1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Agriculture and Forest Products to which was referred
3 House Bill No. 539 entitled “An act relating to establishment of a Pollinator
4 Protection Committee” respectfully reports that it has considered the same and
5 recommends that the bill be amended by striking out all after the enacting
6 clause and inserting in lieu thereof the following:

7 Sec. 1. POLLINATOR PROTECTION COMMITTEE; REPORT

8 (a) Definition. As used in this section, “pollinator” means bees, birds, bats,
9 and other insects or wildlife that pollinate flowering plants.

10 (b) Creation. There is created a Pollinator Protection Committee to:

11 (1) evaluate the causes and occurrences of reduced pollinator
12 populations in the State; and

13 (2) recommend measures the State can adopt to conserve and protect
14 pollinator populations.

15 (c) Membership. The Pollinator Protection Committee shall be composed
16 of the following ten members:

17 (1) the Secretary of Agriculture, Food and Markets or designee;

18 (2) a person who is a beekeeper, appointed by the Governor;

19 (3) a dairy farmer, appointed by the Governor;

20 (4) a person representing a nongovernmental organization advocating
21 the protection of pollinators, appointed by the Governor;

1 (5) a person who is a beekeeper, appointed by the Speaker of the House;

2 (6) a person who is a university employee with expertise in the

3 protection of pollinators, appointed by the Speaker of the House;

4 (7) a tree fruit farmer, appointed by the Speaker of the House;

5 (8) a vegetable farmer, appointed by the Committee on Committees;

6 (9) a person licensed or certified to sell or apply pesticides, herbicides,

7 or other economic poisons in the State, appointed by the Committee on

8 Committees; and

9 (10) a person who owns or operates a greenhouse or plant nursery,

10 appointed by the Committee on Committees.

11 (d) Powers and duties. The Pollinator Protection Committee shall:

12 (1) Evaluate the status in Vermont of the U.S. Department of

13 Agriculture’s five pillars of pollinator health. The five pillars of pollinator

14 health are: pollinator biology; nutrition and habitat; pathogens and pests;

15 pesticide use; and genetics and breeding.

16 (2) Evaluate the effectiveness of pesticide applicator licensing and other

17 pesticide requirements in the State in protecting pollinator health.

18 (3) Evaluate other state or international pesticide regulations that are

19 more protective of pollinator health than the pesticide regulations of Vermont

20 or the U.S. Environmental Protection Agency.

1 (4) Study available education and outreach plans from other states that
2 have been successful in increasing public awareness of pollinator health issues.

3 (5) Evaluate best management practices for application of neonicotinoid
4 pesticides in a manner that avoids harm to pollinators.

5 (6) Identify possible sources of funds for use in the protection of
6 pollinator health.

7 (7) Consider the requirements in 2015 Vt. Acts and Resolves No. 64
8 (State Clean Water Act) regarding buffers along State waters and whether and
9 how areas in buffers or other areas that require perennial vegetation should be
10 encouraged for use as pollinator forage zones or pollinator growing areas.

11 (8) Develop a State pollinator protection plan using the framework and
12 critical elements from the Association of American Pesticide Control Officials
13 Pollinator Protection Plan guidance.

14 (e) Assistance. The Pollinator Protection Committee shall have the
15 administrative, technical, and legal assistance of the Agency of Agriculture,
16 Food and Markets. Upon request of the Committee, the Department of Health,
17 the State Toxicologist, the Agency of Natural Resources, the Agency of
18 Transportation, the University of Vermont Extension Service, or the
19 Department of Forests, Parks and Recreation shall provide technical or
20 professional services related to performance of the powers and duties of the
21 Committee. The Committee may request input or assistance from other

1 stakeholders or organizations that have an interest in pollinator health or the
2 use and regulation of pesticides in the State.

3 (f) Report. On or before January 15, 2017, the Pollinator Protection
4 Committee shall submit a written report to the House Committees on Fish,
5 Wildlife and Water Resources and on Agriculture and Forest Products and the
6 Senate Committees on Natural Resources and Energy and on Agriculture with
7 its findings and any recommendations for legislative action.

8 (g) Meetings.

9 (1) The Secretary of Agriculture, Food and Markets shall call the first
10 meeting of the Committee to occur on or before September 1, 2016.

11 (2) The Committee shall select a chair from among its members at the
12 first meeting.

13 (3) A majority of the membership shall constitute a quorum.

14 (4) The Committee shall cease to exist on February 15, 2017.

15 (h) Reimbursement. Members of the Pollinator Protection Committee shall
16 not be entitled to compensation or reimbursement of expenses for participation
17 in the Committee.

18 Sec. 2. EFFECTIVE DATE

19 This act shall take effect on passage.
