

Child Endangerment/Failure to Protect Laws

August 2014

Summary of Content

Child endangerment and failure to protect laws create criminal offenses for subjecting minor children to inappropriate or dangerous situations. For example in California a person “having the care or custody of any child [who]... permits that child to be placed in a situation where his or her person or health is endangered, shall be punished by imprisonment.”¹ Other state statutes specify types of dangerous situations that must be avoided. For example the Alaska criminal code creates a duty not to leave the child with a non-parent registered sex offender, or continue to leave the child with someone who the guardian knows has previously physically mistreated or had sexual contact with the child.²

This document is a comprehensive compilation of child endangerment statutes from U.S. state, territorial, and the federal jurisdictions. The author purposefully excluded criminal neglect statutes that only codify a parent’s duty to provide food, shelter, clothing, educational needs, and medical need to a child as well as hyperthermia statutes that penalize leaving children in cars unattended. Those statutes are included in separate compilations. This compilation is up-to-date as of the month it was created. However, please note that we recommend checking both case law and current legislation for any possible modifications to the statutes listed below.

IOWA

Iowa Code § 726.6 (2014). CHILD ENDANGERMENT

1. A person who is the parent, guardian, or person having custody or control over a child or a minor under the age of eighteen with a mental or physical disability, or a person who is a member of the household in which a child or such a minor resides, commits child endangerment when the person does any of the following:

a. Knowingly acts in a manner that creates a substantial risk to a child or minor's physical, mental or emotional health or safety.

b. By an intentional act or series of intentional acts, uses unreasonable force, torture or cruelty that results in bodily injury, or that is intended to cause serious injury.

c. By an intentional act or series of intentional acts, evidences unreasonable force, torture or cruelty which causes substantial mental or emotional harm to a child or minor.

d. Willfully deprives a child or minor of necessary food, clothing, shelter, health care or supervision appropriate to the child or minor's age, when the person is reasonably able to make the necessary provisions and which deprivation substantially harms the child or minor's physical, mental or emotional health. For purposes of this paragraph, the failure to provide specific medical treatment shall not for that reason alone be considered willful deprivation of health care if the person can show that such treatment would conflict with the tenets and practice of a recognized religious denomination of which the person is an adherent or member. This exception does not in any manner restrict the right of an interested party to petition the court on behalf of the best interest of the child or minor.

e. Knowingly permits the continuing physical or sexual abuse of a child or minor. However, it is an affirmative defense to this subsection if the person had a reasonable apprehension that any action to stop the continuing abuse would result in substantial bodily harm to the person or the child or minor.

f. Abandons the child or minor to fend for the child or minor's self, knowing that the child or minor is unable to do so.

g. Knowingly permits a child or minor to be present at a location where amphetamine, its salts, isomers, or salts of isomers, or methamphetamine, its salts, isomers, or salts of isomers, is manufactured in violation of section 124.401, subsection 1, or where a product is possessed in violation of section 124.401, subsection 4.

h. Knowingly allows a person custody or control of, or unsupervised access to a child or a minor after knowing the person is required to register or is on the sex offender registry as a sex offender under chapter 692A. However, this paragraph does not apply to a person who is a parent or guardian of a child or a minor, who is required to register as a sex offender, or to a person who is married to and living with a person required to register as a sex offender.

2. A parent or person authorized by the parent shall not be prosecuted for a violation of subsection 1, paragraph "f", relating to abandonment, if the parent or person authorized by the parent has voluntarily released custody of a newborn infant in accordance with section 233.2.

3. For the purposes of subsection 1, "person having control over a child or a minor" means any of the following:

a. A person who has accepted, undertaken, or assumed supervision of a child or such a minor from the parent or guardian of the child or minor.

b. A person who has undertaken or assumed temporary supervision of a child or such a minor without explicit consent from the parent or guardian of the child or minor.

c. A person who operates a motor vehicle with a child or such a minor present in the vehicle.

4. A person who commits child endangerment resulting in the death of a child or minor is guilty of a class "B" felony. Notwithstanding section 902.9, subsection 1, paragraph "b", a person convicted of a violation of this subsection shall be confined for no more than fifty years.

5. A person who commits child endangerment resulting in serious injury to a child or minor is guilty of a class "C" felony.

6. A person who commits child endangerment resulting in bodily injury to a child or minor or child endangerment in violation of subsection 1, paragraph "g", that does not result in a serious injury, is guilty of a class "D" felony.

7. A person who commits child endangerment that is not subject to penalty under subsection 4, 5, or 6 is guilty of an aggravated misdemeanor.

(3) A person commits a crime of the first degree if he causes or permits a child to engage in a prohibited sexual act or in the simulation of such an act if the person knows, has reason to know or intends that the prohibited act may be photographed, filmed, reproduced, or reconstructed in any manner, including on the Internet, or may be part of an exhibition or performance.

(4) A person commits a crime of the second degree if he photographs or films a child in a prohibited sexual act or in the simulation of such an act or who uses any device, including a computer, to reproduce or reconstruct the image of a child in a prohibited sexual act or in the simulation of such an act.

(5)(a) A person commits a crime of the second degree if, by any means, including but not limited to the Internet, he:

(i) knowingly distributes an item depicting the sexual exploitation or abuse of a child;

(ii) knowingly possesses an item depicting the sexual exploitation or abuse of a child with the intent to distribute that item; or

(iii) knowingly stores or maintains an item depicting the sexual exploitation or abuse of a child using a file-sharing program which is designated as available for searching by or copying to one or more other computers.

In a prosecution under sub-subparagraph (iii) of this subparagraph, the State shall not be required to offer proof that an item depicting the sexual exploitation or abuse of a child had actually been searched, copied, transmitted or viewed by another user of the file-sharing program, or by any other person, and it shall be no defense that the defendant did not intend to distribute the item to another user of the file-sharing program or to any other person. Nor shall the State be required to prove that the defendant was aware that the item depicting the sexual exploitation or abuse of a child was available for searching or copying to one or more other computers, and the defendant shall be strictly liable for failing to designate the item as not available for searching or copying by one or more other computers.

Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person whose offense under this subparagraph involved 25 or more items depicting the sexual exploitation or abuse of a child shall be sentenced to a mandatory minimum term of imprisonment, which shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or five years, whichever is greater, during which the defendant shall be ineligible for parole.

Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person convicted of a second or subsequent offense under this subparagraph shall be sentenced to an extended term of imprisonment as set forth in N.J.S.2C:43- 7. For the purposes of this subparagraph, an offense is considered a second or subsequent offense if the actor has at any time been convicted pursuant to paragraph (3), (4) or (5) of this subsection, or under any similar statute of the United States, this State or any other state for an offense that is substantially equivalent to paragraph (3), (4) or (5) of this subsection.

For purposes of this subparagraph, the term "possess" includes receiving, viewing, or having under one's control, through any means, including the Internet.

Notwithstanding the provisions of subsection e. of N.J.S.2C:44-1, in any instance where a person was convicted of an offense under this subparagraph that involved 100 or more items depicting the sexual exploitation or abuse of a child, the court shall impose a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that

imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person convicted of a second or subsequent offense under this subparagraph shall be sentenced to an extended term of imprisonment as set forth in N.J.S.2C:43- 7. For the purposes of this subparagraph, an offense is considered a second or subsequent offense if the actor has at any time been convicted pursuant to paragraph (3), (4) or (5) of this subsection, or under any similar statute of the United States, this State or any other state for an offense that is substantially equivalent to paragraph (3), (4) or (5) of this subsection.

Nothing in this subparagraph shall be construed to preclude or limit any prosecution or conviction for the offense set forth in subparagraph (a) of this paragraph.

(6) For purposes of this subsection, a person who is depicted as or presents the appearance of being under the age of 18 in any photograph, film, videotape, computer program or file, video game or any other reproduction or reconstruction shall be rebuttably presumed to be under the age of 18. If the child who is depicted as engaging in, or who is caused to engage in, a prohibited sexual act or simulation of a prohibited sexual act is under the age of 18, the actor shall be strictly liable and it shall not be a defense that the actor did not know that the child was under the age of 18, nor shall it be a defense that the actor believed that the child was 18 years of age or older, even if such a mistaken belief was reasonable.

(7) For aggregation purposes, each depiction of the sexual exploitation or abuse of a child shall be considered a separate item, and each individual act of distribution of an item depicting the sexual exploitation or abuse of a child shall be considered a separate item. For purposes of determining the number of items depicting the sexual exploitation or abuse of a child for purposes of sentencing pursuant to subparagraph (a) of paragraph (5) of this subsection, the court shall aggregate all items involved, whether the act or acts constituting the violation occurred at the same time or at different times and, with respect to distribution, whether the act or acts of distribution were to the same person or several persons or occurred at different times, provided that each individual act was committed within the applicable statute of limitations. For purposes of determining the number of items depicting the sexual exploitation or abuse of a child for purposes of sentencing pursuant to subparagraph (b) of paragraph (5) of this subsection, the court shall aggregate all items involved, whether the possession of such items occurred at the same time or at different times, provided that each individual act was committed within the applicable statute of limitations.

(F) (1) (a) A court may require an offender to perform not more than two hundred hours of supervised community service work under the authority of an agency, subdivision, or charitable organization. The requirement shall be part of the community control sanction or sentence of the offender, and the court shall impose the community service in accordance with and subject to divisions (F)(1)(a) and (b) of this section. The court may require an offender whom it requires to perform supervised community service work as part of the offender's community control sanction or sentence to pay the court a reasonable fee to cover the costs of the offender's participation in the work, including, but not limited to, the costs of procuring a policy or policies of liability insurance to cover the period during which the offender will perform the work. If the court requires the offender to perform supervised community service work as part of the offender's community control sanction or sentence, the court shall do so in accordance with the following limitations and criteria:

(i) The court shall require that the community service work be performed after completion of the term of imprisonment or jail term imposed upon the offender for the violation of division (C) of this section, if applicable.

(ii) The supervised community service work shall be subject to the limitations set forth in divisions (B)(1), (2), and (3) of section 2951.02 of the Revised Code.

The official or person periodically shall report in writing to the court concerning the conduct of the offender in performing the work.

(iv) The court shall inform the offender in writing that if the offender does not adequately perform, as determined by the court, all of the required community service work, the court may order that the offender be committed to a jail or workhouse for a period of time that does not exceed the term of imprisonment that the court could have imposed upon the offender for the violation of division (C) of this section, reduced by the total amount of time that the offender actually was imprisoned under the sentence or term that was imposed upon the offender for that violation and by the total amount of time that the offender was confined for any reason arising out of the offense for which the offender was convicted and sentenced as described in sections 2949.08 and 2967.191 [2967.19.1] of the Revised Code, and that, if the court orders that the offender be so committed, the court is authorized, but not required, to grant the offender credit upon the period of the commitment for the community service work that the offender adequately performed.

