Subject: Funding VT PBS

Dear Senator Jane,

I hope you will share my thoughts with the committee as you consider how to spend our tax dollars. I heard funding for PBS is on the cutting block.

That would be a shame for many reasons.

1. It is the only source of truthful news available in this day & age.
2. It is the only source of educational children's programming that isn't trying to sell them every toy & game ever invented.
3. It is the only source of theater & opera available for free.
4. Even their fictional programming is of a higher caliber than commercial TV's.
5. Their travel, science, & animal documentaries are invaluable.

Thank you for any consideration you can give,
