

S.42 - (Draft No. 2.1 – S.42) ADAP Edits

General Comment: Please add authority for or reference to Treatment Program Rules and Medication-Assisted Therapy Rules

PAGE	LINE	SUGGESTED EDITS/CHANGES	Other comments
1	10	Change “Division of Health Promotion” to “Division of Health Promotion and Disease Prevention” and the “Division of Alcohol and Drug Abuse Programs”?	Should ADAP and HPDP both be included in this language about partnership with AOE, or is that not needed because the council oversees ADAP’s system?
2	11	Modify: “preferred provider” to “approved providers and preferred providers”	
2	1	Replace “substance abuse disorders” with “substance use disorders” (search & replace throughout)	This is the term from the DSM 5
2	15	Replace addiction: ...”all stages of substance misuse and substance use disorders.”	
2	16	Replace chemical-free treatment with: ...providing abstinence-based care.	Also might add to definitions: “Abstinence” – a way of life abstaining from use of alcohol and/or certain drugs that may be required to manage symptoms of substance use disorder, and foster health and resilience.
3	13	a. Replace “abuse” w “use disorder” ...with a substance use disorder, services...	DSM 5 Same as p. 2, line 1
3	19	Modify: “a preferred provider” to “an approved provider/ preferred provider”	
5	17	Delete word “budget”	They don’t oversee their own budget.
5	19-21	Delete entire #13	not needed
6	6	Modify: “substance abuse disorder” to “substance use disorder”	
6	11	Modify: “Recovery [is] a process of change in which an individual [with a substance use disorder]...”	
6 8	19 17	Modify: “substance abuse disorder” to “substance use disorder”	
7	11-15	Replace: “Treatment” definition with: “Treatment” means the broad range of services including detoxification, outpatient, intensive outpatient, residential, and recovery services that	

		are needed by persons with a substance use disorder, and may include a variety of other medical social, vocational and educational supports and services, including care management, aftercare, and follow-up services relevant to the recovery of these persons.	
9	17	Replace “admissions”: ...regarding the administration and adherence to substance abuse treatment program standards,	
10	18	Insert: “supervised” ...outpatient services [supervised] by a licensed ...	Very important, otherwise unintentionally excludes all other types of providers (e.g., licensed MH providers, Masters of psychology, etc.)
14	11	Modify: “preferred provider” to “approved provider, preferred provider” OR approved/preferred provider”; “inpatient or residential services”	
14	12	Modify: “preferred provider” to “approved provider, preferred provider” OR approved/preferred provider”	
17	11, 15, 21	Modify: “approved provider” to “approved provider, preferred provider” OR approved/preferred provider”	
18	5, 17	Modify: “approved provider” to “approved provider, preferred provider” OR approved/preferred provider”	
19	2	Modify: “approved provider” to “approved provider, preferred provider” OR approved/preferred provider”	
21	20	Modify: “preferred provider” to “approved provider, preferred provider” OR approved/preferred provider”	
22	5, 8	Modify: “preferred provider” to “approved provider, preferred provider” OR approved/preferred provider”