(b) If a court, pursuant to division (F)(1)(a) of this section, orders an offender to perform community service work as part of the offender's community control sanction or sentence and if the offender does not adequately perform all of the required community service work, as determined by the court, the court may order that the offender be committed to a jail or workhouse for a period of time that does not exceed the term of imprisonment that the court could have imposed upon the offender for the violation of division (C) of this section, reduced by the total amount of time that the offender actually was imprisoned under the sentence or term that was imposed upon the offender for that violation and by the total amount of time that the offender was confined for any reason arising out of the offense for which the offender was convicted and sentenced as described in sections 2949.08 and 2967.191 [2967.19.1] of the Revised Code. The court may order that a person committed pursuant to this division shall receive hour-for-hour credit upon the period of the commitment for the community service work that the offender adequately performed. No commitment pursuant to this division shall exceed the period of the term of imprisonment that the sentencing court could have imposed upon the offender for the violation of division (C) of this section, reduced by the total amount of time that the offender actually was imprisoned under that sentence or term and by the total amount of time that the offender was confined for any reason arising out of the offense for which the offender was convicted and sentenced as described in sections 2949.08 and 2967.191 [2967.19.1] of the Revised Code.

(2) Division (F)(1) of this section does not limit or affect the authority of the court to suspend the sentence imposed upon a misdemeanor offender and place the offender under a community control sanction pursuant to section 2929.25 of the Revised Code, to require a misdemeanor or felony offender to perform supervised community service work in accordance

with division (B) of section 2951.02 of the Revised Code, or to place a felony offender under a community control sanction.

(G) (1) If a court suspends an offender's driver's or commercial driver's license or permit or nonresident operating privilege under division (E)(5)(d) of this section, the period of the suspension shall be consecutive to, and commence after, the period of suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege that is imposed under Chapter 4506., 4509., 4510., or 4511. of the Revised Code or under any other provision of law in relation to the violation of division (C) of this section that is the basis of the suspension under division (E)(5)(d) of this section or in relation to the violation of division (A) of section 4511.19 of the Revised Code that is the basis for that violation of division (C) of this section.

(2) An offender is not entitled to request, and the court shall not grant to the offender, limited driving privileges if the offender's license, permit, or privilege has been suspended under division (E)(5)(d) of this section and the offender, within the preceding six years, has been convicted of or pleaded guilty to three or more violations of one or more of the following:

(a) Division (C) of this section;

(b) Any equivalent offense, as defined in section 4511.181 [4511.18.1] of the Revised Code.

(H) (1) If a person violates division (C) of this section and if, at the time of the violation, there were two or more children under eighteen years of age in the motor vehicle involved in the violation, the offender may be convicted of a violation of division (C) of this section for each of the children, but the court may sentence the offender for only one of the violations.

(2) (a) If a person is convicted of or pleads guilty to a violation of division (C) of this section but the person is not also convicted of and does not also plead guilty to a separate charge charging the violation of division (A) of section 4511.19 of the Revised Code that was the basis of the charge of the violation of division (C) of this section, both of the following apply:

(i) For purposes of the provisions of section 4511.19 of the Revised Code that set forth the penalties and sanctions for a violation of division (A) of section 4511.19 of the Revised Code, the conviction of or plea of guilty to the violation of division (C) of this section shall not constitute a violation of division (A) of section 4511.19 of the Revised Code;

(ii) For purposes of any provision of law that refers to a conviction of or plea of guilty to a violation of division (A) of section 4511.19 of the Revised Code and that is not described in division (H)(2)(a)(i) of this section, the conviction of or plea of guilty to the violation of division (C) of this section shall constitute a conviction of or plea of guilty to a violation of division (A) of section 4511.19 of the Revised Code.

(b) If a person is convicted of or pleads guilty to a violation of division (C) of this section and the person also is convicted of or pleads guilty to a separate charge charging the violation of division (A) of section 4511.19 of the Revised Code that was the basis of the charge of the

violation of division (C) of this section, the conviction of or plea of guilty to the violation of division (C) of this section shall not constitute, for purposes of any provision of law that refers to a conviction of or plea of guilty to a violation of division (A) of section 4511.19 of the Revised Code, a conviction of or plea of guilty to a violation of division (A) of section 4511.19 of the Revised Code.

(l) As used in this section:

(1) "Community control sanction" has the same meaning as in section 2929.01 of the Revised Code;

(2) "Limited driving privileges" has the same meaning as in section 4501.01 of the Revised Code.

