

1 S.233

2 Representative Shaw of Pittsford moves that the House propose to the  
3 Senate that the Committee of Education’s report on Senate Bill No. 233  
4 entitled “An act relating to amending Act 46” be amended in Sec. 1 by adding  
5 a subsection (d) to read:

6 (d) Notwithstanding any other provision of law, for districts whose  
7 education spending in fiscal year 2017 is less than their education spending in  
8 fiscal year 2016, plus their allowable growth, as defined in 2015 Acts and  
9 Resolves No. 46, Sec. 37, the spending-adjusted education property tax rates  
10 and spending-adjusted income percentages for that district shall not increase  
11 due to the change in the allowable growth percentage in this section. As used  
12 in this section, “education spending” means the same amount used for  
13 education spending to make the calculations in 2015 Acts and Resolves  
14 No. 46, Sec. 37.
