certificate holder within 45 days shall record a notice of the certificate or		capacity that is greater than 15 kilowatts, the certificate holder within 45 days

Gov. Concern	D.R. 16-1051 (draft 2.1)
"300,000 in planning funds was unintentionally left out of the bill"	shall record a notice of the certificate or amended certificate, on a form prescribby the Board, in the land records of each municipality in which a facility subject the certificate is located and shall submit proof of this recording to the Board. The certificate is located and shall submit proof of this recording to the Board. The prescribed form shall not exceed one page and shall require identification of the land on which the facility is to be located by reference to the conveyance to the current landowner, the number of the certificate, and the name of each person to which the certificate was issued, and shall include information on how to contact the Board to view the certificate and supporting documents.  Sec. 10a. PLANNING SUPPORT; ALLOCATION OF COSTS  (a) During fiscal year 2017, the Commissioner of Public Service, in consultation with the Commissioner of Housing and Community  Development, shall award the amount of \$300,000.00 to regional planning commissions established under 24 V.S.A. chapter 117 and to municipalities for the purpose of providing training under Sec. 10 (training) of this act or assisting municipalities in the implementation of this act.  (b) In awarding funds under this section, the Commissioners shall consider the need and size of a municipality or region and the availability, if any, of other assistance, expertise, or funds to a municipality or region to implement this act.  (c) The Commissioner of Public Service shall allocate costs under subsection (a) of this section to the electric distribution utilities subject to it supervision under Title 30 of the Vermont Statutes Annotated based on the pro rata share of total Vermont retail kilowatt-hour sales for the previous fiscal year. Each of these utilities shall pay its allocation into the State Treasury at such time and in such manner as the Commissioner may direct
funds was unintentionally left	recording under this subsection shall be indexed as though the certificate holder were the grantor of a deed. The prescribed form shall not exceed one page and shall require identification of the land on which the facility is to be located by reference to the conveyance to the current landowner, the number of the certificate, and the name of each person to which the certificate was issued, and shall include information on how to contact the Board to view the certificate and supporting documents.  Sec. 10a. PLANNING SUPPORT; ALLOCATION OF COSTS  (a) During fiscal year 2017, the Commissioner of Public Service, in consultation with the Commissioner of Housing and Community  Development, shall award the amount of \$300,000.00 to regional planning commissions established under 24 V.S.A. chapter 117 and to municipalities for the purpose of providing training under Sec. 10 (training) of this act or assisting municipalities in the implementation of this act.
