 | f materials | Special Funds. This increase will allow DPS to cover all of its direct and indirect costs related to this
program, and should offset program cost increases for the next three years. | DPS would also like to propose legislation to include a checkbox on the State's quarterly tax reporting forms that
would state whether the organization stores or uses hazardous chemicatis in their processes. This would make
the State's requirements more visible and would hopefully help to ensure that the Hazardous Materials program
can more easily identify areas of risk to public safety. |