(1) Child's live testimony by 2-way closed circuit television.

(A) In a proceeding involving an alleged offense against a child, the attorney for the Government, the child's attorney, or a guardian ad litem appointed under subsection (h) may apply for an order that the child's testimony be taken in a room outside the courtroom and be televised by 2-way closed circuit television. The person seeking such an order shall apply for such an order at least 7 days before the trial date, unless the court finds on the record that the need for such an order was not reasonably foreseeable.

(B) The court may order that the testimony of the child be taken by closed-circuit television as provided in subparagraph (A) if the court finds that the child is unable to testify in open court in the presence of the defendant, for any of the following reasons:

(i) The child is unable to testify because of fear.

(ii) There is a substantial likelihood, established by expert testimony, that the child would suffer emotional trauma from testifying.

(iii) The child suffers a mental or other infirmity.

(iv) Conduct by defendant or defense counsel causes the child to be unable to continue testifying.

(C) The court shall support a ruling on the child's inability to testify with findings on the record. In determining whether the impact on an individual child of one or more of the factors described in subparagraph (B) is so substantial as to justify an order under subparagraph (A), the

court may question the minor in chambers, or at some other comfortable place other than the courtroom, on the record for a reasonable period of time with the child attendant, the prosecutor, the child's attorney, the guardian ad litem, and the defense counsel present.

(D) If the court orders the taking of testimony by television, the attorney for the Government and the attorney for the defendant not including an attorney pro se for a party shall be present in a room outside the courtroom with the child and the child shall be subjected to direct and cross-examination. The only other persons who may be permitted in the room with the child during the child's testimony are--

- (i) the child's attorney or guardian ad litem appointed under subsection (h);
- (ii) persons necessary to operate the closed-circuit television equipment;
- (iii) a judicial officer, appointed by the court; and
- (iv) other persons whose presence is determined by the court to be necessary to the welfare and well-being of the child, including an adult attendant.

The child's testimony shall be transmitted by closed circuit television into the courtroom for viewing and hearing by the defendant, jury, judge, and public. The defendant shall be provided with the means of private, contemporaneous communication with the defendant's attorney during the testimony. The closed circuit television transmission shall relay into the room in which the child is testifying the defendant's image, and the voice of the judge.

(2) Videotaped deposition of child.

(A) In a proceeding involving an alleged offense against a child, the attorney for the Government, the child's attorney, the child's parent or legal guardian, or the guardian ad litem appointed under subsection (h) may apply for an order that a deposition be taken of the child's testimony and that the deposition be recorded and preserved on videotape.

(B) (i) Upon timely receipt of an application described in subparagraph (A), the court shall make a preliminary finding regarding whether at the time of trial the child is likely to be unable to testify in open court in the physical presence of the defendant, jury, judge, and public for any of the following reasons:

- (I) The child will be unable to testify because of fear.
- (II) There is a substantial likelihood, established by expert testimony, that the child would suffer emotional trauma from testifying in open court.
- (III) The child suffers a mental or other infirmity.
- (IV) Conduct by defendant or defense counsel causes the child to be unable to continue testifying.

(ii) If the court finds that the child is likely to be unable to testify in open court for any of the reasons stated in clause (i), the court shall order that the child's deposition be taken and preserved by videotape.

(iii) The trial judge shall preside at the videotape deposition of a child and shall rule on all questions as if at trial. The only other persons who may be permitted to be present at the proceeding are--

- (I) the attorney for the Government;
- (II) the attorney for the defendant;
- (III) the child's attorney or guardian ad litem appointed under subsection (h);
- (IV) persons necessary to operate the videotape equipment;
- (V) subject to clause (iv), the defendant; and
- (VI) other persons whose presence is determined by the court to be necessary to the welfare and well-being of the child.

The defendant shall be afforded the rights applicable to defendants during trial, including the right to an attorney, the right to be confronted with the witness against the defendant, and the right to cross-examine the child.

