FISCAL NOTE

Date: 3/16/15

Prepared by: Nolan Langweil

H. 20 – An act relating to licensed alcohol and drug abuse counselors as participating providers in Medicaid

The Bill proposes to allow licensed alcohol and drug abuse counselors (LADCs) who are in private practice to participate in Medicaid. According to officials from both the Department of Health and the Department of Vermont Health Access, these costs are minimal and can be absorbed within their existing budgets.

Fiscal impact = no additional appropriation required.
