

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on General, Housing and Military Affairs to which was
3 referred House Bill No. 108 entitled “An act relating to electrical installations”
4 respectfully reports that it has considered the same and recommends that the
5 bill be amended by striking out all after the enacting clause and inserting in
6 lieu thereof the following:

7 Sec. 1. 26 V.S.A. chapter 15 is amended to read:

8 CHAPTER 15. ELECTRICIANS AND ELECTRICAL INSTALLATIONS

9 Subchapter 1. General Provisions

10 § 881. DEFINITIONS

11 As used in this chapter, unless the context clearly requires otherwise:

12 (1) “Board” means the ~~electricians’ licensing board~~ Electricians’
13 Licensing Board created under this chapter.

14 (2) “Commissioner” means the Commissioner of Public Safety.

15 (3) “Complex structure” shall have the same meaning as the term
16 “public building” as defined in 20 V.S.A. § 2900(8).

17 (4) “Electrical inspector” means a ~~state~~ State electrical inspector
18 employed pursuant to section 915 of this title.

19 (5) “Electrical installation” means wires, fixtures, or apparatus installed
20 in a ~~complex~~ structure or at the construction site of ~~such a~~ a structure for the

1 transmission and use of commercially supplied or privately generated electrical
2 energy.

3 (6) “Electrician’s helper” means a person assisting in the construction,
4 installation, or repair of an electrical installation under the direct supervision of
5 a master or journeyman electrician who is present at the work site.

6 (7) “Legislative body” means the board of selectmen of a town, the
7 board of aldermen or city council of a city, or the board of trustees of an
8 incorporated village.

9 (8) “Municipal inspector” means an electrical inspector authorized to
10 conduct municipal inspections pursuant to section 898 of this title.

11 (9) “Registered apprentice” means an apprentice registered with the
12 ~~apprenticeship division of the state department of labor~~ Apprenticeship
13 Division for the State Department of Labor for electrical training.

14 (10) “Work notice” means the notice required to be filed under this
15 chapter by an electrician prior to commencement of electrical work.

16 * * *

1 Subchapter 2. Regulation of Electrical Installations by Licensing Board

2 * * *

3 § 893. COMMENCEMENT OF WORK; FEES; WORK NOTICE;

4 INSPECTION OF WORK; CERTIFICATE OF COMPLETION

5 (a) ~~Electrical work in a complex structure~~ A person shall not commence
6 work on an electrical installation in a complex structure until he or she submits
7 a work notice accompanied by the required fee is submitted to the department
8 Department and the ~~work notice is validated by the department~~ Department
9 validates the work notice. There shall be a base fee of \$40.00 for each work
10 notice, except for electrical work done on an electrical installation in one
11 one- and two-family two-family residential dwellings. In addition to the base
12 fee, the Commissioner shall charge the following fees ~~shall be charged:~~

13 (1) Services

14 (A) Temporary—\$30.00.

15 (B) Permanent—1 phase and 3 phase through 400 amp—\$35.00.

16 (C) Permanent—401 to 800 amp—\$50.00.

17 (D) Permanent—801 amp and larger—\$100.00.

18 (2) Transformers

19 (A) 1 to 25 KVA—\$10.00 each.

20 (B) 26 to 75 KVA—\$15.00 each.

21 (C) 76 to 200 KVA—\$25.00 each.

- 1 (D) Over 200 KVA—\$35.00 each.
- 2 (3) Motors and Generators
- 3 (A) Up to 5 hp, KW, KVA—\$10.00 each.
- 4 (B) 5 to 25 hp, KW, KVA—\$10.00 each.
- 5 (C) 25 to 100 hp, KW, KVA—\$15.00 each.
- 6 (D) Over 100 hp, KW, KVA—\$25.00 each.
- 7 (4) Other electrical work
- 8 (A) Each panel and feeder after the main disconnect—\$35.00.
- 9 (B) Outlets for receptacles, switches, fixtures, electric baseboard (per
- 10 50 units or portion thereof)—\$20.00.
- 11 (C) Yard lights, signs—\$5.00 each.
- 12 (D) Fuel oil, kerosene, LP, natural gas, and gasoline pumps—\$15.00
- 13 each.
- 14 (E) Boilers, furnaces, and other stationary appliances—\$10.00 each.
- 15 (F) Elevators—\$75.00 each.
- 16 (G) Platform lifts—\$40.00 each.
- 17 (H) Fire alarm initiating, signaling, and associated devices (per 50
- 18 units or portions thereof)—\$30.00.
- 19 (I) Fire alarm main panel and annunciator panels—\$50.00 each.
- 20 (J) Fire pumps—\$50.00.