(iv) If the preliminary finding of inability under clause (i) is based on evidence that the child is unable to testify in the physical presence of the defendant, the court may order that the defendant, including a defendant represented pro se, be excluded from the room in which the deposition is conducted. If the court orders that the defendant be excluded from the deposition room, the court shall order that 2-way closed circuit television equipment relay the defendant's image into the room in which the child is testifying, and the child's testimony into the room in which the defendant is viewing the proceeding, and that the defendant be provided with a means of private, contemporaneous communication with the defendant's attorney during the deposition.

(v) Handling of videotape. The complete record of the examination of the child, including the image and voices of all persons who in any way participate in the examination, shall be made and preserved on video tape in addition to being stenographically recorded. The videotape shall be transmitted to the clerk of the court in which the action is pending and shall be made available for viewing to the prosecuting attorney, the defendant, and the defendant's attorney during ordinary business hours.

(C) If at the time of trial the court finds that the child is unable to testify as for a reason described in subparagraph (B)(i), the court may admit into evidence the child's videotaped deposition in lieu of the child's testifying at the trial. The court shall support a ruling under this subparagraph with findings on the record.

(D) Upon timely receipt of notice that new evidence has been discovered after the original videotaping and before or during trial, the court, for good cause shown, may order an additional videotaped deposition. The testimony of the child shall be restricted to the matters specified by the court as the basis for granting the order.

(E) In connection with the taking of a videotaped deposition under this paragraph, the court may enter a protective order for the purpose of protecting the privacy of the child.

(F) The videotape of a deposition taken under this paragraph shall be destroyed 5 years after the date on which the trial court entered its judgment, but not before a final judgment is entered on appeal including Supreme Court review. The videotape shall become part of the court record and be kept by the court until it is destroyed.

(c) Competency examinations.

(1) Effect of Federal Rules of Evidence. Nothing in this subsection shall be construed to abrogate rule 601 of the Federal Rules of Evidence.

(2) Presumption. A child is presumed to be competent.

(3) Requirement of written motion. A competency examination regarding a child witness may be conducted by the court only upon written motion and offer of proof of incompetency by a party.

(4) Requirement of compelling reasons. A competency examination regarding a child may be conducted only if the court determines, on the record, that compelling reasons exist. A child's age alone is not a compelling reason.

(5) Persons permitted to be present. The only persons who may be permitted to be present at a competency examination are--

(A) the judge;

- (B) the attorney for the Government;
 - (C) the attorney for the defendant;
 - (D) a court reporter; and
 - (E) persons whose presence, in the opinion of the court, is necessary to the welfare and well-being of the child, including the child's attorney, guardian ad litem, or adult attendant.
- (6) Not before jury. A competency examination regarding a child witness shall be conducted out of the sight and hearing of a jury.
- (7) Direct examination of child. Examination of a child related to competency shall normally be conducted by the court on the basis of questions submitted by the attorney for the Government and the attorney for the defendant including a party acting as an attorney pro se. The court may permit an attorney but not a party acting as an attorney pro se to examine a child directly on competency if the court is satisfied that the child will not suffer emotional trauma as a result of the examination.
- (8) Appropriate questions. The questions asked at the competency examination of a child shall be appropriate to the age and developmental level of the child, shall not be related to the issues at trial, and shall focus on determining the child's ability to understand and answer simple questions.
- (9) Psychological and psychiatric examinations. Psychological and psychiatric examinations to assess the competency of a child witness shall not be ordered without a showing of compelling need.

(d) Privacy protection.

(1) Confidentiality of information.

(A) A person acting in a capacity described in subparagraph (B) in connection with a criminal proceeding shall--

(i) keep all documents that disclose the name or any other information concerning a child in a secure place to which no person who does not have reason to know their contents has access; and

(ii) disclose documents described in clause (i) or the information in them that concerns a child only to persons who, by reason of their participation in the proceeding, have reason to know such information.

