> Subject: Consider "Under the Influence" for Marijuana bill

>

> Dear Ms. Lowell,

> Would you be the person to get my message to the Judiciary Committee for the review of the marijuana bill?

>

> Do you all read everything that appears in print about this issue? I have given my thoughts to my reps but new aspects keep appearing--things I've never thought of myself.

> Yesterday I read this in the Valley News, another concern--determining a value for "under the influence." Please keep this, too, in mind when debating the legalization of marijuana:
