

“I voted for the Burlington gun safety Charter Changes in 2014 and that there is nothing in the current three bills that change their intent and therefore it would be a waste of time and money to require a re-vote in Burlington on these important life safety Charter Changes. Instead, I want swift action to move H. 566,H.567 and H.568 out of committee and onto the House floor for a vote.”

Respectfully,
Julia Boynton;
