§ 2957. SPECIAL EDUCATION ADMINISTRATIVE AND JUDICIAL
APPEALS; LIMITATIONS

(e) Except as provided in 20 U.S.C. § 1412(a)(10)(C) or unless a court or hearing officer determines otherwise, where a unilateral placement has been made without offering the supervisory union for the school district of residence ~~being offered~~ a reasonable opportunity to evaluate the child and to develop an individualized education program, reimbursement may not be sought for any costs incurred before the ~~school district~~ supervisory union is offered such an opportunity.

§ 2958. RESIDENTIAL PLACEMENT REVIEW TEAM; RESIDENTIAL
PLACEMENTS

(a) A school district shall notify the parents and the Secretary when it believes residential placement is a possible option for inclusion in a child's individualized education program.

(b) The Secretary may establish from within the Agency a Residential Placement Review Team. At the discretion of the Secretary, other persons not employed by the Agency may be appointed to serve on the Team. The Team shall make every effort to assist ~~school districts~~ supervisory unions and parents

1 in understanding the range of educational options available as early as possible
2 in the planning process for the child. The Team shall:

3 (1) advise ~~school districts~~ supervisory unions on alternatives to
4 residential placement;

5 (2) review each individualized education program calling for residential
6 placement of a student to consider whether the student can be educated in a
7 less restrictive environment;

8 (3) assist ~~school districts~~ supervisory unions in locating cost-effective
9 and appropriate residential facilities where necessary;

10 (4) request a new individualized education program where it believes
11 that appropriate alternatives to residential placement are available; and

12 (5) offer mediation as a means of resolving disputes relating to the need
13 for residential placement or the particular residential facility recommended for
14 a child with a disability.

15 (c) The State Board shall by rule establish policies and procedures for the
16 operations of the Residential Placement Review Team. The rules shall be
17 consistent with federal law and, at minimum, shall include the following:

18 (1) provision for the Secretary to initiate a due process proceeding to
19 challenge the need for residential placement where the team believes that a less
20 restrictive educational placement is both available and appropriate for the child
21 with a disability, and to reimburse the ~~school district~~ supervisory union and the

1 parents or guardian of the child for reasonable costs and attorney’s fees in the
2 event the Secretary does not prevail;

3 (2) provision for technical assistance, a plan for correction, or
4 withholding of funds under this section where a ~~school district~~ supervisory
5 union places a child in a residential facility more expensive than an available
6 and appropriate alternative residential facility; however, such withholding of
7 funds shall not exceed the difference between the cost of the two facilities and
8 the rule shall provide an opportunity for appeal of the withholding; and

9 (3) procedures and timelines to ensure that residential placement of a
10 child with disabilities is not delayed or disrupted so as to adversely affect
11 the child.

12 (d) Whenever a residential placement is determined to be necessary and
13 appropriate for a child with a disability, the Residential Placement Review
14 Team shall include in the child’s individualized education program goals and
15 objectives designed to reintegrate the child into a local school district.

16 (e) Costs for residential placement shall be reimbursed under subchapter 2
17 of this chapter only if the residential facility is approved by the State Board for
18 the purposes of providing special education and related services to children
19 with disabilities.

1 § 2959. RULEMAKING; MEDIATION

2 (a) The State Board shall adopt rules governing the determination of a
3 child's eligibility for special education, accounting and financial reporting
4 standards, program requirements, procedural requirements, and the
5 identification of the ~~district~~ supervisory union or agency responsible for each
6 child with a disability.

7 (b) Subject to rules established by the State Board, the Secretary shall offer
8 mediation to parents, children with disabilities, and districts, supervisory
9 unions, and agencies involved in special education disputes.

10 § 2959a. EDUCATION MEDICAID RECEIPTS

11 (a) It is the intent of the General Assembly that the State of Vermont shall
12 maximize its receipt of federal Medicaid dollars available for reimbursement
13 of medically related services provided to students who are Medicaid eligible.
14 It is further the intent that:

15 (1) each supervisory union identify special education and other students
16 eligible for Medicaid reimbursement and, to the extent possible, submit
17 Medicaid bills for services reimbursement;

18 (2) the Agencies of Education and of Human Services work with local
19 school districts to maximize reimbursements, including services to non-IEP
20 students.

1 (b) A Medicaid Reimbursement Special Fund is established within the
2 Agency of Education. Funds received by the State under this section shall be
3 transferred to the Medicaid Reimbursement Special Fund. The Fund receipts
4 shall be allocated in accordance with this section.

5 (c) At least annually, the Secretary of Education shall pay to each
6 supervisory union submitting Medicaid bills under this section, 50 percent of
7 the reimbursed funds generated by the supervisory union's bill, excluding
8 claims generated by State-placed students. Unless the supervisory union has
9 agreed to use the funds to operate a supervisory unionwide program or to
10 distribute the funds in a different manner, upon receipt, the supervisory union
11 shall distribute the funds to its member school districts based on how the funds
12 were generated. The Secretary may withhold payment due a ~~school district~~
13 supervisory union pursuant to section 2950 of this title for a Medicaid-eligible
14 State-placed student if the ~~school district~~ supervisory union has not submitted a
15 Medicaid claim for reimbursable services for that student.

16 (d) If the amount of Medicaid reimbursement funds received for services
17 provided in the prior State fiscal year exceeds \$25,000,000.00, in addition to
18 the 50 percent of the funds paid to supervisory unions submitting Medicaid
19 bills, 25 percent of the amounts in excess of the \$25,000,000.00 shall be paid
20 into an incentive fund created in the Agency of Education. These funds shall
21 be used for an incentive payment to supervisory unions with student

1 participation rates of over 80 percent in accordance with a formula to be
2 developed by the Agency, in consultation with the Vermont Superintendents
3 Association. For any incentive payments made subsequent to fiscal year 2007,
4 the \$25,000,000.00 threshold of this subsection shall be increased by the
5 percentage increase of the most recent New England Economic Project
6 Cumulative Price Index, as of November 15, for state and local government
7 purchases of goods and services from fiscal year 2005 through the fiscal year
8 for which the payment is being determined, plus an additional one-tenth of one
9 percent.

10 (e) ~~School districts~~ Supervisory unions shall use funds received under this
11 section to pay for reasonable costs of administering the Medicaid claims
12 process, and school districts or supervisory unions shall use funds received
13 under this section for prevention and intervention programs in prekindergarten
14 through grade 12. The programs shall be designed to facilitate early
15 identification of and intervention with children with disabilities and to ensure
16 all students achieve rigorous and challenging standards approved and adopted
17 by the State Board or locally adopted standards. A ~~school district~~ supervisory
18 union shall provide annual written justification to the Secretary of Education of
19 ~~the use of~~ how it or its member districts used the funds. Such annual
20 submission shall show how the funds' use is expressly linked to those
21 provisions of the ~~school district's~~ supervisory union's action plan that directly

1 relate to improving student performance. A ~~school district~~ supervisory union
2 shall include in its annual report the amount of the prior year's Medicaid
3 reimbursement revenues and the use of Medicaid funds consistent with the
4 purposes set forth in this subsection.

5 (f) Up to 30 percent of Medicaid reimbursements received under this
6 section shall be available for administrative costs of the Agencies of Education
7 and of Human Services related to the collection, processing, and reporting of
8 education Medicaid reimbursements and statewide programs. The Secretaries
9 of Education and of Human Services shall expend monies from the Fund only
10 as appropriated by the General Assembly.

11 (g) Remaining reimbursed funds shall be deposited into the Education
12 Fund.

5 (d) If in any fiscal year, a ~~district that maintains a school~~ supervisory union
6 in which a school is maintained does not expend an amount equal to its
7 mainstream salary standard on special education expenditures, the ~~district~~
8 supervisory union may expend the balance, including the matching funds, to
9 provide support and remedial services pursuant to section 2902 or 2903 of this
10 title. A ~~district~~ supervisory union choosing to expend funds in this way shall
11 submit a report describing the services provided and their costs with the final

11 Secretary.

12 (d) [Repealed.]

13 § 2963. SPECIAL EDUCATION EXPENDITURES REIMBURSEMENT

21 compensate for any overpayments or underpayments determined, after review

1 and acceptance of the reports submitted under section 2968 of this title, to have
2 been made in previous periods. Notwithstanding this subsection, failure to