(B) Subparagraph (A) applies to--

(i) all employees of the Government connected with the case, including employees of the Department of Justice, any law enforcement agency involved in the case, and any person hired by the Government to provide assistance in the proceeding;

(ii) employees of the court;

(iii) the defendant and employees of the defendant, including the attorney for the defendant and persons hired by the defendant or the attorney for the defendant to provide assistance in the proceeding; and

(iv) members of the jury.

(2) Filing under seal. All papers to be filed in court that disclose the name of or any other information concerning a child shall be filed under seal without necessity of obtaining a court order. The person who makes the filing shall submit to the clerk of the court--

(A) the complete paper to be kept under seal; and

(B) the paper with the portions of it that disclose the name of or other information concerning a child redacted, to be placed in the public record.

(3) Protective orders.

(A) On motion by any person the court may issue an order protecting a child from public disclosure of the name of or any other information concerning the child in the course of the proceedings, if the court determines that there is a significant possibility that such disclosure would be detrimental to the child.

(B) A protective order issued under subparagraph (A) may--

(i) provide that the testimony of a child witness, and the testimony of any other witness, when the attorney who calls the witness has reason to anticipate that the name of or any other information concerning a child may be divulged in the testimony, be taken in a closed courtroom; and

(ii) provide for any other measures that may be necessary to protect the privacy of the child.

(4) Disclosure of information. This subsection does not prohibit disclosure of the name of or other information concerning a child to the defendant, the attorney for the defendant, a multidisciplinary child abuse team, a guardian ad litem, or an adult attendant, or to anyone to whom, in the opinion of the court, disclosure is necessary to the welfare and well-being of the child.

(e) Closing the courtroom. When a child testifies the court may order the exclusion from the courtroom of all persons, including members of the press, who do not have a direct interest in the case. Such an order may be made if the court determines on the record that requiring the child to testify in open court would cause substantial psychological harm to the child or would result in the child's inability to effectively communicate. Such an order shall be narrowly tailored to serve the Government's specific compelling interest.

(f) Victim impact statement. In preparing the presentence report pursuant to rule 32(c) of the Federal Rules of Criminal Procedure, the probation officer shall request information from the multidisciplinary child abuse team and other appropriate sources to determine the impact of the offense on the child victim and any other children who may have been affected. A guardian ad litem appointed under subsection (h) shall make every effort to obtain and report information that accurately expresses the child's and the family's views concerning the child's victimization. A guardian ad litem shall use forms that permit the child to express the child's views concerning the personal consequences of the child's victimization, at a level and in a form of communication commensurate with the child's age and ability.

(g) Use of multidisciplinary child abuse teams.

(1) In general. A multidisciplinary child abuse team shall be used when it is feasible to do so. The court shall work with State and local governments that have established multidisciplinary child abuse teams designed to assist child victims and child witnesses, and the court and the attorney for the Government shall consult with the multidisciplinary child abuse team as appropriate.

(2) Role of multidisciplinary child abuse teams. The role of the multidisciplinary child abuse team shall be to provide for a child services that the members of the team in their professional roles are capable of providing, including--

(A) medical diagnoses and evaluation services, including provision or interpretation of x-rays, laboratory tests, and related services, as needed, and documentation of findings;

- (B) telephone consultation services in emergencies and in other situations;
- (C) medical evaluations related to abuse or neglect;
- (D) psychological and psychiatric diagnoses and evaluation services for the child, parent or parents, guardian or guardians, or other caregivers, or any other individual involved in a child victim or child witness case;
- (E) expert medical, psychological, and related professional testimony;
- (F) case service coordination and assistance, including the location of services available from public and private agencies in the community; and
- (G) training services for judges, litigators, court officers and others that are involved in child victim and child witness cases, in handling child victims and child witnesses.

(h) Guardian ad litem.

