       Documentary evidence or offers of proof may serve as the basis for the Court's  
10       decision regarding enforcement, modification, or termination of an agreement.

11       (i) Failure to comply with the agreement or petitioning the Court to  
12       enforce, modify, or terminate an agreement shall not form the basis for an  
13       award of monetary damages.

14       (j) An agreement for postadoption contact or communication under  
15       33 V.S.A. § 5124 shall cease to be enforceable on the date the adopted child  
16       turns 18 years of age, or upon dissolution of the adoption.
