Thanks.

The Treasurer's Office is on board with this as well as long as it includes the "definition" of "financial organization" as well as the use of the term "financial organization" instead of "financial institution" as I sent along here-found on your website:

Thank you Shirley, Representative Botzow, and Representative Marcotte:

The Treasurer's Office approves of the additions to S.138 in "Draft 6.1 on 4.16.15" in regard to ABLE language.

The Treasurer and I will not be available for testimony next Tuesday as we will not be in Montpelier.

If there is anything further that the Chair and Committee are seeking in regard to a further comment from the Treasurer's Office, please inform me and I will be sure to provide information.

Best and thank you.

Hi everyone,

Next Tuesday morning, right after the floor adjourns until noon, Commerce is going to take up S.138 – Sections C. – Vermont Governor's Committee on Employment of People with Disabilities; C.7&8 – Vermont ABLE Savings Program; C.9 - Vermont ABLE Task Force and C.10 – Medicaid for Working People with Disabilities. You can find these sections in S.138, draft 6.1, on our committee information page. Some of you may want or need to talk about one or more sections. If you would let me know of your availability to come to committee, it would be greatly appreciated.

ATTENTION - Please email handouts to the committee assistant before your scheduled meeting date and bring 2 hard copies. Please write your name, organization, date and title on each document.

With few exceptions, any documents a witness submits to a committee or to a committee assistant are open to the public.

In addition, a witness' submission of a document authored by the witness or his or her organization constitutes consent to its posting on the committee's webpage, unless the witness specifically requests that the document not be posted. Although the committee will honor requests not to post such documents on its webpage, once a witness submits a document to the committee, it is a public record and will be subject to public inspection and copying unless exempt under the Public Records Act.
