

Whereas the quality and funding of public education is of major concern to Vermonters; and

Whereas it will assist the House in deliberations in meeting the concern of Vermonters by broadening the scope of the House Education Committee; and

Whereas the funding of education cannot be separated from the quality, location and availability of education;

Therefore be it resolved that the description of education issues addressed by the House Education Committee shall be broadened from Arts, libraries, literary and scientific subjects and education to

Shall consider the educational needs of Vermonters in all areas; including the arts, libraries, literary, scientific subjects and the revenue needed and how to raise the revenue to satisfy those needs.
