9 submitted, and in the event that the failure continues for one year, all the
10 beneficiary's rights in and to his or her pension and any pending reemployment
11 rights under this section may be revoked by the ~~board~~ Board. Notwithstanding
12 any provision of this section to the contrary, if the beneficiary's earned income
13 for the preceding year exceeded the difference between the beneficiary's
14 retirement allowance and his or her average final compensation at retirement,
15 the beneficiary shall refund the portion of the preceding year's retirement
16 allowance that is equal to the amount of the reduction specified in subsection
17 (b) of this section, and the refund amount may be offset against the
18 beneficiary's monthly pension benefits. Prior to suspension or revocation of

1 (2) to the extent that such decrease is greater than such subsequent
2 year's increase, such decrease shall be offset in the same manner against two

12 increased ~~or decreased, as the case may be,~~ by an amount equal to one-half of

17 amount equal ~~percentage of the Consumer Price Index for the preceding year~~
