13 (b) The Green Mountain Care Board shall ~~develop~~ identify annually, in
14 collaboration with the Department of Vermont Health Access, a list of
15 specific 15 prescription drugs on which the State spends significant health care
16 dollars, creating a substantial public interest in understanding the development
17 of the drugs’ pricing. The drugs identified shall represent different drug
18 classes, with five of the drugs being generic drugs, five brand-name drugs,
19 and five specialty drugs.

20 (c)(1) For each prescription drug ~~that the Green Mountain Care Board~~
21 places on the list developed identified pursuant to subsection (b) of this

1 section, the Board shall require the drug’s manufacturer to report the following
2 information by drug name:

3 (A) the number of years the drug has been available for purchase in
4 the United States;

5 (B) the year the patent for each formulation of the drug was
6 approved and the number of years remaining, if any, on the patent for each
7 formulation of the drug;

8 (C) the total research and development costs paid by the
9 manufacturer over the preceding seven years and, separately and to the extent
10 the manufacturer has the information, the total research and development costs
11 paid by any predecessor and by any third party, public or private, in the
12 development of the drug, showing both the total amounts spent on research and
13 development by the manufacturer, its predecessors, and third parties over time
14 and the amounts spent by each per year as well as any amounts from federal,
15 State, or other governmental programs and any form of subsidies, grants, tax
16 credits, or other support;

17 (D) the costs of clinical trials and other regulatory costs paid by the
18 manufacturer over the preceding seven years by year and by clinical trial
19 phase and, separately and to the extent the manufacturer has the information,

6 ~~order pharmacies~~ for distribution in Vermont during the previous year, ~~net of~~
7 ~~rebates and of other payments from the manufacturer to the pharmacy~~
8 ~~benefit manager and the pharmacy benefit manager to the manufacturer.~~

9 (2) The manufacturer may provide to the Board any additional
10 information the manufacturer believes may be pertinent to the Board's
11 complete understanding of the costs related to developing and
12 manufacturing the drug or to the drug's price, such as costs related to
13 acquisition of the drug.

14 (3) ~~The reported information shall be audited by an independent,~~
15 ~~third-party auditor prior to filing~~ The manufacturer shall certify, subject
16 to the penalties of perjury, that the information provided is truthful,
17 accurate, and complete.

18 (d) The Green Mountain Care Board shall provide a report to the General
19 Assembly on or before December 1 of each year ~~describing based on~~ the
20 information received from manufacturers pursuant to this section.

1 (1) The ~~Board shall review and analyze~~ report shall be based on the
2 Board's review and analysis of the data. The Board shall aggregate the data
3 to determine trends in components of drug production costs, and ~~determine~~
4 whether the data suggest the need for shall provide recommendations for
5 legislative, administrative, or other policy changes.

6 (2) The Board shall report aggregated data by drug class in a
7 manner that maximizes the utility of the data while protecting the
8 financial, competitive, or proprietary nature of the information.

9 (3) The report shall include a statement ~~the total cost to the State of~~
10 Vermont of total State spending for the year for each drug identified
11 pursuant to subsection (a) of this section paid for through the State Employees
12 Health Benefit Plan, Medicaid, VPharm, and any other State program for the
13 purchase of prescription drugs, as well as the number of prescriptions for
14 each drug dispensed to individuals enrolled in these programs.