(1) In general. The court may appoint, and provide reasonable compensation and payment of expenses for, a guardian ad litem for a child who was a victim of, or a witness to, a crime involving abuse or exploitation to protect the best interests of the child. In making the appointment, the court shall consider a prospective guardian's background in, and familiarity with, the judicial process, social service programs, and child abuse issues. The guardian ad litem shall not be a person who is or may be a witness in a proceeding involving the child for whom the guardian is appointed.

(2) Duties of guardian ad litem. A guardian ad litem may attend all the depositions, hearings, and trial proceedings in which a child participates, and make recommendations to the court concerning the welfare of the child. The guardian ad litem may have access to all reports, evaluations and records, except attorney's work product, necessary to effectively advocate for the child. (The extent of access to grand jury materials is limited to the access routinely provided to victims and their representatives.) A guardian ad litem shall marshal and coordinate the delivery of resources and special services to the child. A guardian ad litem shall not be compelled to testify in any court action or proceeding concerning any information or opinion received from the child in the course of serving as a guardian ad litem.

(3) Immunities. A guardian ad litem shall be presumed to be acting in good faith and shall be immune from civil and criminal liability for complying with the guardian's lawful duties described in paragraph (2).

(i) Adult attendant. A child testifying at or attending a judicial proceeding shall have the right to be accompanied by an adult attendant to provide emotional support to the child. The court, at its discretion, may allow the adult attendant to remain in close physical proximity to or in contact with the child while the child testifies. The court may allow the adult attendant to hold the child's hand or allow the child to sit on the adult attendant's lap throughout the course of the proceeding. An adult attendant shall not provide the child with an answer to any question directed to the child during the course of the child's testimony or otherwise prompt the child. The image of the child attendant, for the time the child is testifying or being deposed, shall be recorded on videotape.

(j) Speedy trial. In a proceeding in which a child is called to give testimony, on motion by the attorney for the Government or a guardian ad litem, or on its own motion, the court may designate the case as being of special public importance. In cases so designated, the court shall, consistent with these rules, expedite the proceeding and ensure that it takes precedence over

any other. The court shall ensure a speedy trial in order to minimize the length of time the child must endure the stress of involvement with the criminal process. When deciding whether to grant a continuance, the court shall take into consideration the age of the child and the potential adverse impact the delay may have on the child's well-being. The court shall make written findings of fact and conclusions of law when granting a continuance in cases involving a child.

(k) Stay of civil action. If, at any time that a cause of action for recovery of compensation for damage or injury to the person of a child exists, a criminal action is pending which arises out of the same occurrence and in which the child is the victim, the civil action shall be stayed until the end of all phases of the criminal action and any mention of the civil action during the criminal proceeding is prohibited. As used in this subsection, a criminal action is pending until its final adjudication in the trial court.

(l) Testimonial aids. The court may permit a child to use anatomical dolls, puppets, drawings, mannequins, or any other demonstrative device the court deems appropriate for the purpose of assisting a child in testifying.

(m) Prohibition on reproduction of child pornography.

(1) In any criminal proceeding, any property or material that constitutes child pornography (as defined by section 2256 of this title [18 USCS § 2256]) shall remain in the care, custody, and control of either the Government or the court.

(2) (A) Notwithstanding Rule 16 of the Federal Rules of Criminal Procedure, a court shall deny, in any criminal proceeding, any request by the defendant to copy, photograph, duplicate, or otherwise reproduce any property or material that constitutes child pornography (as defined by section 2256 of this title [18 USCS § 2256]), so long as the Government makes the property or material reasonably available to the defendant.

(B) For the purposes of subparagraph (A), property or material shall be deemed to be reasonably available to the defendant if the Government provides ample opportunity for inspection, viewing, and examination at a Government facility of the property or material by the defendant, his or her attorney, and any individual the defendant may seek to qualify to furnish expert testimony at trial.
