(1) If a warrant issued pursuant to section 8102 of this title is executed or electronic information is obtained in an emergency under subdivision 8102(b)(4) of this title, a return shall be made within 90 days. Upon certification by a law enforcement officer, an attorney for the State, or any other person authorized by law that an investigation related to the warrant or the emergency is ongoing, a judicial officer may extend the 90-day period for

making the return for an additional period that the judicial officer deems reasonable.

(2) A return made pursuant to this subsection shall identify:

(A) the date the response was received from the service provider;

(B) the quantity of information or data provided; and

(C) the type of information or data provided.

(b) Service.

(1) At the time the return is made, the law enforcement officer who executed the warrant under section 8102 of this section or obtained electronic information under subdivision 8102(b)(4) of this section shall serve a copy of the warrant on the subscriber to the service provider, if known. Service need not be made upon any person against whom criminal charges have been filed related to the execution of the warrant or to the obtaining of electronic information under subdivision 8102(b)(4) of this section.

(2) Upon certification by a law enforcement officer, an attorney for the State, or any other person authorized by law that an investigation related to the warrant is ongoing, a judicial officer may extend the time for serving the return for an additional period that the judicial officer deems reasonable.

(3) Service pursuant to this subsection may be accomplished by:

(a) A defendant in a trial, hearing, or proceeding may move to suppress electronic information obtained or retained in violation of the U.S. Constitution, the Vermont Constitution, or this chapter.

(b) A defendant in a trial, hearing, or proceeding shall not move to suppress electronic information on the ground that Vermont lacks personal jurisdiction over a service provider, or on the ground that the constitutional or statutory privacy rights of an individual other than the defendant were violated.

(c) A service provider who receives a subpoena issued pursuant to this chapter may file a motion to quash the subpoena. The motion shall be filed in the court that issued the subpoena before the expiration of the time period for production of the information. The court shall hear and decide the motion as soon as practicable. Consent to additional time to comply with process under

section 806 of this title does not extend the date by which a service provider shall seek relief under this subsection.

§ 8105. EXECUTION OF WARRANT FOR INFORMATION KEPT BY SERVICE PROVIDER

A warrant issued under this chapter may be addressed to any Vermont law enforcement officer. The officer shall serve the warrant upon the service provider, the service provider's registered agent, or, if the service provider has no registered agent in the State, upon the Office of Secretary of State in accordance with 12 V.S.A. §§ 851–858. § 8106. SERVICE PROVIDER'S RESPONSE TO WARRANT

(a) The service provider shall produce the items listed in the warrant within 30 days unless the court orders a shorter period for good cause shown, in which case the court may order the service provider to produce the items listed in the warrant within 72 hours. The items shall be produced in a manner and format that permits them to be searched by the law enforcement officer.

(b) This section shall not be construed to limit the authority of a law enforcement officer under existing law to search personally for and locate items or data on the premises of a Vermont service provider.

(c) As used in this section, "good cause" includes an investigation into a homicide, kidnapping, unlawful restraint, custodial interference, felony punishable by life imprisonment, or offense related to child exploitation.

§ 8107. CRIMINAL PROCESS ISSUED BY VERMONT COURT; RECIPROCITY

(a) Criminal process, including subpoenas, search warrants, and other court orders issued pursuant to this chapter, may be served and executed upon any service provider within or outside the State, provided the service provider has contact with Vermont sufficient to support personal jurisdiction over it by this State. Notwithstanding any other provision in this chapter, only a service provider may challenge legal process, or the admissibility of evidence obtained pursuant to it, on the ground that Vermont lacks personal jurisdiction over it.

(b) This section shall not be construed to limit the authority of a court to issue criminal process under any other provision of law.

(c) A service provider incorporated, domiciled, or with a principal place of business in Vermont that has been properly served with criminal process issued by a court of competent jurisdiction in another state, commonwealth, territory,

or political subdivision thereof shall comply with the legal process as though it had been issued by a court of competent jurisdiction in this State.

§ 8108. REAL TIME INTERCEPTION OF INFORMATION PROHIBITED

A law enforcement officer shall not use a device which via radio or other electromagnetic wireless signal intercepts in real time from a user's device a transmission of communication content, real time cellular tower-derived location information, or real time GPS-derived location information, except for purposes of locating and apprehending a fugitive for whom an arrest warrant has been issued. This section shall not be construed to prevent a law enforcement officer from obtaining information from an electronic communication service as otherwise permitted by law.