1 (5) Reinspection fee. For each reinspection for code violations, there
2 will be a fee of \$125.00.

3 (b) The ~~commissioner~~ Commissioner may establish inspection priorities for
4 electrical inspections. ~~Priorities shall be~~ based on the relative risks to persons
5 and property, the type and size of the complex structure, and the type and
6 number of electrical installations to be installed. Electrical installations
7 regulated by the ~~board~~ Board shall be inspected by the ~~commissioner~~
8 Commissioner or an electrical inspector in accordance with the procedures and
9 priorities established by the ~~commissioner~~ Commissioner.

10 (c) ~~A~~ A person shall not cover an electrical installation in any part of a
11 complex structure ~~shall not be covered~~ unless it is inspected by an electrical
12 inspector. ~~The provisions of this subsection may be specifically waived by an~~
13 ~~electrical inspector~~ or if an electrical inspector waives the inspection
14 requirement in writing. Upon completion of a new electrical installation, the
15 applicant shall request a final inspection by an electrical inspector in writing.
16 Within five working days of receipt of the application, the ~~commissioner~~
17 Commissioner, or inspector, shall conduct an inspection, establish a reasonable
18 date for inspection, or issue a waiver of inspection.

19 (d) ~~A~~ The Commissioner shall issue a certificate of completion ~~shall be~~
20 ~~issued~~ if the ~~commissioner~~ Commissioner or electrical inspector determines

1 after inspection that the electrical installation is in compliance with the
2 standards and requirements adopted by the ~~board~~ Board.

3 (e) ~~No part of a complex structure, in which part a new electrical~~
4 ~~installation has been made, shall be sold or conveyed for use or occupancy~~ A
5 person shall not sell, convey, occupy, or use any part of a complex structure in
6 which an electrical installation has been installed without first securing a
7 certificate of completion for the new electrical installation.

8 (f) The ~~commissioner~~ Commissioner or an inspector designated by the
9 ~~commissioner~~ Commissioner shall have authority to enter any premises in
10 which an electrical installation subject to the rules of the ~~board~~ Board is being
11 or has been installed, replaced, or repaired for the purpose of making ~~such an~~
12 inspection as is necessary to carry out his or her responsibilities under this
13 subchapter. If the owner or occupant of the premises refuses to permit entry by
14 the ~~commissioner~~ Commissioner, or an electrical inspector, any ~~superior court~~
15 Superior Court, on application of the ~~commissioner~~ Commissioner, shall have
16 jurisdiction to issue an order enforcing such right of entry.

17 (g) The Board may use its authority to adopt rules under section 891 of this
18 title to apply the requirements of this section to electrical installations in
19 one- and two-family residential dwellings.

1 § 894. ENERGIZING INSTALLATIONS; REENERGIZING AFTER
2 EMERGENCY DISCONNECTION

3 (a) A person shall not connect a new electrical installation in or on a
4 complex structure or an electrical installation used for the testing or
5 construction of a complex structure shall not be connected or caused to be
6 connected, to a source of electrical energy unless the Commissioner or an
7 electrical inspector issues a temporary or permanent energizing permit prior to
8 such the connection, either a temporary or a permanent energizing permit is
9 issued for that installation by the commissioner or an electrical inspector.

10 (b)(1) A person shall not connect an existing electrical installation that was
11 disconnected as the result of an emergency to a source of electrical energy until
12 a licensed journeyman electrician or licensed master electrician inspects the
13 electrical installation and determines the installation to be safe.

14 (2) This subsection does not apply to the use of a generator due to an
15 external loss of power.

16 (c) This section shall not be construed to limit or interfere with a
17 contractor's right to receive payment for electrical work for which a certificate
18 of completion has been granted.

19 * * *

1 § 899. PRIVATE INSPECTIONS

2 (a) Upon a determination that the resources of the ~~state~~ State and the
3 municipality are insufficient to provide the approval or inspection services
4 required by this chapter, the ~~commissioner~~ Commissioner may assign
5 responsibility for inspecting electrical installations on its own premises to a
6 ~~private corporation, partnership, or sole proprietorship~~ person that has an
7 ongoing need for services. Applications to conduct private inspections under
8 this section shall be in the manner prescribed by the ~~commissioner~~
9 Commissioner.

