Dear Governor Shumlin, Chairperson Johnson and Chairperson Kitchell.

I am writing to urge you to reconsider potential withdrawal of funding of the Vermont Interactive Television. As a practitioner who represents clients in Bankruptcy proceedings, where the primary court is in Rutland, and my office is in Rutland, The VIT site in Williston is a godsend. As a result of not having to drive from Burlington to Rutland, I am able to offer my clients services at a much more reasonable price. Each time I arrive at the VIT site, there are other local practitioners awaiting their hearings. I cannot imagine the effect not funding the VIT sites will have on the Vermonters who will no longer have this asset at their disposal. I urge you to reconsider the decision not to fund VIT.
