Subject: funding for PBS

Dear Jane Kitchel,

I expect that you are also on the side of keeping the funding for PBS, but I want to add my voice to the chorus. I hope you will be able to vote for level funding for PBS when the time comes. In the NEK, as you know, there are very few outlets for culture and information, such as plays, concerts and lectures, and PBS provides an important source of these to us, and a great variety of them, as well. As well as its excellent programming for children.

Thank you,

Bobbie Bristol