10 (b) The ~~commissioner~~ Commissioner may grant an application under this
11 section if he or she determines that the applicant has the ability to carry out
12 inspections. The ~~commission~~ Commissioner shall consider at least the
13 following factors:

14 (1) the size of the facility;

15 (2) self-insurance or other indication of incentive and motivation for
16 safety;

17 (3) whether the applicant's training program for inspectors and
18 inspection procedures are at least equivalent to the ~~state's~~ State's program and
19 procedures.

20 (c) A person authorized to perform private inspections under this section
21 shall:

1 (1) participate in ~~state-sponsored~~ State-sponsored training programs;

2 (2) file monthly reports with the ~~commissioner~~ Commissioner
3 containing the number and type of inspections, electrical installations,
4 violations for that month, and the license numbers of the electrical contractors
5 performing work;

6 (3) permit electrical inspectors to perform random inspections of the
7 applicant’s facility;

8 (4) pay the ~~department~~ Department an annual flat fee. The amount of
9 the fee shall be negotiated by the ~~department~~ Department and the applicant and
10 shall take into consideration the cost to the applicant of conducting private
11 inspections. The fee shall not exceed the fee established under section 893 of
12 this title.

13 (d) The ~~commissioner~~ Commissioner may revoke an approval to conduct
14 private inspections whenever the ~~commissioner~~ Commissioner determines that
15 the training program is insufficient or that the business has failed to comply
16 with the provisions of subdivisions (c)(1)–(3) of this section.

17 Subchapter 3. Licensing Electricians

18 * * *

19 § 904. TYPE-S JOURNEYMAN ELECTRICIAN

20 (a) To be eligible for licensure as a type-S journeyman, an applicant shall:

1 (1) complete an accredited training and experience program recognized
2 by the ~~board~~ Board; or

3 (2) have had training and experience, within or ~~without~~ outside this ~~state~~
4 State, acceptable to the ~~board~~ Board; and

5 (3) pass an examination to the satisfaction of the ~~board~~ Board in one or
6 more of the following fields:

7 (A) ~~Automatic~~ automatic gas or oil heating;

8 (B) ~~Outdoor~~ outdoor advertising;

9 (C) ~~Refrigeration~~ refrigeration or air conditioning;

10 (D) ~~Appliance~~ appliance and motor repairs;

11 (E) ~~Well~~ well pumps;

12 (F) ~~Farm~~ farm equipment;

13 (G) solar installations;

14 (H) ~~Any miscellaneous specified~~ an area of specialized competence
15 specified by the Commissioner.

16 (b) Upon successful completion of the examination and payment of the
17 required fee for each field in which a license is to be issued, the applicant shall
18 receive a license in the form of a wallet-size card which shall be carried at all
19 times while performing his or her trade and shall be displayed upon request.
20 Upon request of the licensee and upon payment of the required fee, the ~~board~~
21 Board shall issue a license certificate suitable for framing.

§ 906. QUALIFIED OUT-OF-STATE LICENSEES; EXAMINATIONS NOT REQUIRED

~~Licenses shall be issued without examination on payment of the required fee.~~ A The Commissioner shall issue a master's or, journeyman's, or type-S journeyman's license, as the case may be, shall be issued without examination on payment of the required fee to a person to whom a master electrician's license or a, journeyman electrician's, or substantially equivalent type-S journeyman's license has been previously issued by another state, whose provided that:

(1) the issuing State has adopted standards that are equivalent to those of this state, State; and

(2) if under the laws or regulations of the state issuing the license a similar privilege is granted to electricians licensed under the laws of this state State.

§ 907. RECOGNITION OF EXPERIENCE IN OR OUT OF STATE

~~The board~~ Board, in determining the qualifications of an applicant for a license, may in its discretion give recognition;

(1) in the case of an application for a master's license, to the applicant's experience as a licensed journeyman in another state, or;

1 experience within or outside Vermont, recognition of other states' or national
2 accreditation or licensure standards, and other relevant issues.

3 (c) On or before January 15, 2016, the Department shall report on the
4 results of the stakeholder engagement process to the House Committee on
5 General, Housing and Military Affairs and to the Senate Committee on
6 Economic Development, Housing and General Affairs.

7 Sec. 3. EFFECTIVE DATES

8 This act shall take effect on July 1, 2015, except that the amendments to
9 26 V.S.A. § 910 in Sec. 1 shall take effect on July 1, 2017.
