

## Overnight Lodge/ Base Camp

**Maine Huts & Trails**  
Kingfield, ME

### Profile

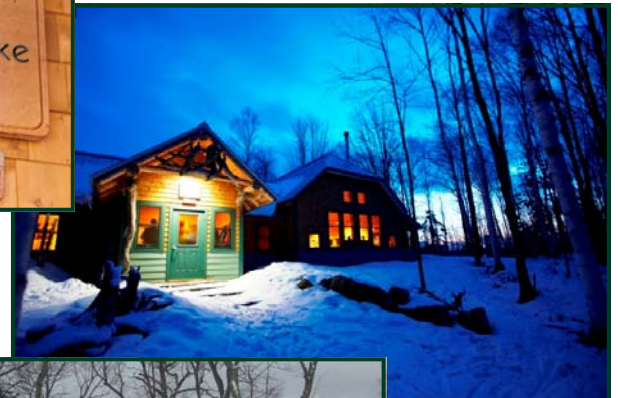

- First four of twelve “green” huts planned along a 180-mile trail system
- Year-round eco-lodges
- Each hut has overnight accommodations for 40+ guests and staff
- Construction sponsored by *New Balance Foundation*, *L.L. Bean*, and private donations

### Challenge

- Protect the environment from polluting discharge
- Provide waste treatment system to handle daily usage from 40+ overnight guests plus numerous daytime visitors
- Create minimal site disturbance to preserve natural landscape

### Solution

- Installed Clivus composting systems with Nepon 3-ounce foam-flush toilets
- Eliminated sewage altogether
- Discharged a high quality effluent to reduced size septic systems
- Reduced wastewater flows dramatically

After an invigorating long day on the trails skiers, hikers, and snowshoers can find all the comforts of home nestled in the natural landscape of the Carrabassett Valley.
