

1 S.230

2 Senator Westman moves that the bill be amended in Sec. 9, 30 V.S.A.

3 § 202, after the last ellipsis, by inserting a subsection (j) to read:

4 (j) For the purpose of assisting in the development of land use plans under
5 24 V.S.A. chapter 117, the Director shall provide municipal and regional
6 planning commissions with information detailing the location of electric
7 transmission and distribution infrastructure in the relevant municipality or
8 region and the capacity of that infrastructure to accept additional electric
9 generation facilities without modification. In providing this information, the
10 Director shall be entitled to the assistance of the electric utilities that own
11 electric transmission or distribution systems, or both, located in Vermont,
12 including the ability to obtain from those utilities such data as the Director
13 considers necessary to discharge his or her duties under this subsection.
