Dear Rep. Grad,

I hope you'll read my latest op-ed over at VT Digger that addresses four areas of the bill where the House could make important improvements, and make the bill more economically, environmentally and socially sustainable.

<http://vtdigger.org/2016/03/09/dave-silberman-improving-s-241-to-better-serve-all-vermonters/>

I would be pleased to speak with you about any of these issues in greater detail, and/or come testify if you feel it would be helpful.

With best regards,
Dave
