S.258

Senator McCormack moves that the bill be amended in Sec. 1, 18 V.S.A. chapter 112, by adding a new section to be 18 V.S.A. § 5277 to read as follows:

§ 5277. REPORTING REQUIREMENT

Each physician who prescribes or recommends an investigational drug, biological product, or device to an eligible patient pursuant to this chapter shall report the following information to the Department of Health:

- (1) the patient’s diagnosis;
- (2) the patient’s prognosis;
- (3) the name of the investigational drug, biological product, or device prescribed or recommended and an explanation of the physician’s reasons for selecting it; and
- (4) a description of the outcome of the experimental treatment, which shall be reported when the information is available.
