CHAPTER 207. MARIJUANA TAXES

§ 7901. TAX IMPOSED

(a) There is imposed a marijuana excise tax equal to 25 percent of the sales price, as that term is defined in subdivision 9701(4), on each retail sale of marijuana in this State. The tax imposed by this section shall be paid by the buyer to the retailer. Each retailer shall collect from the buyer the full amount of the tax payable on each taxable sale.

(b) The tax imposed by this section is separate from the general sales and use tax imposed by chapter 233 of this title. The tax imposed under this

section shall be separately itemized from any State and local retail sales tax on the sales receipt provided to the buyer.

(c) The following sales shall be exempt from the tax imposed under this section:

(1) sales under any circumstances in which the State is without power to impose the tax; and

(2) sales made by any dispensary, provided the marijuana will be provided only to registered qualifying patients directly or through their registered caregivers.

§ 7902. LIABILITY FOR TAX AND PENALTIES

(a) Any tax collected under this chapter shall be deemed to be held by the retailer in trust for the State of Vermont. Any tax collected under this chapter shall be accounted for separately so as to clearly indicate the amount of tax collected, and that the tax receipts are the property of the State of Vermont.

(b) Every retailer required to collect the tax imposed by this chapter shall be personally and individually liable for the amount of tax together with such interest and penalty as has accrued under this title. If the retailer is a corporation or other entity, the personal liability shall extend to any officer or agent of the corporation or entity who as an officer or agent of the same has the authority to collect the tax and transmit it to the Commissioner of Taxes as required in this chapter.

(c) A retailer shall have the same rights in collecting the tax from his or her purchaser or regarding nonpayment of the tax by the purchaser as if the tax

were a part of the purchase price of the marijuana and payable at the same time; provided, however, if the retailer required to collect the tax has failed to remit any portion of the tax to the Commissioner of Taxes, the Commissioner of Taxes shall be notified of any action or proceeding brought by the retailer to collect the tax and shall have the right to intervene in such action or proceeding.

(d) A retailer required to collect the tax may also refund or credit to the purchaser any tax erroneously, illegally, or unconstitutionally collected. No cause of action that may exist under State law shall accrue against the retailer for the tax collected unless the purchaser has provided written notice to a retailer, and the retailer has had 60 days to respond.

(e) To the extent not inconsistent with this chapter, the provisions for the assessment, collection, enforcement, and appeals of the sales and use taxes in chapter 233 of this title shall apply to the tax imposed by this chapter.

§ 7903. BUNDLED TRANSACTIONS

(a) Except as provided in subsection (b) of this section, a retail sale of a bundled transaction that includes marijuana is subject to the tax imposed by this chapter on the entire selling price of the bundled transaction.

(b) If the selling price is attributable to products that are taxable and products that are not taxable under this chapter, the portion of the price attributable to the nontaxable products are subject to the tax imposed by this chapter unless the retailer can identify by reasonable and verifiable standards

the portion that is not subject to tax from its books and records that are kept in the regular course of business.

(c) As used in this section, “bundled transaction” means:

(1) the retail sale of two or more products where the products are otherwise distinct and identifiable, are sold for one nonitemized price, and at least one of the products includes marijuana subject to the tax under this chapter; or

(2) marijuana provided free of charge with the required purchase of another product.

§ 7904. RETURNS

(a) Any retailer required to collect the tax imposed by this chapter shall, on or before the 15th day of every month, return to the Department of Taxes, under oath of a person with legal authority to bind the retailer, a statement containing its name and place of business, the amount of marijuana sales subject to the excise tax imposed by this subchapter sold in the preceding month, and any other information required by the Department of Taxes, along with the tax due.

(b) Every retailer shall maintain, for not less than three years, accurate records showing all transactions subject to tax liability under this chapter. These records are subject to inspection by the Department of Taxes at all reasonable times during normal business hours.

§ 7905. LICENSES

(a) Every retailer required to collect the tax imposed by this chapter shall apply for a marijuana excise tax license in the manner prescribed by the Commissioner of Taxes. The Commissioner shall issue, without charge, to each registrant a license empowering him or her to collect the marijuana excise tax. Each license shall state the place of business to which it is applicable. The license shall be prominently displayed in the place of business of the registrant. The licenses shall be nonassignable and nontransferable and shall be surrendered to the Commissioner immediately upon the registrant's ceasing to do business at the place named. A license to collect marijuana excise tax shall be in addition to the licenses required by sections 9271 (meals and rooms tax) and 9707 (sales and use tax) of this title and any license required by the Department of Public Safety.

(b) The Department of Public Safety may require the Commissioner of Taxes to suspend or revoke the tax license of any person for failure to comply with any provision of this chapter.
